United in Cause Don Nardo,2010 In the 1760s British colonists in North America grew increasingly angry about taxes they felt were unfair The Sons of Liberty was the result of this anger The group s motto was No taxation without representation Starting with just a handful of members the group soon grew to more than 2 000 The Sons of Liberty organized protests as well as boycotts against taxed products with the hope the British government would repeal the taxes But in time it became clear the only option the colonists had was war the Revolutionary War **Samuel Shellabarger's Civil War, 1817-1896** William A. Kinnison,2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabargers early years that suggest he might surely rise above this wilderness Shellabargers inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God s sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation s founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the

nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation     The Legacy of Celia Adams Dr. Jesse J. Hargrove,2014-11-04 Biographical and genealogical information about the author s great grandmother and her descendants     *Gusher of Lies* Robert Bryce,2008 For more than three decades politicians have been promising to make America energy independent According to Bryce this rhetoric is neither doable nor desirable This work shows why America must drop this idea of energy independence and instead embrace interdependence     **Nathan Hale** Barry Bishop,2013     **The American Tyler-keystone** ,1909     **Nature's God: The Heretical Origins of the American Republic** Matthew Stewart,2014-07-01 Longlisted for the National Book Award Where did the ideas come from that became the cornerstone of American democracy America s founders intended to liberate us not just from one king but from the ghostly tyranny of supernatural religion Drawing deeply on the study of European philosophy Matthew Stewart brilliantly tracks the ancient pagan and continental ideas from which America s revolutionaries drew their inspiration In the writings of Spinoza Lucretius and other great philosophers Stewart recovers the true meanings of Nature s God the pursuit of happiness and the radical political theory with which the American experiment in self government began
