Salvation Godly Rule:

Salvation & Godly Rule R. J. Rushdoony, 2019-05-22 Man was called to dominion Gen 1 26 28 and to establish his reign over the world under God By his fall man introduced the reign of death into the world and as long as he remains in the Fall sin reigns in him unto death both in time and eternity Christ however by His grace and the gift of righteousness enables man to reign in this world and to reign through righteousness in time and eternity Salvation means reigning As formerly rebellious slaves we are now established in kingship and described as more than conquerors Rom 8 37 in Christ because we are also kings The full meaning of salvation cannot be understood apart from the fact of reigning The multiple use of the word reign in Romans makes clear the centrality of reigning in the doctrine of redemption To defer this fact to another world is a false separation into two alien realms one the material surrendered to one god and the other spiritual reserved for the other god Neither is Biblical St Paul is emphatic we reign in life The Biblical doctrine of salvation requires it

Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos Stoica, 2025-02-15 Sayyid Qutb s Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb's radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb's political theology of Hakimiyyah God's Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Outb's critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Cort s 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God's Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti-modern political theology. Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God's Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology The Death of Meaning R. J. Rushdoony, 2018-03-26 For centuries on end humanistic philosophers have produced endless books and treatises which attempt to explain reality without God or the mediatory work of His Son Jesus Christ Modern philosophy has sought to explain man and his thought process without acknowledging God His Revelation or man s sin God holds all such efforts in

derision and subjects their authors and adherents to futility Philosophers who rebel against God are compelled to abandon meaning itself for they possess neither the tools nor the place to anchor it The works of darkness championed by philosophers past and present need to be exposed and reproved In this volume Dr Rushdoony clearly enunciates each major philosophers position and its implications identifies the intellectual and moral consequences of each school of thought and traces the dead end to which each naturally leads There is only one foundation Without Christ meaning and morality are anchored to shifting sand and a counsel of despair prevails This penetrating yet brief volume provides clear guidance even for laymen unfamiliar with philosophy COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology. 95 Theses for a New Reformation Aaron Hebbard, 2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ's beloved bride the church And let us prepare ourselves to respond with urgency to God's call to action by reforming the church family and culture Contributors John Frame John MacArthur R C Sproul Peter J Leithart and James White How to Rule? Grant Duncan, 2021-09-30 A guide through history for those perplexed about the fate of democracy and the government of diverse societies In war and in peace amid disruptive change and during reconstruction a government of people and events will always be called for But in this age of anxiety and uncertainty people on the left and the right are losing confidence in governments elections and politicians Many ask whether democracy has failed and ponder alternatives Knowing how to govern and how to be governed are necessary for solving collectively our pressing social and ecological problems This book rediscovers diverse models of government including the successful statecraft and drastic mistakes of past rulers and their advisers From ancient to modern times what methods of government have arisen and succeeded or what were their fatal flaws What ethical and political ideas informed the rulers and the ruled How have states dealt with unexpected calamities or with cultural and religious differences And what kept things more or less running smoothly Amid rapid change and political dissent it s timely to re examine the ideas and practices that governed large populations and guided their rulers In an age of political distrust disruptive populism and global crises we need to rearm ourselves with knowledge of history and diverse political ideas to better address

J. Rushdoony, 2017-07-11 Our faith should be an informed one because the God who created all things speaks to every sphere of life and all facts should be studied in light of the revelation of God in Scripture This is the foundation of Christian dominion For R J Rushdoony true government was the self government of the Christian life in terms of God's law so he wrote his position papers to better equip Christians to apply their faith to all of life His objective was not to empower the state or the organized church but rather to call every person and institution to God's Word which often put him at odds with both church and state This three volume collection of his position papers 1979 2000 are organized topically and are featured for the first time with an extensive index which will make this material far more accessible to the studious reader This beautiful three volume collection of hardback books topically organizes ALL of Rushdoony's position papers not only the 115 originally published in Roots of Reconstruction but also 118 later essays including six recently discovered unpublished papers Scripture-account of the attributes and worship of God; and of the character and offices of Jesus Christ [ed. by J. Schwartz, 2010-09-15 God's basic institution is the family and the Biblical family lives and operates in terms of a calling greater than itself the Kingdom of God In an age when the family is disparaged warred against and treated as a mere convention it becomes the duty of Christians to bring God's plan for the family to listening ears That's what Andrea Schwartz has accomplished in this collection of essays on The Biblical Trustee Family Stemming from her long years in homeschooling

Andrea elevates the Kingdom mandate as the driving purpose behind God's creation of the family and the family's central task education Her passion is to equip Christian families especially homeschooling mothers not only with the tools of learning but the tools of dominion
