Sam Peckinpah's The Wild Bunch

Brad Sylvester

Sam Peckinpah's *The Wild Bunch*:

The Wild Bunch W. K. Stratton, 2019-02-12 For the fiftieth anniversary of the film W K Stratton's definitive history of the making of *The Wild Bunch* named one of the greatest Westerns of all time by the American Film Institute Sam Peckinpah's film *The Wild Bunch* is the story of a gang of outlaws who are one big steal from retirement When their attempted train robbery goes awry the gang flees to Mexico and falls in with a brutal general of the Mexican Revolution who offers them the job of a lifetime Conceived by a stuntman directed by a blacklisted director and shot in the sand and heat of the Mexican desert the movie seemed doomed Instead it became an instant classic with a dark violent take on the Western movie tradition In *The Wild Bunch* W K Stratton tells the fascinating history of the making of the movie and documents for the first time the extraordinary contribution of Mexican and Mexican American actors and crew members to the movie's success Shaped by infamous director Sam Peckinpah and starring such visionary actors as William Holden Ernest Borgnine Edmond O'Brien and Robert Ryan the movie was also the product of an industry and a nation in transition By 1968 when the movie was filmed the studio system that had perpetuated the myth of the valiant cowboy in movies like *The Searchers* had collapsed and America was riled by Vietnam race riots and assassinations *The Wild Bunch* spoke to America in its moment when war and senseless violence seemed to define both domestic and international life *The Wild Bunch* is an authoritative history of the making of a movie and the era behind it

Sam Peckinpah's *The Wild Bunch* Stephen Prince, 1999-01-13 Sam Peckinpah's *The Wild Bunch* is one of the most influential films in American cinema The intensity of its violence was unprecedented while the director's use of multiple cameras montage editing and slow motion quickly became the normative style for rendering screen violence Demonstrating to filmmakers the power of irony as a narrative voice and its effectiveness as a tool for exploring and portraying brutality *The Wild Bunch* fundamentally changed the Western moving it into a more brutal and psychopathic territory than it had ever occupied This volume includes newly commissioned essays by several leading scholars of Peckinpah's work Examining the film's production history from script to screen its rich and ambivalent vision of American society and its relationship to the Western genre among other topics it provides a definitive reinterpretation of an enduring film classic

A Uniquely American Epic Michael Bliss, 2019-12-10 One of the most innovative films ever made Sam Peckinpah's motion picture *The Wild Bunch* was released in 1969 From the outset the film was considered controversial because of its powerful graphic and direct depiction of violence but it was also praised for its lush photography intricate camera work and cutting edge editing Peckinpah's tale of an ill-fated aging outlaw gang bound by a code of honor is often regarded as one of the most complex and impactful Westerns in American cinematic history The issues dealt with in this groundbreaking film violence morality friendship and the legacy of American ambition and compromise are just as relevant today as when the film first opened To acknowledge the significance of *The Wild Bunch* this collection brings together some of the leading Peckinpah scholars and critics to examine what many consider to be the director's greatest work The book's nine essays cover an array

of topics Explored are the function of violence in the film and how its depiction is radically different from what is seen in other movies the background of the film s production the European response to the film s view of human nature and the strong sense of the Texas Mexico milieu surrounding the film s action **The Wild Bunch** Bill Mesce, Jr.,2019-10-22 One of the most controversial films of its time The Wild Bunch is the epitome of the no holds barred filmmaking of the 1960s and 1970s Since its 1969 release it has come to be recognized not only as an iconic Western but as one of the most important films in the American cinematic canon Over the years a parade of filmmakers have tried to imitate its gut punch effects but none have equaled it The Wild Bunch revived the floundering career of volatile self destructive director Sam Peckinpah it also hung on him the label Bloody Sam This book tells the complete story of the film s production reception and legacy

The Wild Bunch. A Western and More Brad Sylvester,2017-10-09 Essay from the year 2017 in the subject Communications Movies and Television grade 95 0 University of Westminster language English abstract Few movies have so equally enthralled and shocked their audiences like that of Sam Peckinpah s 1969 Western The Wild Bunch The epic Western is set in the year 1913 and follows the journey of protagonist Pike Bishop and his gang of aging outlaws as they look to make one last score in a rapidly modernizing American West The movie is considered by many as one of the greatest Westerns of all time Yet it would be a mistake to not recognize all the ways in which it goes above and beyond the traditional Western What makes The Wild Bunch truly a remarkable movie is the innovative use of new cinematic techniques it s epic shootouts and the subtle but powerful messages within it Films Directed by Sam Peckinpah Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Commentary films not included Pages 26 Chapters The Wild Bunch Ride the High Country Straw Dogs Major Dundee The Getaway The Osterman Weekend Pat Garrett and Billy the Kid Convoy Bring Me the Head of Alfredo Garcia Cross of Iron The Ballad of Cable Hogue Junior Bonner The Killer Elite Jinxed The Deadly Companions Excerpt The Wild Bunch is a 1969 American Western film directed by Sam Peckinpah about an aging outlaw gang on the Texas Mexico border trying to exist in the changing modern world of 1913 The film was controversial because of its graphic bloody violence and its portrayal of the crude men attempting to survive by any available means It stars William Holden Robert Ryan Ernest Borgnine Ben Johnson and Warren Oates The screenplay was by Peckinpah and Walon Green The Wild Bunch is noted for intricate multi angle editing using normal and slow motion images a revolutionary cinema technique in 1969 The writing of Walon Green Roy N Sickner and Sam Peckinpah was nominated for a best screenplay Academy Award Jerry Fielding s music was nominated for Best Original Score director Peckinpah was nominated for an Outstanding Directorial Achievement award by the Directors Guild of America and cinematographer Lucien Ballard won the National Society of Film Critics Award for Best Cinematography In 1999 the U S National Film Registry selected it for preservation in the Library of Congress as culturally historically and aesthetically significant The Wild Bunch was ranked 80th in the American Film Institute s best hundred

American films and the 69th most thrilling film In 2008 the AFI revealed its 10 Top 10 of the best ten films in ten genres The Wild Bunch ranked as the sixth best western In 1913 Texas Pike Bishop William Holden the leader of a gang of aging outlaws is seeking

The Wild Bunch Bill Mesce, Jr.,2020-01-17 One of the most controversial films of its time The Wild Bunch is the epitome of the no holds barred filmmaking of the 1960s and 1970s Since its 1969 release it has come to be recognized not only as an iconic Western but as one of the most important films in the American cinematic canon Over the years a parade of filmmakers have tried to imitate its gut punch effects but none have equaled it The Wild Bunch revived the floundering career of volatile self destructive director Sam Peckinpah it also hung on him the label Bloody Sam This book tells the complete story of the film s production reception and legacy

Sam Peckinpah Kevin J. Hayes,2008 Collected interviews with the combustible director of The Wild Bunch Ride the High Country Straw Dogs The Getaway and other films

Doing it Right Michael Bliss,1994 Warner Bros s withdrawal of Peckinpah s cut of the film drew tremendous sympathy for Peckinpah from American and European film critics alike

"Mexico Lindo...Ah...You Have No Eyes." - The Making of Sam Peckinpah's The Wild Bunch John Farkis,2024-12-08 The definitive making of The Wild Bunch by Sam Peckinpah

The Philosophy of the Western Jennifer L. McMahon,B. Steve Csaki,2010-05-28 Essays about how stories of the Old West reflect and affect our beliefs and values The solitude of the lone rider the loyalty of his horse and the unspoken code of the West for many Western movies embody America and its values though the view of the country s history they present isn t always accurate In recent years scholars had declared the genre dead but a steady resurgence of western themes in literature film and television has reestablished its importance and influence In The Philosophy of the Western editors Jennifer L McMahon and B Steve Csaki examine philosophical themes in the western genre Investigating subjects of nature ethics identity gender environmentalism and animal rights the essays in this volume draw from a wide range of westerns including the more recent popular and critical successes Unforgiven All the Pretty Horses 3 10 to Yuma and No Country for Old Men as well as literature and television serials such as Deadwood The Philosophy of the Western reveals the powerful role of the western in the American psyche

The Six-gun Mystique Sequel John G. Cawelti,1999 To this structural analysis he adds a new account of the genre s history and its relationship to the myths of the West which have played such an influential role in American history

BOOK JACKET **Constructing the Image of the Mexican Revolution** Zuzana M. Pick,2010-01-01 Katherine Singer Kov cs Book Award Society for Cinema and Media Studies 2011 With a cast ranging from Pancho Villa to Dolores del R o and Tina Modotti Constructing the Image of the Mexican Revolution demonstrates the crucial role played by Mexican and foreign visual artists in revolutionizing Mexico s twentieth century national iconography Investigating the convergence of cinema photography painting and other graphic arts in this process Zuzana Pick illuminates how the Mexican Revolution s timeline 1910 1917 corresponds with the emergence of media culture and modernity Drawing on twelve foundational films from Que Viva Mexico 1931 1932 to And Starring Pancho Villa as Himself 2003 Pick proposes that

cinematic images reflect the image repertoire produced during the revolution often playing on existing nationalist themes or on folkloric motifs designed for export Ultimately illustrating the ways in which modernism reinvented existing signifiers of national identity Constructing the Image of the Mexican Revolution unites historicity aesthetics and narrative to enrich our understanding of Mexicanidad Peckinpah's Tragic Westerns John L. Simons, Robert Merrill, 2014-01-10 The work of Sam Peckinpah represents a high point in American cinema This text is the first theoretical and critical attempt to place Peckinpah within the 2 000 year old tradition of western tragedy The tradition enfolding the Greeks Shakespeare and modern tragedians is represented in Peckinpah's art in numerous ways and the fact that he worked in the mode throughout his career distinguishes him from most American film directors Films covered include *Ride the High Country* *Noon Wine* *The Wild Bunch* *Pat Garrett and Billy the Kid* and *Bring Me the Head of Alfredo Garcia* *Screening Violence 1* Stephen Prince, 2001-01-01 Following the release in 1967 of *Bonnie and Clyde* and *The Dirty Dozen* violence has been seen as a defining feature of the modern film Is it art or exploitation Danger or liberation This volume provides an examination of the history and effects of graphic violence on film **From Virgin Land to Disney World**, 2016-08-22 With the publication in English in 1930 of *Civilization and its Discontents* and its thesis that instinct and ultimately nature had been and must be forever subordinated in order that civilization might thrive and endure Freud contributed what some contemporaries saw to the central debate of his era a debate which had long preoccupied both official American pundits and the American populace at large At the beginning of the new Millennium evidence abounds that an American debate still rages over the meaning of nature the rightful weight of instinct and the status of civilization The Millennium itself has appeared in popular and official discourses as an appropriate marker of an age in which nature is close to the edge of radical extinction and has also become more and more unreliable as a paradigm for representation and debate At the same time the contemporary tailoring of nature to postmodern needs and expectations inevitably reveals the conceptual difficulty of any possible simple opposition between nature and culture as if they were clearly distinguishable domains If nature then can clearly be seen as a discursive concept it may also be a timeless concept insofar that it has been shaped created and used at all times Every epoch age and era had its own nature with myth history and ideology as its dominant shaping forces From the Frontier to Cyberia nature has been suffering the agony of the real resurfacing in discursive strategies and demonstrating a powerful impact on American society culture and self definition The essays in this collection speak critically of the natural and examine the American debate in the many guises it has assumed over the last century within the context of major critical approaches psychoanalytical concepts and postmodern theorizing **The Films of Walter Hill** Brian Brems, 2022-09-09 In *The Films of Walter Hill* Another Time Another Place Brian Brems explores how as action emerged as a full fledged genre of cinema Walter Hill established his position in the genre first as a screenwriter and then as a director Hill Brems argues helped merge the thematic and stylistic concerns of the Western and film noir into a new action cinema establishing a reputation for

mythic highly stylized storytelling driven by a relentless pace Through analyses of Hill's filmography this book demonstrates his consistent use of the architecture of classical storytelling to help codify the language of the action movie These observations are supported by extensive conversations with Walter Hill and several of his on screen collaborators including Lance Henriksen Sigourney Weaver David Patrick Kelly James Renmar and William Sadler Ultimately Brems positions Hill as a key American film artist whose work has inspired countless imitations

The Gus Van Sant Touch Justin

Vicari,2012-09-18 Beloved controversial influential the creator of such fascinating and award winning films as My Own Private Idaho Good Will Hunting Elephant and Milk Gus Van Sant stands among the great international directors equally at home in Hollywood and the avant garde Examining his films thematically this book finds consistency of vision in Van Sant's unique approach to cinema which deploys postmodernist techniques such as appropriation nonlinear narrative and queering not in the service of the chic but to apply an all inclusive viewpoint to ageless tales of life love and death Van Sant's films are viewed through a multi genre prism including the work of Bruce Weber and Derek Jarman the westerns of Sam Peckinpah the music of the Velvet Underground and Nirvana the fiction of Sam D Allesandro and especially the cut up collage practice of intertextual authorship pioneered by William Burroughs

The Routledge Encyclopedia of Films Sabine Haenni,Sarah

Barrow,John White,2014-09-15 The Routledge Encyclopedia of Films comprises 200 essays by leading film scholars analysing the most important influential innovative and interesting films of all time Arranged alphabetically each entry explores why each film is significant for those who study film and explores the social historical and political contexts in which the film was produced Ranging from Hollywood classics to international bestsellers to lesser known representations of national cinema this collection is deliberately broad in scope crossing decades boundaries and genres The encyclopedia thus provides an introduction to the historical range and scope of cinema produced throughout the world

Martin Scorsese in 10 Scenes

Tim Grierson,2016-02-19 Martin Scorsese in Ten Scenes takes an intriguing look at the life's work of one of the world's greatest filmmakers Boiling down the Oscar winner's career to ten indelible scenes this beautiful full color collection examines Scorsese's trademark techniques while offering critical analysis filmmaking tips and firsthand accounts from the cast and crew An essential read for filmmakers film students and movie fans this engaging and accessible book makes use of previously unreleased behind the scenes material to present a multi faceted view of each scene With selections from Raging Bull The King of Comedy Goodfellas and The Departed Martin Scorsese in Ten Scenes provides an insightful inspiring examination of a man whose films have influenced generations of moviegoers and filmmakers
