

SALVATION, THE BIBLE, AND ROMAN CATHOLICISM

WILLIAM WEBSTER

Why are there Roman Catholic and Protestant Churches? Is there any reason why a disagreement about doctrine which took place almost 500 years ago should continue to divide people today? Is it not the case that Roman Catholics and Protestants believe basically the same things?

In *Salvation, The Bible, and Roman Catholicism* William A. Webster explores the answers to these and other questions. In doing so, he appeals both to authoritative Roman Catholic documents and to the Bible.

William Webster brings a special qualification to his study - although now a Protestant, he was educated as a Roman Catholic. He has written a book which will both inform and guide its readers. Both Protestants and Roman Catholics will find it instructive, thought-provoking and personally challenging.

William Webster is a Christian businessman living in Tennessee. He is married with five children and is a member of River Oaks Reformed Presbyterian Church (PCA) in Memphis. The Trust have also published his The Christian: Following Christ as Lord and The Church of Rome at the Bar of History.

Salvation The Bible And Roman Catholicism:

Salvation, the Bible, and Roman Catholicism William Webster, 1990 Protestants and Roman Catholics alike will find this book instructive thought provoking and personally challenging *Salvation: by Rome or by Grace?* Moreno Dal Bello, 2016-06-27 Salvation is the most vital issue in any person's life What you believe about the Gospel of the Lord Jesus Christ which is the power of God unto salvation will have eternal consequences The Roman Catholic Church teaches that salvation is attainable by grace and good works by obedience to the laws of God and to the laws of Roman Catholicism Rome also teaches that there is no salvation outside of the Roman Catholic Church Conversely the Roman Catholic Bible states clearly that there is no salvation for those outside the Lord Jesus Christ for those who do not abide in His Gospel The Roman Catholic Church insists that If anyone shall say that justifying faith is nothing else than faith in the Divine compassion forgiving our sins for the sake of Christ or that this faith alone is that by which we are justified let him be anathema accursed

Roman Catholicism in the Light of Scripture F. C. H. Dreyer, E. Weller, 2016-04-15 Which is the true way of salvation Is it from Christ direct to the sinner or is it through priests and sacraments and church The answer is of vital importance for the eternal destiny of souls is at stake This book attempts to examine the wide field of questions in dispute It is not written in any spirit of disputation for disputation's sake or just to prove someone else is wrong but that the truth as revealed in the Holy Scriptures the Word of God may be clearly seen Ye shall know the truth and the truth shall make you free John 8:32

[The Truth About Roman Catholicism](#) Steve Urick,2014-08-29 Catholic popes and Vatican councils have pronounced many teachings which they say are necessary to believe such as It is necessary for salvation to submit to the Roman Pontiff Christians must keep the law and do good works to be saved Anyone who says they are certain they are saved and going to heaven is anathema cursed damned as a heretic Mary was immaculately conceived remained a virgin her whole life never sinned was taken up body and soul into heaven and exalted as the Queen of Heaven Only priests can forgive sins after one confesses to them Christians must purge some of their sins in Purgatory Some people in non Christian religions will be saved But are these and many other Catholic dogmas biblical The Truth About Roman Catholicism examines several key doctrines of the Catholic Church as stated in the official Catechism of the Catholic Church in light of the Bible The reader will be shown the difference between the gospel of Christ and the gospel of Rome and the crucial choice that must be made to obtain eternal life

Answers for the Honest Skeptic Ted Even,2022-10-03 It is true that mankind itself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little

to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serves to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing *Reasoning from the Scriptures with Catholics* Ron Rhodes,2000-01-01 Anyone interested in sharing the gospel with Catholic friends or understanding where members of that denomination stand on important points of theology will appreciate this thorough yet easy to use reference Using the simple step by step format applauded by readers in Rhodes previous books *Reasoning from the Scriptures with Catholics* covers many theological issues that divide Protestants and Catholics including purgatory and indulgences the reverence of Mary mother of Jesus papal infallibility Catholic traditions and much more Each chapter examines a single Catholic belief or practice as taught in the Catholic Catechism and other major Catholic sources provides biblical responses and offers questions to help Catholics examine their church s readings Pastors teachers and lay leaders will find this insightful guide a must have tool for sharing the good news of salvation by faith alone with Catholic friends and family members **The Teachings of the Roman Catholic Church Compared with the Holy Scriptures** ,1852 **DECEPTION IN THE CHURCH** Fred DeRuvo,2018-07-02 *The Lord Jesus Christ, Salvation, the Holy Bible, and Roman Catholicism* Jimmy Swaggart,1985 *Solving the Mystery of Babylon the Great* Edward Hendrie,2011 The evidence presented in this book leads to the ineluctable conclusion that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion and is the core of a world conspiracy against man and God *Exodus from Rome Volume 1* Dr. Todd D. Baker,2014-05-01 Written by a former Roman Catholic of eighteen years and former candidate for the Roman Catholic priesthood Dr Todd Baker objectively and honestly examines the grandiose claims of the Papacy and the Roman Catholic Church in the critical light of Scripture and the evidence of history to show where Rome has greatly erred This multi volume work provides a controversial overview on the basic doctrines distinctive of Roman Catholicism so the open Catholic can learn how these beliefs practices and traditions of Rome contradict Scripture and do not have the support of a consistent uniform history from the days of Jesus the apostles and the first three centuries of the early church and on With over 1 billion adherents to the Roman Catholic Church it is incumbent for the Bible believer to know the difference between the real Gospel of Scripture versus the Gospel of Rome and how they are not one and the same Gospel in the end In a day of man pleasing ecumenical compromise with Rome this book is sorely needed to remind the Protestant church that the real

differences between Rome and the Bible have not changed since the Reformation and must be reiterated and defended today on the exclusive ground of Scripture alone being the supreme authority in faith and practice for every Christian believer Dr Todd D Baker is president of Brit Hadashah Ministries and Pastor of Shalom Shalom Messianic Congregation in Dallas Texas He holds a Bachelor of Science degree in biblical studies a Master of Theology degree from Dallas Theological Seminary and a Ph D in Philosophy and Apologetics from Trinity Seminary under the auspices of Liverpool University at Liverpool England He is the staff theologian and writer for Zola Levitt Ministries and has appeared on the television program Zola Levitt Presents several times With his extensive experience in Jewish evangelism he conducts Gospel outreaches to Israel three times a year

The Converted Catholic ,1905 *ROMAN CATHOLICISM* Edward D. Andrews,2025-05-27 For centuries the Roman Catholic Church has claimed to be the one true Church founded by Jesus Christ possessing apostolic authority infallible tradition and salvific power But is this claim rooted in Scripture or has it been built on centuries of religious distortion political domination and doctrinal corruption In this meticulously researched and unapologetically direct work *Roman Catholicism A Historical and Theological Refutation of a False Religion* Edward D Andrews exposes the true nature of Roman Catholicism using Scripture historical documentation and conservative evangelical theology From the false claim that Peter founded the Church in Rome to the violent suppression of Bible translation the torturing of dissenters clerical sexual abuse counterfeit miracles and doctrinal inventions such as the Mass Purgatory Papal Infallibility and Marian devotion this book lays bare the facts Rome seeks to hide Andrews documents how the Roman Church far from preserving biblical Christianity systematically replaced it with man made tradition and authoritarian hierarchy With precision and clarity he traces the development of Roman Catholic teachings that stand in direct opposition to the inerrant Word of God He challenges believers to test every doctrine by Scripture alone and to reject the seductive call to unity that compromises biblical truth This is not a polemic of bitterness but a call to truth an urgent warning to come out from a system that for centuries has made war against the Word of God and persecuted the people of God For those seeking clarity conviction and a return to the authority of Scripture this book is a necessary and timely resource

The Catholic Church Alone Henry Dodridge, 1903

The Roman Catholic Church - A Critical Appraisal Hendrick Park, 2008-03

The Roman Catholic Church is the largest denomination with 1.1 billion adherents Recently the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ Today there is a pervasive indifference as to the question what is the true Christianity This is a serious situation because there are numerous false or only partly true versions of Christianity The author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament The author believes that he has substantiated the proposition that there are many unbiblical pagan elements in the Church To give one example the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire No wonder that its official name is the Roman Catholic Church A theologian and a minister Received a doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God's two major concerns He believes that God's major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path
