Business Management of Railway Stations K.V.Rao IRTS, 2021-09-07 The Business Management of Railway Stations will help and guide the officers and staff of both government as well as private railways working at stations sidings and on trains to further improve the business of railways and services to the people It is also useful to passengers freight customers contractors rail users students academicians and the general public *London's Great Railway Stations* Oliver Green, 2021-12-07 A lavish photographic history of all the key railway stations of London for transport buffs and anyone interested in the rich history of London **Norfolk and Western Railway Stations and Depots** C. Nelson Harris, 2009-12-07 The tracks of the Norfolk and Western Railway snaked through Virginias Shenandoah Valley and the coalfields of West Virginia For nearly 100 years the Norfolk and Western brought freight passengers and economic vitality to large cities and rural mining towns At each stop was the depot or station some stations were large architecturally ornate structures that represented the muscular energy and romantic era of this great steam railway with its famed J class engines In other places there were small wooden depots that depicted the hard scrabble life of the mining communities tucked amid steep mountain valleys that were indelibly shaped by the railways presence Today some of those structures remain while many disappeared when the railway ceased passenger or other service The Norfolk and Western eventually merged with the Southern Railway and though the trains of the Norfolk Southern still run along those same lines they simply pass by where

they used to stop many years ago Maintaining and Improving Britain's Railway Stations Great Britain: National Audit Office,2005-07-20 Network Rail owns most of Britain's 2507 stations and is responsible for their structural repair and renewal It also operates and manages 17 large stations known as managed stations It leases the remainder known as franchised stations to 22 Train Operating Companies TOCs responsible for station maintenance cleaning and operations The Strategic Rail Authority SRA sets minimum standards including facilities and services required at franchised stations monitors TOCs compliance with requirements and helps fund stations operation and improvement In this report NAO examines whether passengers are satisfied with station facilities and services and whether station requirements are being met the barriers to station improvement and what is being done to overcome them There has been a little improvement in passengers satisfaction over recent years National Passenger Survey data show that satisfaction increased from 59 per cent to 63 per cent between 1999 and 2005 but the greatest levels of dissatisfaction are with the more than 2000 small and medium sized stations which are unstaffed or staffed for only part of the day and which have few facilities But there is a gap between rising passenger expectations on the one hand and value for money and what the government and the industry can afford to spend on the other Funding constraints constitute the biggest barrier to further improvement Having originally envisaged spending 225 million on new facilities at 980 stations in its Modern Facilities at Stations programme the SRA shrank the programme to 25 million and 68 stations to match the amount of money the Department for Transport made available
