Samarbejde Og Modstand Under Besaettelse

Stefan Berger, Marcel Boldorf

Samarbejde Og Modstand Under Besaettelse:

Samarbejde og modstand under besættelsen Hans Kirchhoff, 2001 *Nordic Narratives of the Second World War* Henrik Stenius, Mirja Österberg, Johan Östling, 2015-01-01 Written by leading Nordic historians this analysis discusses postwar memory and war historiographies from the perspectives of Denmark Finland Iceland Norway and Sweden vis vis the Second World War Focusing on the relationship between scholarly and public understandings of the war this book presents the overarching themes that set apart the Nordic experience while remaining attentive to the distinctive characteristics of war time in each of the five different countries A major contribution to the international debate on postwar memory this fascinating account speaks to all those who have an interest in the modern European history **Trade Union Activism in the Nordic Countries since 1900** Jesper Jørgensen, Flemming Mikkelsen, 2023-02-16 Providing a Nordic historical perspective this collection aims to further our understanding of trade union activism and its role in modern society Contributions from a range of leading scholars analyse the organisational conditions of mobilisation that were deployed by Nordic unionists and explore the way that they interacted with other forms of social and political protest during the twentieth century Covering illegal or so called wildcat strikes blockades demonstrations and other activist measures the authors examine the way that trade union activism in the Nordic countries aimed to move the political combat zone from the meeting rooms of the respective confederations into the streets and the public domain The collection focuses on cases from Denmark Sweden Norway and Finland but comparisons are also made with countries such as Iceland Germany and the USA Exploring the ways in which political parties have intervened in Nordic trade union activism since the early twentieth century this unique collection offers new insights for those interested in labour market dynamics and the complex process behind the formation of salary and employment conditions *Social Movements and the Change of Economic Elites in Europe after 1945* Stefan Berger, Marcel Boldorf, 2018-05-29 This book explores the changing nature of social movements and economic elites in post Second World War Europe In the years following 1945 Europe faced diverse challenges connected by the overriding question of how the reconstruction of the continent should proceed For the Central Powers the implementation lay in the hands of the Allied occupying forces who organised the process of denazification and the establishment of a new economic order In countries without military occupation there was a deep gap between the new governmental forces and the former collaborators In both cases social movements which were formed by anti fascists on the left of the political spectrum assumed the task of social reorganisation The chapters in this book explore the discourses about economic systems and their elites which moved to the fore across a range of European countries uncovering who was involved what resistance these social movements faced and how these ultimately failed in the West to bring about change while in Eastern Europe Stalinism forcibly imposed change **Danish Reactions to German Occupation** Carsten Holbraad, 2017-02-06 For five years during World War II Denmark was occupied by Germany While the Danish reaction to this period of its history has been extensively

discussed in Danish language publications it has not until now received a thorough treatment in English Set in the context of modern Danish foreign relations and tracing the country's responses to successive crises and wars in the region Danish Reactions to German Occupation brings a full overview of the occupation to an English speaking audience Holbraad carefully dissects the motivations and ideologies driving conduct during the occupation and his authoritative coverage of the preceding century provides a crucial link to understanding the forces behind Danish foreign policy divisions Analysing the conduct of a traumatised and strategically exposed small state bordering on an aggressive great power the book traces a development from reluctant cooperation to active resistance In doing so Holbraad surveys and examines the subsequent and not yet quite finished debate among Danish historians about this contested period which takes place between those siding with the resistance and those more inclined to justify limited cooperation with the occupiers and who sometimes even condone various acts of collaboration

Working for the New Order Joachim Lund, 2006 During the Second World War the collaboration dilemma regarding Europe's business life came to the forefront as business leaders were faced with the necessity of cooperating with the German enemy in order to maintain production and survive as economic units Working for the New Order examines Europe's corporate survival in a highly unstable business environment during this period of time Cooperation with the dominant European power aimed to secure the future for business national economies and the nation states of Europe With this point of reference Europe's business life of working for the New Order contributed substantially to the Nazi German war effort

Over strengen- under besættelsen John T. Lauridsen, 2007 Om nogle af de mennesker som kom i maskinen under efterkrigsopgøret fordi de af den ene eller anden grund klart gik helt over strengen eller blev anbragt over strengen og om hvad deres brødre bestod i f.eks. mord, stikkeri, nedsigt med, beredte opportunistiske eller nazistiske af overbevisning

Analyzing Genres in Political Communication Piotr Cap, Urszula Okulska, 2013-07-16 Featuring contributions by leading specialists in the field the volume is a survey of cutting edge research in genres in political discourse Since as is demonstrated political genres reveal many of the problems pertaining to the analysis of communicative genres in general it is also a state of the art addition to contemporary genre theory The book offers new methodological theoretical and empirical insights in both the long established genres speeches interviews policy documents etc and the modern rapidly evolving generic forms such as online political ads or weblogs The chapters which engage in timely issues of genre mediatization hybridity multimodality and the mixing of discursive styles come from a broad range of perspectives spanning Critical Discourse Studies pragmatics cognitive psychology sociolinguistics applied linguistics and media studies As such they constitute essential reading for anyone seeking an interdisciplinary yet coherent research agenda within the vast and complex territory of today's forms of political communication

Fascism and Neofascism E. Weitz, A. Fenner, 2016-09-27 The dramatic transformations of the 1990s the end of the Cold War the establishment of political liberties and market economies in Eastern Europe German unification quickly led commentators to proclaim the end of all ideologies and the

complete triumph of liberal capitalism Just as quickly however right wing extremism began a surge in Europe that has not significantly abated to this day Fascism and Neofascism is a collection of essays that is distinctive in two important ways First unlike most volumes which cover either historical fascism or the recent radical right Fascism and Neofascism spans both periods Secondly this volume also aims to bring newer modes of inquiry rooted in cultural studies into dialogue with more traditional ways of viewing fascism The editors approach is deliberately interdisciplinary even eclectic *Kampen om Danmark 1933-1945* Bo Lidegaard,2006 **The Politics of the Male Body in Global Sport** Hans Bonde,2013-10-18 Danish sport has been associated with Europe and the World not least through I P Muller and Niels Bukh and the Danish Gymnastics revolution with its emphasis on male aesthetics and hygiene in the first half of the twentieth century At the same time Denmark has stood apart from Europe in the early moments of its history of sport with the rural revolution of the farming communities as a statement of political independence and assertion However during the German occupation of Denmark Danish sport was part of a European collaboration which characterized a number of the occupied countries not least in the Nordic area After the Second World War Denmark embraced international body cultures with other European nations in particular Eastern martial arts Denmark too as part of trends in the European region and the world became caught up in sport as a powerful contemporary political statement This book was previously published as a special issue of the International Journal of the History of Sport *Building a Nazi Europe* Martin R. Gutmann,2018-12-20 A compelling account of the men who worked and fought for Nazi terror organization the SS during the Second World War **The Politics of War Trauma** Jolande Withuis,Annet Mooij,2010 This study compares the policies and attitudes toward the health consequences of World War II in eleven European countries Austria Belgium Denmark East Germany France Italy Luxembourg the Netherlands Norway Poland and West Germany It shows the remarkably asynchronous development in these countries of health care financing and treatment for war survivors and of the patients perception of their own health Using an innovative and multidisciplinary approach Withuis and Mooij analyze postwar health care in the context of the European political climate at that time *Collective Identities and Post-War Violence in Europe, 1944-48* Ota Konrád,Boris Barth,Jaromír Mrňka,2021-11-27 This book analyses the process of reshaping liberated societies in post 1945 Europe Post war societies tried to solve three main questions immediately after the dark times of occupation Who could be considered a patriot and a valuable member of the respective national community How could relations between men and women be re established How could the respective society strengthen national cohesion Violence in rather different forms appeared to be a powerful tool for such a complex reshaping of societies The chapters are based on present primary research about specific cases and consider the different political mental and cultural developments in various nation states between 1944 and 1948 Examples from Italy France Norway Denmark Greece Ukraine Lithuania Belarus Czechoslovakia and Hungary demonstrate a new comparative and fascinating picture of post war Europe This perspective overcomes the notorious East West dividing

line without covering the manifold differences between individual European countries *Popular Struggle and Democracy in Scandinavia* Flemming Mikkelsen, Knut Kjeldstadli, Stefan Nyzell, 2017-10-16 This book focuses on popular struggles in Denmark Norway and Sweden from 1700 2015 and how popular struggle in the form of hunger riots tax rebellions petition drives strikes demonstrations public meetings and social movements paved the way for the introduction and development of civil liberties and political rights The author portrays social and political mass mobilization of ordinary people as vital to the construction of democracy and an essential condition for the formation of the Scandinavian welfare states *Popular Struggle and Democracy in Scandinavia* shows the transnational connections between Denmark Norway and Sweden and between Scandinavia and the rest of Europe and also contains a comparison of popular struggle in Scandinavia seen in a wider European perspective The book will be of interest to social scientists historians and students and researchers with an interest in popular struggles in Scandinavia Ikke noget theselkskab Hedda Lundh, 2002 En selvbiografisk skildring af kvinder i modstandskampen under 2 verdenskrig i Danmark is r set fra studentermiljø et omkring rhus Universitet I bogens slutning diskuterers frihedsk mperrollen og sp rgsm let stilles Var vi terrorister En diskussion som er blevet h jaktuel efter den 11 september 2001 Den illoyale gesandt Jørgen Grønvald Laustsen, 2010-04-01 Den illoyale gesandt bygger p et omfattende dansk og sovjetisk kildemateriale og behandler baggrunden for den tidligere biblioteksdirekt r Thomas D ssings ankomst til Moskva Fremstillingen stiller skarpt p det dilemma der i stigende grad blev D ssings problem Gesandten magtede nemlig ikke at skelne mellem diplomaten D ssing der loyalt skulle flge Frihedsr dets beslutninger og politikeren D ssing der absolut ikke var enig i den forsoningslinje Frihedsr det i efter ret 1944 slog ind p Den illoyale gesandt er en fascinerende biografi og et vedkommende bidrag til den unge generations aktuelle revurdering af bes ttelsestidens historie J rgen Gr nvald Laustsen er historiker og har skrevet flere b ger om tiden under 2 verdenskrig *Oprør. Da danskerne sagde nej til den tyske besættelsesmagt* Andreas Skov, 2021-04-09 Opr ret som f rte til Scavenius regeringens fald var n af bes ttelsestidens v sentligste begivenheder Alene af den grund er det v rd at markere Men begivenheden er ogs relevant at besk ftige sig med af en anden grund Augustopr ret handlede dybest set om hvordan man skulle forholde sig til bes ttelsesmagten skulle man samarbejde hvilket ikke var s rlig heroisk men var med til at spare menneskeliv eller skulle man g re modstand og risikere store tabstal Historiker Andreas Skov har indsamlet en lang r kke vidnesbyrd fra ganske almindelige mennesker der p hver sin m de oplevede Augustopr ret i 1943 der f rte til samarbejdspolitikens sammenbrud Folk fra Esbjerg Odense Aalborg Aarhus og K benhavn udtaler sig om deres personlige oplevelse af den sp ndende tid hvor danskerne sagde nej til den tyske bes ttelsesmagt Andreas Skov f 1970 er en dansk historiker og forfatter Han er oprindeligt uddannet cand mag i russisk og historie fra Syddansk Universitet og har udgivet flere b ger om bes ttelsestiden Andreas Skov arbejder som arkivar ved Odense Stadsarkiv Nordic War Stories Marianne Stecher-Hansen, 2021-02-03 Situated on Europe s northern periphery Denmark Finland Iceland Norway and Sweden found themselves caught between warring powers during World War II

Ultimately these nations survived the conflict as sovereign states whose wartime experiences have profoundly shaped their historiography literature cinema and memory cultures Nordic War Stories explores the commonalities and divergences among the five Nordic countries examining national historiographies alongside representations of the war years in canonical literary works travel writing and film media Together they comprise a valuable companion that challenges the myth of Scandinavian homogeneity while demonstrating the powerful influence that the war continues to exert on national identities

Djursland besat 1940-45 Mogens Møller, 2023-09-13 Bogen Djursland besat 1940 45 Modstandsm nds terror og opr r under bes ttelsen beskriver disses aktiviteter under bes ttelsen set i landshistorisk sammenh ng og til forskel fra almindelig praksis set mest fra befolkningens side Danmark var fjendeland for de allierede Den danske regering fik landet godt gennem bes ttelsen ved at forhandle sig til rette med tyskerne Regeringen st ttede det tyske bef stningsarbejde for s vidt muligt at holde arbejdet p danske h nder og forhindre en invasion som ville smadre landet og folket Bes ttelsen medf rte ikke de store problemer i de f rste tre r Selv om de tyske bes ttere var uvelkomne havde danskerne for det meste et fordrageligt forhold til soldaterne Englands premierminister Winston Churchill ville s tte Europa i flammer set Europe ablaze som han sagde Engl nderne ansatte derfor danske agenter der opildnede landsm nd til modstand og terror Engl nderne styrede deres danske modstandsfolk og forsynede dem med v ben Modstandsfolk angreb n sten aldrig tyskere og tysk ejendom De valgte i stedet at terrorisere deres landsm nd De gjorde opr r mod folkestyret i sammenh ng med at deres h rde kerne var kommunister I kraft af v bnene gjorde de bes ttelsens to sidste r til onde r Den 29 august 1943 havde de provokeret s meget at regeringen nedlagde arbejdet Og den 19 september 1944 havde de presset politiet til at opf re sig s illoyalt at tyskerne internerede politifolkene i de fire st rste byer Modstandsm nd fik s med d dstrusler n sten alle de vrige politifolk til at nedl gge arbejdet V rnemagten hentede derefter tyske politifolk som gik h rdere til de danske modstandsterrorister Engl ndere og modstandsfolk spredte helt frem til befrielsen invasionsrygter som medf rte fortsatte bef stningsarbejder Modstandsm nd saboterede i bes ttelsens sidste tid bef stningsarbejdet Sabotagen fik ingen st rre praktisk betydning den hindrede ikke ibrugtagen af noget milit anl g p Djursland Sabotagen skulle imod regeringens bestr belser g re det mere attraktivt for de allierede at invadere landet Modstandsfolkene gjorde sig dermed til landsforr dere og blev h rdt ford mt af regeringen Ved folketingsvalget 23 marts 1943 fik de partier som ville forhandle sig til rette med bes ttelsesmagten 94 % af stemmerne Danskerne st ttede forhandlingspolitikken og br d sig ikke om modstandsterror
