## **Salvation And God:**

**The Gift of Salvation** Antonio N. Sherman, 2012-05-22 Salvation what is it Who needs it Who all can have it How do you get it What is my assurance of it and that I truly have it What is your assurance of your salvation To put it simply Gods Word is our assurance His infallible Word his unchanging Word Its not a feeling I have ministered to and have heard so many people say this I dont feel saved I am talking about those that say that they are Christian and have accepted Christ And that is another reason for this book to help these people to understand salvation And to help those to understand salvation and to receive Jesus Christ as personal Lord and Savior Let me share this experience with you To help you understand your assurance of your salvation And let no one or nothing shake or doubt your salvation including yourself Pray and walk through these chapters with me and find the answers to all these questions and more What Is Salvation No Other Name Without Faith Believe or Not The Seal the Promise and Your Guarantee The Gift **GPS: God's Provided Salvation** Jeffery

Giles, 2019-11-19 God s Provided Salvation is available to every person that desires a relationship with God His desire is for every person to live eternally with Him in His kingdom and that fact is spelled out throughout the scripture Old and New Testaments What we have done in this study book is we have taken scripture from various books in the Bible as they relate to each other on the subject of eternal salvation and combined them along with questions and commentary God has provided salvation through His Son Jesus Christ and this book helps you to understand more about that sacrifice and what is required by God for us to live with Him and His Son Jesus throughout eternity This book hopefully will challenge you to dig into the Scripture more on a daily basis and strengthen your relationship with the Lord God in heaven **Questions about**

**Salvation** S. Michael Houdmann, General Editor, 2014-04 Salvation is the rich and rewarding theme of Scripture From beginning to end we see a God who seeks the lost in order to forgive their sins and restore their fellowship According to 1 Peter 1 10 Concerning this salvation the prophets who spoke of the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to God s grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with God s Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19 10 and He is the focal point of these answers Salvation Millard J. Erickson, 1978 It Was Orderly God doesn t work in a haphazard way as if responding in panic to some crisis we created It was Unique God s plan of salvation is not another self help project but is the only one of its kind offering full pardon and regeneration because of what God Himself did for us It Was Simple Though planned by the incomprehensible God Creator of the vast universe anyone in childlike faith can respond to His way of

salvation and receive full benefits In logical order the author traces in clear language the doctrine of salvation starting with conversion faith justification regeneration adoption sanctification security of the believer all the way to glorification Dr Erickson breaks open these difficult sounding words so that the rich meaning can pour out to enrich your life and make you rejoice in all God has done for you Publisher **So Great Salvation** Charles C. Ryrie,1997-07-01 What is the Gospel Confusion about the Gospel is a serious problem of tremendous magnitude It s not just semantics It s the eternal difference between heaven and hell But there is Good News Follow along in this scholarly yet readable work as Dr Ryrie carefully explains what the Bible has to say about salvation discussing man s hopeless state before meeting Jesus God s grace in saving us and our call to obedience as we walk with Him In **So Great Salvation** Dr Ryrie also addresses many questions raised by those who hold to the lordship salvation position Does Jesus have to be the Lord of every area of our lives before we are saved What about backslidden Christians What is easy believeism Join Dr Ryrie as he studies the important topic of salvation Discover how God s grace is all we need to enter the kingdom of heaven At the Moment of Salvation Danny R Zickefoose,2018-11-15 This book discusses fifteen blessings that God gives to each and every Christian at the very moment that we pray a sinner s prayer and accept Jesus Christ as our Lord and Savior This book is designed in short and easy to read chapters for those on the go It is designed to bless and encourage the so called average Christian **Contemplating God in Salvation** Lawrence Kimbrough,2006 One book in a series of four each offering fifteen lessons that encourage quality heart shaping quiet time to help readers grow in faith WHAT IS SALVATION?: A Biblical Study of God's Greatest Gift Bill Parker,2014-02 The idea for What is Salvation came as a result of a real concern over the ignorance of so many people today who claim to be saved but who do not understand the truths and realities of salvation as set forth in the Bible Pastor Parker began this as a series of messages preached at Thirteenth Street Baptist Church where he currently pastors and it developed into a comprehensive study and overview of this great and glorious subject as revealed in God s Holy Word It is written in simple and precise language so that any serious Bible student can glean from its pages without getting bogged down in lofty theological platitudes It will be helpful as a guide for those who desire to go further and deeper in their study of God s Word and also as an aid to ministers students and study groups all who seriously desire to study and find answers from God s Word **Salvation Belongs to Our God** Christopher J. H. Wright,2012-11-28 Christopher J H Wright sets the concept of salvation in its biblical context showing its global implications for how God s redeemed people relate to one another and the world they inhabit The Power of God Unto Salvation Benjamin Breckinridge Warfield,1930 **Salvation: God's Greatest Miracle** Clay A. Kahler,2007-09-01 And he brought them out and said Sirs what must I do to be saved Acts 16 30 In this age of pluralism universalism and anything goes ism the truth concerning biblical salvation is under attack even in many of our churches In **Salvation God's Greatest Miracle** Clay A Kahler presents the biblical teaching of salvation in clear concise and logical terms God the creator and sustainer of the universe lovingly and intentionally provided all that is needed

for the reconciliation of man to Himself through Jesus Christ In this book you will learn what God s plan of salvation is and how to receive it for yourself Paul the apostle tells us that peace joy and hope are ours for the taking through the gospel Kahler approaches this most important biblical doctrine in his typical no nonsense plain talking style It is a must read for all who are saved and for those who are struggling with the idea of salvation     **A Biblical Guide to Salvation** Nathanael Armendariz,2019-10-08 Since its early beginning s creation has been plagued by a sickness the effects of which extend to the uttermost parts of the earth so that none can escape it For most death is considered a normal part of life something that we all must face And while it is certainty true that no one can escape or circumvent their physical death the Scriptures tell us that this life is but a shadow of the one to come and that the decisions we make now will determine where we go from here either into eternal life in the presence of the Lord or into eternal death whereby we are permanently separated from our heavenly creator This book seeks to address a series of key doctrinal issues with the intention of providing the reader with a consistent understanding of what the Scriptures teach regarding our eternal salvation and the role that we all must play in God s redemptive plan     Salvation for All Gerald O'Collins,2008-03-21 This book examines in depth and at length what the Old Testament and the New Testament hold about the salvation of God s other peoples The Bible repeatedly witnesses to the universal scope of the divine love for all human beings and the chances of salvation that are available to them Since the Israelites experienced for many centuries both at home and abroad the religion and culture of numerous other peoples the Old Testament texts have much to say both positively and negatively about the religious prospects and destiny of these peoples In its second half this book scrutinizes what Jesus the evangelists Paul and the Letter to the Hebrews indicate about God s loving designs for all human beings At the end the book breaks new ground by developing the universal presence of the risen Jesus along with the Holy Spirit and his role as universal Wisdom and the full teaching of the Letter to the Hebrews on the possibility of faith for all people     The Salvation Story Mercy Ngwube,2018 The Salvation Story is a book written with the intentions to make known God s side of the story of grace for those who wish to explore the Christian faith In the book you will discover grace as the salvation offered to mankind by God through the blood sacrifice of his Son Jesus Christ a salvation which man does not deserve but has been offered because of the infinite love God feels toward mankind The book explains to the reader how anyone despite the sinful nature we all share can be saved just by accepting the sacrifice Jesus Christ offered to the Father In the book faith takes on a deeper dimension as the author shares her personal struggles with kidney failure and how her deep rooted belief that her personal relationship with God will carry her through her medical struggles It is a book that shows the reader that their faith walk was never meant to be a bed of roses Using Abraham s faith walk as an example the author has demonstrated that there will be obstacles along the way but with our eyes firmly fixed on the Lord Jesus He will lead us to our final destination heaven With a strong faith in God and desire to set our will aside and follow His commandments the author implies that we can successfully resist the worldly temptations of sin and therefore live

an abundant Christian life as Jesus promised those who will believe in Him in John 10 10      **Why Salvation?** Joel B. Green, 2014-02-18 What must I do to be saved      **Understanding the Way of Salvation** Carol Jones, Word Worldwide, 2002 Why does the human race need to be saved From what Read some typical reactions to these questions from different people and then discover through the Scriptures what God's answer is This study looks at the sacrifice of Jesus the work of the Holy Spirit the great exchange union with Christ and present and future tenses of salvation A memory verse each week will help you to fix these truths in your mind Helpful notes bring the significance of these chapters into focus and speak clearly to us today Geared for Growth study materials encourage A Daily Encounter with God Your 10 15 minutes each day will strengthen the impact of God's word on your daily living Group learning and sharing Meet weekly in a small group share your answers and be enriched as you learn from others Spiritual Growth You will be challenged to put God's Word into practice Others will feel the impact as you obey grow and mature Church Growth Introduce people to Spiritual reality Your study group could be the stepping stone for others coming to faith      **The Breadth of Salvation** Tom Greggs, 2020-07-21 All too often the Christian understanding of salvation has been one dimensional reducing all that God has done for us to a single conception or idea Tom Greggs one of today's leading theologians offers a brief accessibly written but theologically substantive treatment of the doctrine of salvation Drawing on the broad tradition of the church and the Christian faith in explaining the Christian understandings of salvation Greggs challenges the contemporary church to be captured afresh by the immeasurable height depth and breadth of God's saving actions      Salvation Lewis Sperry Chafer, Robert J. Choun, Jr., 2004-12-22 A now classic work that clearly and directly defines and explains the scriptural theological and practical aspects of each facet of the salvation Jesus secured for us Originally published in 1917 this book explores atonement grace propitiation forgiveness justification imputation regeneration adoption sanctification redemption and glorification In the end Chafer concludes that salvation is possible because God's love is all that a sinner really needs      **Jesus and Salvation** Robin Ryan, 2015-04-08 How does the Christian proclamation of salvation in Jesus Christ relate to the lives of the people who suffer most Does salvation consist entirely of the hope for eternal life with God How might the church effectively preach the message of salvation in Christ today In Jesus and Salvation Robin Ryan adopts a historical approach to these questions discussing key themes and classic authors in the developing tradition about Christ the Savior He examines modern soteriology by engaging the thought of Karl Rahner Edward Schillebeeckx Gustavo Guti rrez and Elizabeth Johnson He also discusses contemporary conceptions of salvation within an evolutionary view of the cosmos as well as issues related to the Christian confession of Jesus as universal savior in a religiously pluralistic world Ryan concludes by offering his own reflections on the meaning of salvation from God in Jesus Christ By understanding salvation in Christ as both gift and call Ryan invites readers to recognize in the saving grace of God a responsibility for the well being of the human family and the rest of creation      **God of Salvation** Dr Murray A Rae, Professor Ivor J Davidson, 2013-06-28 The theology of salvation stands at the heart of the

Christian faith Very often the structure of Christian salvation is seen in terms of a single theme such as atonement for sins forgiveness liberation or friendship with God It is easy to reduce soteriology to a matter of merely personal experience or to see salvation as just a solution to a human problem This book explores a vital yet often neglected aspect of Christian confession the essential relationship between the nature of salvation and the character of the God who saves In what ways does God s saving outreach reflect God s character How might a Christian depiction of salvation best bear witness to these features What difference might it make to start with the identity of God as encountered in the gospel then view everything else in the light of that In addressing these questions this book offers fresh appraisals of a range of major themes in theology the nature of creaturely existence the relationship between divine purposes and material history the holiness love and judgement of God the atoning work of Jesus Christ election justification and the nature of faith salvation outside the church human and non human ends the nature of eschatological fellowship with God In looking at these issues in the light of God s identity the authors offer a stimulating and tightly argued reassessment of what a Christian theology of salvation ought to resemble and ask what the implications might be for Christian life and witness in the world today
