Salvation Scenes From The Life Of St Francis:

Salvation Valerie Martin, 2002-03-12 From the award winning author of *Property* and bestselling author of *Mary Reilly* a bold retelling of a familiar beloved story Los Angeles Times inspired by the fresco cycles that depict the life of St Francis of Assisi Drawing from myriad sources and moving in reverse chronological order she begins in the dark final days with a suffering Francesco on the verge of death then shows us the unwashed and innocent revolutionary unafraid to lecture a pope on Christ's message We see his mystical friendship with Chiara di Offreducci a nobleman's daughter who turns her back on the world to join him and finally the frivolous young Francesco on the deserted road where his encounter with a leper leads him to an ecstatic embrace of God Salvation is at once an illuminating glimpse into the medieval world and an original and intimate portrait of the man whose legend has resonated through the centuries **Finding Saint Francis in Literature**

and Art C. Ho, B. Mulvaney, 2009-08-03 Contributors demonstrate how the tools of various intellectual disciplines can be used to examine what we now know about the story of Saint Francis in his own era and how that story has been appropriated in our period *The Fiction of Valerie Martin* Veronica Makowsky, 2016-03-21 In the first book length study of Valerie

Martin's fiction Veronica Makowsky explores the work of this lauded but often overlooked contemporary novelist Winner of the Orange Prize for her novel *Property* 2003 Martin also won the Kafka Prize for *Mary Reilly* 1990 which was then translated into sixteen languages and made into a popular film Despite these successes her critically acclaimed novels and stories have yet to attain a broad readership Makowsky addresses this disconnect through a detailed critical study of Martin's distinguished oeuvre grounding each work in its historical cultural and theoretical contexts Makowsky begins with a sketch of Martin's life and then considers each of her ten novels and four collections of short stories Throughout Makowsky's deft critique reveals Martin to be an astute observer of people and places Pointing to both early works like *A Recent Martyr* 1987 and recent books such as *The Ghost of the Mary Celeste* 2014 Makowsky identifies a potent mixture of pleasure and fear in Martin's writing that emphasizes the author's nuanced exploration of human imagination Notable too are Martin's literary techniques especially point of view and her allusions to masterpieces in Western literature The works of Henry and William James in particular influenced Martin's thematic blend of intellectualism and empathy evident in her rounded depictions of women in works like *Italian Fever* 1999 and *The Great Divorce* 1994 A rich and substantive study *The Fiction of Valerie Martin* demonstrates and deconstructs the mastery of this thought provoking author in turn firmly establishing Martin's place in the canon of contemporary writers *Property* Valerie Martin, 2007-12-18 WINNER OF THE ORANGE PRIZE Set in

1828 on a Louisiana sugar plantation this novel from the bestselling author of *Mary Reilly* presents a fresh unsentimental look at what slave owning does to and for one's interior life The writing so prized and clean limbed is a marvel Toni Morrison Nobel Prize winning author of *Beloved* Manon Gaudet pretty bitterly intelligent and monstrously self absorbed seethes under the dominion of her boorish husband In particular his relationship with her slave Sarah who is both his victim and his

mistress Exploring the permutations of Manon's own obsession with Sarah against the backdrop of an impending slave rebellion Property unfolds with the speed and menace of heat lightning casting a startling light from the past upon the assumptions we still make about the powerful and powerful **Hearing the Call Across Traditions** Adam Davis, 2009 Explore the connections between faith service and social justice through the prose verse and sacred texts of the world's great faith traditions Christianity Judaism Islam Buddhism Hinduism Taoism and more Drawing from diverse literary genres religious and philosophical perspectives and historical periods these short and provocative readings cut to the heart of the many obstacles and joys that accompany lives devoted to faith and service This rich collection will create a platform for discussing and understanding the faith based service of others as well as inspire you to reflect on the meaning behind your own commitment to improving the world Book jacket *Animal Soundscapes in Anglo-Norman Texts* Liam Lewis, 2022 A redefinition of the animal's relationship to sound and language in French texts from medieval England The barks hoots and howls of animals and birds pierce through the experience of medieval texts In captivating episodes of communication between species a mandrake shrieks when uprooted from the ground a saint preaches to the animals and a cuckoo causes turmoil at the parliament of birds with his familiar call This book considers a range of such episodes in Old French verse texts including bestiaries treatises on language the Life of Saint Francis of Assisi and the Fables by Marie de France aiming to reconceptualize and reinterpret animal soundscapes It argues that they draw on sound to produce competing perspectives forms of life and linguistic subjectivities suggesting that humans owe more to animal sounds than we are disposed to believe Texts inviting readers to listen and learn animal noises to seek spiritual consolation in the jargon of birds or to identify with the speaking wolf create the conditions for an assertion of human exceptionalism even as they simultaneously invite readers to question such forms of control By asking what it means for an animal to cry make noise or speak in French this book provides an important resource for theorizing sound and animality in multilingual medieval contexts and for understanding the animal's role in the interpretation of the natural world *A Jesuit Off-Broadway* James Martin, 2011-03-01 Many of us have questions about the Bible Can we believe the Bible What was Jesus' mission What is sin Does hell exist Is anyone beyond God's forgiveness In *A Jesuit Off Broadway* James Martin SJ answers these questions about the Bible and other big questions about life as he serves as a theological advisor to the cast of *The Last Days of Judas Iscariot* Grab a front row seat to Fr Martin's six months with the LAByrinth Theater Company and see first hand what it's like to share the faith with a largely secular group of people and discover along with Martin that the sacred and the secular aren't always that far apart

Journey to the Sun Gregory Orfalea, 2014-01-14 The fascinating narrative of the remarkable life of Jun pero Serra the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West The fascinating narrative of the remarkable life of Jun pero Serra the intrepid priest who led Spain and the Catholic Church into California in the 1700s and became a key figure in the making of the American West In the year 1749 at the age of thirty six Jun pero Serra left his position as a highly regarded priest in Spain for the turbulent and dangerous New World knowing he would never return The Spanish Crown and the Catholic Church both sought expansion in Mexico the former in search of gold the latter seeking souls as well as entry into the mysterious land to the north called California Serra s mission to spread Christianity in this unknown world by building churches wherever possible and by converting the native peoples to the Word of God It was an undertaking that seemed impossible given the vast distances the challenges of the unforgiving landscape and the danger posed by resistant native tribes Such a journey would require bottomless physical stamina indomitable psychic strength and above all the deepest faith Serra a diminutive man with a stout heart possessed all of these attributes as well as an innate humility that allowed him to see the humanity in native people whom the West viewed as savages By his death at age seventy one Serra had traveled more than 14 000 miles on land and sea through the New World much of that distance on a chronically infected and painful foot baptized and confirmed 6 000 Indians and founded nine of California s twenty one missions with his followers establishing the rest The names of these missions ring through the history of California San Diego San Jose San Juan Capistrano Santa Clara and San Francisco and served as the epicenters of the arrival of Western civilization where millions more would follow creating the California we know today An impoverished son an inspired priest and a potent political force Serra was a complex man who stood at the historic crossroads between Native Americans the often brutal Spanish soldiers and the dictates of the Catholic Church which still practiced punishment by flogging In this uncertain violent atmosphere Serra sought to protect the indigenous peoples from abuse and to bring them the rituals and spiritual comfort of the Church even

as the microbes carried by Europeans threatened their existence Beginning with Serra's boyhood on the isolated island of Mallorca venturing into the final days of the Spanish Inquisition revealing the thriving grandeur of Mexico City and finally journeying up the untouched California coast Gregory Orfalea's magisterial biography is a rich epic that cuts new ground in our understanding of the origins of the United States Combining biography European history knowledge of Catholic doctrine and anthropology Journey to the Sun brings original research and perspective to America's creation story Orfalea's poetic and incisive recounting of Serra's life shows how one man changed the future of California and in so doing affected the future of our nation
