Salve Regina Rv617:

Venetian Music in the Age of Vivaldi Michael Talbot, 2024-12-06 This book contains sixteen essays on Venetian music in its last great period stretching from the second half of the 17th century to the fall of the Republic in 1797 Two essays deal with musical institutions academies and conservatories nine with the life and works of Antonio Vivaldi and five with contemporaries of Vivaldi active in Venice Albinoni Marcello Vinaccesi A substantial supplementary chapter updates and where necessary revises the facts and arguments of the original essays which collectively date from the years 1973 1995 All the essays are written in English but many originally appeared in Italian journals and conference proceedings that are hard for English speaking readers to obtain The volume is carefully indexed enabling the reader easily to make connections between the essays

Vivaldi H. C. Robbins Landon, 1996-08-15 Eminent musicologist H C Robbins Landon rediscovers the composer through an accessible and musically informed biography Presenting documentation about Vivaldi discovered after the Baroque revival in the 1930s Robbins Landon explores a fascinating life Vivaldi was a Catholic priest who gave up celebrating Mass almost as soon as he was ordained we was a lifelong invalid but could travel all over Europe when it suited him he was a dazzling violin virtuoso but died a pauper Robbins Landon masterfully integrates musical analysis and biography using each to illuminate the other and to unravel the riddle of Vivaldi s identity and extraordinary gift This book includes illustrations of eighteenth century Venice and several newly translated letters

The Four Seasons Laurel Corona, 2010-02-27 In glittering 18th century Venice music and love are prized above all else and for two sisters coming of age the city s passions blend in intoxicating ways Chiaretta and Maddalena are as different as night and day The two sisters were abandoned as babies on the steps of the Ospedale della Piet Venice s world famous foundling hospital and musical academy High spirited and rebellious Chiaretta marries into a great aristocratic Venetian family and eventually becomes one of the most powerful women in Venice Maddalena becomes a violin virtuoso and Antonio Vivaldi s muse The Four Seasons is a rich literary imagination of the world of 18th century Venice and the lives and loves of two extraordinary women

The Sacred Vocal Music of Antonio Vivaldi Michael Talbot, 1995 Questo libro il primo ad esplorare in profondit del corpo di musiche sacre vivaldiane Considerandolo sotto svariati profili include informazioni biografiche storiche contestuali bibliografiche e liturgiche descrizioni analitiche e critiche delle opere in genere e in particolare riflessi sulla loro posizione storica e su vari aspetti della prassi esecutiva L indebitamento di Vivaldi verso altri compositori che viene sottolineato da un esame dettagliato delle opere nella sua raccolta personale emerge chiaramente come anche la sua originalit e il successo con cui ha assimilato nella sua musica sacra diversi tratti progressisti sviluppati nella sua opera profana

The Chamber Cantatas of Antonio Vivaldi Michael Talbot, 2006 Detailed survey of Vivaldi s unjustly neglected chamber cantatas showing them to stand comparison with his more famous works Vivaldi s chamber cantatas for solo voice some forty in total are steadily gaining in popularity but because of their relatively small place in the oeuvre of a composer famed for his

productivity and also on account of the general scholarly neglect of their genre they are little discussed in the literature This book comprehensively explores their literary and musical background their relation to the composer's biography the chronology of their composition and their musical qualities Each cantata is discussed individually but there is also a broader consideration of aspects concerning them collectively such as performance practice topical allusion and the conventions of Italian verse The author argues that while Vivaldi's cantatas are not as innovative as his concertos and operas he produced several masterpieces in the genre that rank with his best music MICHAEL TALBOT is Emeritus Professor of Music at the University of Liverpool
