## **Sam Gunn Unlimited:**

**Sam Gunn, Unlimited** Ben Bova, 1993-09-01 Sam Gunn visionary scoundrel lover liar and the twenty first century s biggest capitalist pig vows to go where no one has gone before and bring back a profit Original Sam Gunn Jr. Ben Bova, 2022-03-08 The final completed novel by Ben Bova Intergalactic explorer venture capitalist and Casanova Sam Gunn may be gone but his legacy lives on in his son Sam Gunn Jr In his first ever adventure Sam Gunn Jr sets off to fulfill his father s left behind mission of interplanetary enterprising He soon learns his father s shoes are tough to fill but he is up for the task Junior takes a journey through the stars falling in love with beautiful women and leaving his unique mark everywhere he ventures Soon however this trip through the universe takes a dangerous turn when Junior lands on Saturn and learns about a recent scientific discovery that will change everything possibly forever Will he be able to save the universe and live up to his father s name Take an unforgettable ride through space in master sci fi author Ben Bova s exciting novel The Sam Gunn Omnibus Ben Bova, 2009-04-14 THE IRREPRESSIBLE SAM GUNN A hero without peer or scruples Sam Gunn has a nose for trouble money and women though not necessarily in that order A man with the ego and stature of a Napoleon the business acumen of a P T Barnum and the raging hormones of a teenage boy Sam is the finest astronaut NASA ever trained and dumped But more than money more than women Sam Gunn loves justice And he really does love money and women Whether he s suing the Pope helping twin sisters entangled in the virtual sex trade or on trial for his life on charges of interplanetary genocide you can be sure of one thing this is one space jockey who ll meet every challenge with a smile on his lips an ace up his sleeve and a weapon in his pocket Now for the first time between covers Hugo winner Ben Bova presents all the tales of Sam Gunn to date including three never before collected in book form Here is the entire chronicle of Sam Gunn trailblazer and scoundrel as he scams his way from one end of the Solar System to the other giving bold new meaning to the term venture capitalist Sam Gunn Forever Ben Bova, 1998 Incorrigible Sam Gunn an interplanetary con man with a Napoleonic complex undertakes a new set of adventures that have him scheming his way from one end of the solar system to the other

**The Sam Gunn Omnibus** Ben Bova, 2009-04-14 Now in paperback SF master Ben Bova s tales of the irrepressible Sam Gunn **Tales of the Grand Tour** Ben Bova, 2024-06-04 Tales of humanity s near future exploration of the Solar System from a science fiction master and 6 time Hugo Award winning author Bova s tales encompass good characters high tension adventure thoughtful introspection and a sense of wonder Booklist In novels like Mars and Moonbase and Venus Jupiter and Saturn as well as Privateers The Precipice and The Rock Rats Ben Bova has been telling the stories of the wars and rivalries the outsize individuals public crusades and private passions that will drive us as we expand into the Solar System and make use of its vast resources And throughout Bova has shown our cosmic neighborhood as we know it to be giving us a sense of Venus and Jupiter and the Asteroid Belt and Mars that s as up to date as the latest observations For the last two decades have been a golden age of near Earth astronomy and observation and in his novels Bova has made dramatic use of our

newest knowledge But during that time Bova has also written short fiction about some of the same events and characters Sam Gunn Martin Humphries Klaus Fuchs Dan Randolph the Asteroid Wars Now in Tales of the Grand Tour those stories are collected in book form for the first time creating a volume that is a landmark of modern SF Like a folksy astrophysicist Bova delights in talking about outer space from the surface of Venus through the asteroid belt to the depths of Jupiter His excitement at being there matches his gusto for the dirty deeds done in the name of love honor and duty His stories offer glimpses of the human side of space the heroic grins and tragic grimaces alike Publishers Weekly I don't think there's another SF author alive with a better grasp of planetary science nor one that can match Bova's storytelling experience so it's no surprise that this is one collection of tales worth telling SFRevu Bova's saga is a long varied and successful one and this is a good place for newbies to start Kirkus Reviews

**Faint Echoes, Distant Stars** Ben Bova, 2009-10-13 Our neighboring planets may have the answer to this question Scientists have already identified ice caps on Mars and what appear to be enormous oceans underneath the ice of Jupiter's moons The atmosphere on Venus appeared harsh and insupportable of life composed of a toxic atmosphere and oceans of acid until scientists concluded that Earth's atmosphere was eerily similar billions of years ago An extraterrestrial colony in some form may already exist just awaiting discovery But the greatest impediment to such an important scientific discovery may not be technological but political No scientific endeavor can be launched without a budget and matters of money are within the arena of politicians Dr Ben Bova explores some of the key players and the arguments waged in a debate of both scientific and cultural priorities showing the emotions the controversy and the egos involved in arguably the most important scientific pursuit ever begun New Frontiers Ben Bova, 2024-07-02

Fourteen science fiction stories of yesterday today and tomorrow from a six time winner of the Hugo Award Frontiers can be found in all directions Frontiers of time and space as well as frontiers of courage devotion love hate and the outer limits of the human spirit This outstanding collection of stories by one of science fiction's premier talents spans the length and breadth of history and the universe while exploring thought provoking new ideas and dilemmas From the Baghdad of the Arabian Nights to a vast interstellar empire thousands of years in the future from the Vatican to a one man vessel drifting in the vast emptiness of the Asteroid Belt from virtual reality duels to the subtle intricacies of time travel and a golf tournament on the Moon here are tales of scoundrels and heroes scientists and explorers aliens and artificial intelligences and even a young Albert Einstein Each of them stands at the border of a new frontier and must venture out into unexplored territory thanks to the limitless imagination of Ben Bova A whole tray full of treats Booklist Bova proves himself equal to the task of showing how adversity can temper character in unforeseen ways The New York Times Bova gets better and better combining plausible science with increasingly complex fiction Los Angeles Daily News Bova's excellence at combining hard science with believable characters and an attention grabbing plot makes him one of the genre's most accessible and entertaining storytellers Library Journal

*Analog Science Fiction & Fact*, 2003 **Analog**, 1994 **Science Fiction Authors** Maura

Heaphy,2008-11-30 For students scholars readers advisors and curious SF readers and fans this guide provides an easy to use launch pad for researching and learning more about science fiction writers and their work Emphasizing the best popular and contemporary authors this book covers 100 SF writers providing for each a brief biographical sketch including a quote from the author awards etc a list of the author's major works including editions and other writings research sources biographies criticism research guides and web sites In addition you'll find read alike lists for selected authors For anyone wanting to find information on popular SF authors this should be the first stop

**The Best of Bova, Volume III** Ben Bova,2017-08-01 Volume 3 of 3 of the very best of Ben Bova a grandmaster of science fiction storytelling These stories span the five decades of Bova's incandescent career Here are tales of star faring adventure peril and drama Here are journeys into the mind bending landscapes of virtual worlds and alternate realities Here you'll also find stories of humanity's astounding future on Earth on Mars and in the Solar System beyond stories that always get the science right And Bova's gathering of deeply realized totally human characters are the heroic brave tricky sometimes dastardly engineers astronauts corporate magnates politicians and scientists who will make these futures possible and those who often find that the problems of tomorrow are always linked to human values and human failings that are as timeless as the stars At the publisher's request this title is sold without DRM Digital Rights Management About the award winning stories and novels of Ben Bova

Technically accurate and absorbing Kirkus Bova is the science fiction author who will have the greatest effect on the world Ray Bradbury A masterful storyteller Vector Gives a good read while turning your eyes to what might be in the not so distant future just like Clarke and Asimov used to do so well SFX About Mars Inc by Ben Bova perfectly enjoyable as an SF book could Bova write anything that wasn't enjoyable Mars Inc has that torn from the headline vibe that's obviously intended for a larger audience the bottom line Mars Inc has inspiration excitement thrills romance a dash of satire and is a good fun read Analog The Hugo winner returns to his most popular subject the quest for Mars Publishers Weekly escapist fantasy for rocket scientists and space engineers those dreaming of these kinds of missions Yet Bova's story is rigorously realistic a fun read showing you do not need car chases or shootouts to deliver a fast paced and exciting story Daily News of Galveston County

**Encyclopedia of Science Fiction** Don D'Amassa,2015-04-22 Presents articles on the science fiction genre of literature including authors themes significant works and awards
