Postcards from the Past Fred Thirkell, Robert Scullion, 1996 City of Vancouver Heritage award winner 2003 Postcards From The Past provides a nostalgic and enlightening glimpse of Vancouver and surrounding environs during its first great decade of growth years now known as the Edwardian Era Authors Fred Thirkell and Bob Scullion have presented a collection of outstanding postcard images complemented by historical anecdotes and amusing asides Complete with maps showing the sites of the original photos this collection allows readers to gain a new perspective of a grand time and a magnificent place

The Spiral Tunnels and the Big Hill - An Illustrated Railway History Graeme Pole, 2024-01-18 When the Canadian Pacific Railway CPR built through the Rockies in 1884 it laid track straight down the west slope of Kicking Horse Pass Dropping 1 140 feet in 7 1 railway miles this section of railway was a construction worker s horror and a railroader s nightmare that soon became known as the Big Hill Intended to be temporary the 4 5 percent grade more than 3 miles long saw use for 25 years until completion of the Spiral Tunnels in 1909 The two tunnels unique in North America loop over themselves doubling the length of track and halving the grade Incorporating more than 100 photographs *The Spiral Tunnels and the Big Hill* An Illustrated Railway History describes the construction of the CPR and recounts the tales of daring defiance and disaster on the second steepest mainline track ever operated in North America Maps and diagrams reveal how the Spiral Tunnels create a safer grade for trains The text provides up to date descriptions of today s locomotives and explains the many challenges of operating trains on mountain grades A Canadian bestseller for three decades this revised edition will be informative reading for railfans for travellers in the Rockies and for those with an interest in Canadian history **Gravity, Steam, and Steel**

Graeme Pole, 2022-12-19 In 1882 the Canadian Pacific Railway Company committed to building Canada s first trans continental railway across unknown ground in the Selkirk Mountains of southern British Columbia It was a gamble that almost scuttled the project and the promise of the young country During the next three years a small army of surveyors engineers and labourers cleared the grade and built track across Rogers Pass the only break in the Selkirk Mountains a place that defined wilderness Trestles tunnels snowsheds bridges and miles of looping track the Canadian Pacific Railway has since employed them all to reduce the dangers and to make railway operations in Rogers Pass safer and more reliable *Gravity Steam and Steel* recounts the triumphs and tragedies of building and operating a railway in a place where 40 feet of snow falls each year and where trains routinely run on grades that many other railways would consider impossibly steep **The Railway Magazine** ,1986 **Western Canada's Railways** J. Edward Martin, 1986 **Railroad History** ,1997

Vancouver & Beyond Fred Thirkell, 2000 An anthology of 50 stories about Vancouver and environs in the early years of the 20th century These stories grew out of a collection of picture postcards not just any old postcards but particularly appealing real photo cards that seemed to be waiting to have their stories told While some of the images are not uncommon most of the pictures are rare if not one of a kind survivors of the golden age of postcards which encompassed the years

between 1900 and 1914 the relatively short period of time when Vancouver ended its days as a frontier town and became a significant Canadian city Railway Mileposts, British Columbia: Southern routes from the Crowsnest to the Coquilla Roger Gordon Burrows, **BCLA Reporter** British Columbia Library Association,1986 *BC Studies* ,1981 **Seventy-five Years of Railroad History** ,1997 International Books in Print, 1988 Archie Rugh,1988 **West of the Great Divide** Robert D. Turner,1987 **Nicholas Morant's Canadian Pacific** Nicholas Morant,John F. Garden,1991 **Breaking News** Fred Thirkell,Bob Scullion,George Alfred Barrowclough,2004 Winner of a City of Vancouver Heritage Award 2005 Before the First World War photographs of major news events were rarely seen in the daily newspapers the technology was still too new to make their use viable Filling the gap and providing the missing images were the postcard photographers who could make their breaking news photos available on the street the day after an event occurred George Alfred Barrowclough was one of those photographers Barrowclough had the eye of an artist and the nose of a newsman His images of Vancouver and the surrounding areas stand out over those of other postcard photographers of his day in that they are more people centred and action oriented capturing the lives and appearances of the people living in and around Vancouver in the decade before the Great War Drawing from postcards that Barrowclough produced between 1908 and 1912 award winning authors Fred Thirkell and Bob Scullion have selected images for Breaking News that showcase the photographer s focus on people and events In Vancouver in those years you looked to newspapers for words you looked to Barrowclough for news This is Fred Thirkell and Bob Scullion s sixth book in the postcard genre Several of their earlier books have also won City of Vancouver Heritage awards PNLA Quarterly Pacific Northwest Library Association,1986 *Railfan & Railroad* ,2005 **Canadian Books in Print** ,1986 Seaport Systems and Spatial Change B. S. Hoyle,1984 Pioneer Days in British Columbia Art Downs,1979-05 Pioneer Days is a blend of words and photos that proves British Columbia s history is as interesting as that recorded anywhere else in North America Every article is true many written or narrated by those who 100 or more years ago lived the experiences they relate Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos many published for the first time
