The Dramatization of Bible Stories Mrs. Elizabeth Erwin (Miller) Lobingier, 1918 **Feminist Interpretations of Emmanuel Levinas** Tina Chanter, 2010-11 This volume of essays all but one previously unpublished investigates the question of Levinas s relationship to feminist thought Levinas known as the philosopher of the Other was famously portrayed by Simone de Beauvoir as a patriarchal thinker who denigrated women by viewing them as the paradigmatic Other Reconsideration of the validity of this interpretation of Levinas and exploration of what more positively can be derived from his thought for feminism are two of this volume s primary aims Levinas breaks with Heidegger s phenomenology by understanding the ethical relation to the Other the face to face as exceeding the language of ontology The ethical orientation

of Levinas's philosophy assumes a subject who lives in a world of enjoyment a world that is made accessible through the dwelling The feminine presence presides over this dwelling and the feminine face represents the first welcome How is this feminine face to be understood Does it provide a model for the infinite obligation to the Other or is it a proto ethical relation The essays in this volume investigate this dilemma Contributors are Alison Ainley Diane Brody Catherine Chaliel Luce Irigaray Claire Katz Kelly Oliver Diane Perpich Stella Sandford Sonya Sikka and Ewa Ziarek

He Made Them Strangers and Blessed Them! Lawrence Chima, 2023-02-09 In a world that has drifted far away from the truth towards falsehood this book has come to serve as compass to redirect humanity on the path of truth and a blessed future In a world where hate racism anti-Semitism and xenophobia have joined forces to contend with the spirit of love integration and inclusion this book has come to shine as a light in darkness to bring understanding to the simple minded In a world where divisiveness has become a norm this book has come to remind us that the middle wall of partition had been broken down by Jesus Christ who had made all people one in him This book is a compendium of the heartbeat of God on the subject of aEUR Stranger hood that has been greatly undermined in the past and in the present but is key to human progress aEUR Bigotry dwarfs the soul by shutting out the truth aEUR Edwin Hubbel Chapin

Walking Through the Valley of the Shadow of Death Kimberly Carolan, 2009-02-01 Written from a Christian perspective this volume delves into what the Bible says about grief and what friends of survivors can do to effectively minister to those grieving

Emmanuel Levinas: Beyond Levinas Claire Elise Katz, Lara Trout, 2005 Emmanuel Levinas 1905 1995 was one of the foremost thinkers of the twentieth century His work influencing a wide range of intellectuals such as Maurice Blanchot Jacques Derrida Luce Irigaray and Jean Luc Marion

Levinas, Judaism, and the Feminine Claire Elise Katz, 2003-11-14 Challenging previous interpretations of Levinas that gloss over his use of the feminine or show how he overlooks questions raised by feminists Claire Elise Katz explores the powerful and productive links between the feminine and religion in Levinas's work Rather than viewing the feminine as a metaphor with no significance for women or as a means to reinforce traditional stereotypes Katz goes beyond questions of sexual difference to reach a more profound understanding of the role of the feminine in Levinas's conception of ethical responsibility She combines feminist interpretations of Levinas with interpretations that focus on his Jewish writings to reveal that the feminine provides an important bridge between his philosophy and his Judaism Katz's reading of Levinas's conception of the feminine against the backdrop of discussions of women of the Hebrew bible points to important shifts in contemporary philosophy toward the creation of life and care for the other

Uncommon Friendships William Young, 2010-01-01 Uncommon Friendship explores the often overlooked dynamic of interreligious

friendships considering their significance for how we think about contemporary religious thought By exploring the dynamics of three relationships between important religious thinkers Franz Rosenzweig and Eugen Rosenstock Huessy Emmanuel Levinas and Maurice Blanchot and Julia Kristeva and Catherine Clement this study demonstrates the ways such friendships enable innovation and transformation within religious traditions For each pair of thinkers the sustained engagement and disagreement between them becomes central to their religious and philosophical development helping them to respond effectively and creatively to issues and problems facing their communities and societies Through a rereading of their work Young shows how such friendships can help us rethink religion aesthetics education and politics as well as friendship itself An utterly remarkable treatise on the interreligious friendships that joined three pairs of the great thinkers of twentieth century Europe I know of nothing quite like this It is rigorous scholarship that has the sharp edge of cultural criticism and yet the inspiring effect of a philosophic and spiritual poem Its lesson is indeed uncommon that critical reason is strengthened by love that love is deepened by undomesticated difference and that in a quiet way the name of God may have a lot to do with all of the above Peter Ochs Edgar Bronfman Professor of Modern Judaic Studies University of Virginia An elegantly written and intellectually engaging study William Young's Uncommon Friendships offers a refreshing portrayal of the praxis of friendship and its ability to operate as a key element in the development of ideas generally and in efforts towards interreligious dialogue in particular Young's lucid descriptions of the long term intellectual engagements between Rosenstock Rosenzweig Levinas Blanchot Kristeva Clement highlight the embodied creative and often unsettling affects of friendship upon the evolution of an intellectual work Young's book deepens our understanding of the social character of knowledge and challenges readers to consider the value of a praxis of friendship as a check upon solipsism and the drive for truth and as a tool for cultivating patient listening and an openness regarding the contingency of our beliefs Randi Rashkover George Mason University
