Sam Gilliam A Retrospective:

Sam Gilliam Jonathan P. Binstock, 2005-12-05 A fresh intelligent and insightful assessment of Sam Gilliam's lifetime achievements as an artist Binstock accomplishes this through his penetrating critical examination of Gilliam's artistic development innovations and the complexities of his contribution both as an abstract and African American artist Valerie J Mercer author of *Explorations in the City of Light Sam Gilliam A Retrospective* which gives focus and definition to an artist critical to our understanding of how contemporary painting has evolved in this country is a highly welcome publication Leslie King Hammond Dean of Graduate Studies Maryland Institute College of Art Sam Gilliam A Retrospective is a thorough and serious assessment of a magisterial career Meticulously examining Gilliam's ideas aesthetics influences artistic process and impact on other artists it illuminates his brilliance and the important role played by his work in the recent history of American painting Maurice Berger Fellow The Vera List Center for Art Politics The New School Finally a comprehensive study of one of our most significant artists Jonathan Binstock's erudite account of Sam Gilliam's innovations in the world of art fills a considerable void in our understanding of painterly abstraction The art works themselves cerebral sentient and fascinating consummate the inquiry and make this book a visual delight Richard J Powell John Spencer Bassett Professor of Art and Art History Duke University Binstock's writings on Sam Gilliam's art over the past four decades have placed the artist in the forefront of contemporary American art In this new book he recounts Gilliam's rise to an artist of international prominence and offers a concise history of contemporary art in Washington A must read David D Driskell author of *Two Centuries of Black American Art* This comprehensive text celebrates one of America's hidden national treasures Gilliam's steadfast and unswerving commitment as an artist shines through his works as in this account of them by Jonathan Binstock What emerges here is a full on profile of an artist and a black American Lowery Stokes Sims President The Studio Museum in Harlem

Weak Painting After Modernism Craig Staff, 2023-09-01 This book examines the terms upon which painting in the United States sought to negotiate with the legacy of American formalist aesthetics and by extension the understanding of modernist painting it had become most readily associated with In so doing a separate set of possibilities for painting gradually began to emerge The salient debates and practices that collectively worked to establish such a response are approached through the philosopher Gianni Vattimo's idea of *pensiero debole* or so called weak thought To this end the proposed study both identifies and seeks to examine a type of weak painting which like Vattimo's idea took as its critical point of departure the exhaustion but not the vanishing of the project of modernism the belief in reason progress history the nation state etc Craig Staff explores particular instances wherein artists sought to extend the parameters of the object beyond what had been called into question namely the proclivity for modernist painting's strength to be understood as denoting amongst other things a perceived set of universal essences This book will be of interest to scholars working in art history fine art cultural studies critical theory curatorial studies and philosophy *Artist as Author* Christa Noel

Robbins,2021-06-29 With Artist as Author Christa Noel Robbins provides the first extended study of authorship in mid 20th century abstract painting in the US Taking a close look at this influential period of art history Robbins describes how artists and critics used the medium of painting to advance their own claims about the role that they believed authorship should play in dictating the value significance and social impact of the art object Robbins tracks the subject across two definitive periods the New York School as it was consolidated in the 1950s and Post Painterly Abstraction in the 1960s Through many deep dives into key artist archives Robbins brings to the page the minds and voices of painters Arshile Gorky Jack Tworikov Helen Frankenthaler Kenneth Noland Sam Gilliam and Agnes Martin along with those of critics such as Harold Rosenberg and Rosalind Krauss While these are all important characters in the polemical histories of American modernism this is the first time they are placed together in a single study and treated with equal measure as peers participating in the shared late modernist moment *Encyclopedia of African American Artists* dele jegede,2009-03-20 African American heritage is rich

with stories of family community faith love adaptation and adjustment grief and suffering all captured in a variety of media by artists intimately familiar with them From traditional media of painting and artists such as Horace Pippin and Faith Ringgold to photography of Gordon Parks and new media of Sam Gilliam and Martin Puryear installation art the African American experience is reflected across generations and works Eight pages of color plates and black and white images throughout the book introduce both favorite and new artists to students and adult readers alike African American heritage is rich with stories of family community faith love adaptation and adjustment grief and suffering all captured in a variety of media by artists intimately familiar with them From traditional media of painting and artists such as Horace Pippin and Faith Ringgold to photography of Gordon Parks and new media of Sam Gilliam and Martin Puryear installation art the African American experience is reflected across generations and works Eight pages of color plates and black and white images throughout the book introduce both favorite and new artists to students and adult readers alike A sampling of the artists included Romare Bearden Elizabeth Catlett Achamyele Debela and Melvin Edwards **The Kentucky African American Encyclopedia**

The Heavens Might Crack Jason Sokol,2018-03-20 A vivid portrait of how Americans grappled with King s death and legacy in the days weeks and months after his assassination On April 4 1968

Martin Luther King Jr was fatally shot as he stood on the balcony of the Lorraine Motel in Memphis At the time of his murder King was a polarizing figure scorned by many white Americans worshipped by some African Americans and liberal whites and deemed irrelevant by many black youth In *The Heavens Might Crack* historian Jason Sokol traces the diverse responses both in America and throughout the world to King's death Whether celebrating or mourning most agreed that the final flicker of hope for a multiracial America had been extinguished A deeply moving account of a country coming to terms with an act of shocking violence *The Heavens Might Crack* is essential reading for anyone seeking to understand America's fraught racial past and present

The Storied South William Ferris, 2013-08-05 *The Storied South* features the voices by turn searching and honest coy and scathing of twenty six of the most luminous artists and thinkers in the American cultural firmament from Eudora Welty Pete Seeger and Alice Walker to William Eggleston Bobby Rush and C Vann Woodward Masterfully drawn from one on one interviews conducted by renowned folklorist William Ferris over the past forty years the book reveals how storytelling is viscerally tied to southern identity and how the work of these southern or southern inspired creators has shaped the way Americans think and talk about the South *The Storied South* offers a unique intimate opportunity to sit at the table with these men and women and learn how they worked and how they perceived their art The volume also features 45 of Ferris's striking photographic portraits of the speakers and a CD and a DVD of original audio and films of the interviews

South of Pico Kellie Jones, 2017-03-09 Named a Best Art Book of 2017 by the New York Times and Artforum In *South of Pico* Kellie Jones explores how the artists in Los Angeles's black communities during the 1960s and 1970s created a vibrant productive and engaged activist arts scene in the face of structural racism Emphasizing the importance of African American migration as well as L A's housing and employment politics Jones shows how the work of black Angeleno artists such as Betye Saar Charles White Noah Purifoy and Senga Nengudi spoke to the dislocation of migration L A's urban renewal and restrictions on black mobility Jones characterizes their works as modern migration narratives that look to the past to consider real and imagined futures She also attends to these artists relationships with gallery and museum culture and the establishment of black owned arts spaces With *South of Pico* Jones expands the understanding of the histories of black arts and creativity in Los Angeles and beyond

Trailblazer Dorothy Butler Gilliam, 2019-01-08 Dorothy Butler Gilliam whose 50 year career as a journalist put her in the forefront of the fight for social justice offers a comprehensive view of racial relations and the media in the U S Most civil rights victories are achieved behind the scenes and this riveting beautifully written memoir by a black first looks back with searing insight on the decades of struggle friendship courage humor and savvy that secured what seems commonplace today people of color working in mainstream media Told with a pioneering newspaper writer's charm and skill Gilliam's full fascinating life weaves her personal and professional experiences and media history into an engrossing tapestry When we

read about the death of her father and other formative events of her life we glimpse the crippling impact of the segregated South before the civil rights movement when slavery's legacy still felt astonishingly close We root for her as a wife mother and ambitious professional as she seizes once in a lifetime opportunities never meant for a dark skinned woman and builds a distinguished career We gain a comprehensive view of how the media especially newspapers affected the movement for equal rights in this country And in this humble moving memoir we see how an innovative and respected journalist and working mother helped provide opportunities for others With the distinct voice of one who has worked for and witnessed immense progress and overcome heart wrenching setbacks this book covers a wide swath of media history from the era of game changing Negro newspapers like the Chicago Defender to the civil rights movement feminism and our current imperfect diversity This timely memoir which reflects the tradition of boot strapping African American storytelling from the South is a smart contemporary consideration of the media

Black Artists in Their Own Words Lisa Farrington, 2025 The first book to center Black artists voices on Black aesthetics revealing a century of evolving relationships to race identity and art What is Black art No one has thought harder about that question than Black artists yet their perspectives have been largely ignored Instead their stories have been told by intellectuals like W E B Du Bois and Alain Locke who defined a school of Black art in the early twentieth century For the first time Black Artists in Their Own Words offers an insightful corrective Esteemed art historian Lisa Farrington gathers writing spanning a century across the United States the Caribbean and the African continent including from renowned artists Henry Tanner Nancy Elizabeth Prophet Romare Bearden Wifredo Lam Renee Cox and many more that reveals both evolutions and equivocations Many artists especially during the civil rights era have embraced Black aesthetics as a source of empowerment Others prefer to be artists first and Black second while some have rejected racial identification entirely Here Black artists reclaim their work from reductive critical narratives sharing the motivations underlying their struggles to create in a white dominated art world
