Transformation by the Spirit and the Word Will Loescher, 2023-03-01 This book is a distillation of reading Acts for over fifty years preaching it for twenty five years and studying it in depth for five years My aim is for students church leaders preachers and missionaries to join me on a journey of narrative theology a literary exploration of transformation by the Spirit and the Word in Acts As with every part of God s inspired Scriptures there is always more to discover and apply As a Reformed Charismatic I believe that Acts is our story However rather than just attempting to copy it I suggest that the book s unexpected literary shape reveals a challenging missional significance The need for world gospel mission continues today However like the early church we often contain the Holy Spirit within our own structures and are reluctant to move out of

our comfort zones Acts shows the church's priority is to be God's mission instrument in the world Let's study lead preach and go from Acts so that we realize Jesus's promise that you will receive power when the Holy Spirit comes upon you and you will be my witnesses in Jerusalem Judea and Samaria and to the ends of the earth Acts 1:8 *Progressive Covenantalism*

Extending Mercy to the Gentiles John P. Harrigan,2023-10-13 Paul s discipleship agenda was defined by his native Jewish apocalyptic worldview The novelties of his thought namely the death of Israel s Messiah the unique gift of God s Spirit and the intentional mission to the gentiles seem to be framed within the common Jewish eschatological parameters of the day of the Lord the judgment the resurrection of the dead and the messianic kingdom Moreover for Paul this eschatology was the primary driver of discipleship comforting in the midst of tribulation anchoring the gifts of the Spirit and informing divine mission Paul thus discipled the gentiles into the hope of Israel

Leadership Mosaic Daniel Montgomery,Jared Kennedy,2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

Watch Rick James,2017 To be asleep is to be oblivious to being oblivious The danger of sleep is the danger of carbon monoxide it s colorless and odorless and you re anesthetized before you know it before you ever hit the floor And for the follower of Jesus it s just as dangerous because the Christian who is asleep is spiritually unreceptive If
