## **Salvation In Life In The Of Romans:**

Salvation in Life in the Book of Romans Witness Lee, 1990-06      **The Holy Word for Morning Revival - Entering into the Fourth Stage of the Experience of Life to Arrive at a Full-grown Man for the Fulfillment of God's Purpose** Witness Lee, 2013-10-13      **From Death to Life** F. Wayne MacLeod, 2018-12-20

Some of the most important teaching in the Bible about salvation and victorious Christian living is found in Romans 5:8. In this passage the apostle Paul details the plan of salvation through the sacrifice of Jesus Christ and the inner work of the Spirit. Paul shows us the purpose of the triune God in planning, securing, and enabling His children to obtain and live triumphantly in the wonderful salvation offered them. The attempt of this study is to reveal the plan of God for salvation and forgiveness and His means for living in the fullness of that salvation.

**Life-Study of Romans** Witness Lee, 1984-05-01

In the Lord's recovery during the past five hundred years, the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
