**Reading the Homeless** Eungjun Min,1999-06-30 As one of our country's major social problems homelessness is often in the news The media tend to portray the homeless as drunk stoned crazy or sick individuals a portrayal that is only partly accurate and represents an obstacle to our understanding of the wider social implications of this complex issue This edited collection examines the various ways both verbal and visual in which the homeless have been portrayed by the media from the 1980s to the present day The contributors apply different frameworks ranging from phenomenology to culture studies to analyze the characteristics implications and consequences of the stories and images disseminated by the media Shooting Back from the Heart Jim Hubbard, 2013-08-07 Shooting Back caught my attention Way to go Jim Hubbard Oprah Winfrey Shooting Back is wonderful and should be supported in every way possible Hillary Rodham Clinton There is the photojournalism that is objective and then there is the photojournalism that is purposefully provocative Jim hubbard has found time to practice both The Washington Post Jim and Shooting Back gives us all hope Maria Shriver NBC news His photos are powerful His theme is strong and honest Jims faith story is compelling enabled by the grace and love of God There is a human joy Jim Hubbard is a very special person and I am proud to know him Martin Sheen Jim Hubbards photos are a worthy continuation of the tradition of American documentary photography that has tried to give voice to the voiceless Through his sensitivity we feel that these are people and not just a problem Peter Howe director of photography LIFE magazine Jim Hubbard reached a position which any photographer would envy He has embarked on a task which is difficult and rarely lucrative Jim spends his time in our ghettos our poverty filled streets He is an artist photographing the poor impoverished to heighten the publics awareness Jim should serve as an example to us all US House of Representatives Majority Whip Tony Coelho D CA I was very moved and touched by your book God has redeemed is redeeming the searing pain of your loss Your story greatly encourages me Rankin Wilbourne senior pastor Pacific Crossroads Church Santa Monica California American Delinguents Kehinde Garrison, 2010-04-19 Solomon Turner is a young successful advertising executive on Wall Street living out the dream of the black bourgeoisie a luxurious lifestyle on New York's upper eastside with his financially independent girlfriend After getting caught for infidelity his life begins to spiral out of control His fall from grace will have him contemplating suicide and crossing paths with the underbelly of society Joseph Harrison fresh from a seven year prison stint is saddled with a pregnant fianc and job prospects of menial labor until he comes up with a plan The brazen bank heist will deliver him from his sleepy small town in South Carolina and land him in a D C Shelter while trying to evade authorities Their lives will intertwine amid the power elite of America's Capital with effects that will leave them all changed American Delinquents grapples with the System using the largest shelter in the country as a backdrop Mr Garrison can be reached via email k mashavu hotmail com History Teaches Us to Resist Mary Frances Berry, 2018-03-13 Historian and civil rights activist proves how progressive movements can flourish even in conservative times Despair and mourning

after the election of an antagonistic or polarizing president such as Donald Trump is part of the push pull of American politics But in this incisive book historian Mary Frances Berry shows that resistance to presidential administrations has led to positive change and the defeat of outrageous proposals even in challenging times Noting that all presidents including ones considered progressive sometimes require massive organization to affect policy decisions Berry cites Indigenous peoples protests against the Dakota pipeline during Barack Obama's administration as a modern example of successful resistance built on earlier actions Beginning with Franklin D Roosevelt Berry discusses that president s refusal to prevent race discrimination in the defense industry during World War II and the subsequent March on Washington movement She analyzes Lyndon Johnson the war in Vietnam and the antiwar movement and then examines Ronald Reagan s two terms which offer stories of opposition to reactionary policies such as ignoring the AIDS crisis and retreating on racial progress to show how resistance can succeed The prochoice protests during the George H W Bush administration and the opposition to Bill Clinton's Don't Ask Don't Tell policy as well as his budget cuts and welfare reform are also discussed as are protests against the war in Iraq and the Patriot Act during George W Bush's presidency Throughout these varied examples Berry underscores that even when resistance doesn't achieve all the goals of a particular movement it often plants a seed that comes to fruition later Berry also shares experiences from her six decades as an activist in various movements including protesting the Vietnam War and advocating for the Free South Africa and civil rights movements which provides an additional layer of insight from someone who was there And as a result of having served in five presidential administrations Berry brings an insider s knowledge of government History Teaches Us to Resist is an essential book for our times which attests to the power of resistance It proves to us through myriad historical examples that protest is an essential ingredient of politics and that progressive movements can and will flourish even in perilous times **Encyclopedia of African American** Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television acPER010000tresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxpoitation era stars Each entry has a complete filmography of the actress s film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture My American Struggle for Justice in Northern Ireland Fr Sean McManus, 2011-03-19 For almost forty years Fr Sean McManus has been at the heart of the Irish American campaign to pressurise the British government regarding injustice in Northern Ireland This is a deeply personal account of how his lone voice mainstreamed Northern Ireland on Capitol Hill after the Catholic Church removed him from Britain He became Britain's nemesis in America founding the Irish National Caucus in 1974 Also chronicles the events and social context that influenced him growing up in a parish divided by the Border The Trouble with Friendship Benjamin DeMott, 1998-01-01 In this book a well known social

critic draws on evidence from films television literature and advertising to argue that many Americans have been lulled by the media into believing that racial problems can be mitigated by blacks and whites working together to reconcile their Martin Sheen Rose Pacatte, 2015-01-21 Martin Sheen best known for his role as a Catholic president in the prestigious television series The West Wing returned to the practice of his Catholic faith at the age of forty after decades away After years of battling alcohol addiction a near fatal heart attack and a nervous breakdown the stage film and television actor renewed his dedication to his family and activated his faith with energy grace and joy Through the sacraments Mass the rosary the support of family and numerous friends and peace and justice activists such as Daniel Berrigan SI and the Catholic Worker Movement Martin Sheen today sees himself as a man in the pew He has been arrested more than sixty times for non violent civil disobedience speaking out for human rights Sister Rose Pacatte's unique biography moves beyond tabloid news to include information and inspiring stories gleaned from interviews with Martin Sheen his sister and brothers as well as long time friends People of God is a series of inspiring biographies for the general reader Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty first century Catholic Some living and some now deceased each of these women and men has known challenges and weaknesses familiar to most of us but responded to them in ways that call us to our own forms of heroism Each offers a credible and concrete witness of faith hope and love to Homelessness in America Stephen Eide, 2022-06-02 The last thirty years have witnessed an urban people of our own day renaissance in America Major cities have managed to drive down the murder rate improve the schools restore the built environment and revitalize their economies Middle class families are putting down roots in neighborhoods once given up for dead But solutions to homelessness have eluded even the most successful cities While the South Bronx was once synonymous across the globe for slum now San Francisco and Los Angeles are just as internationally notorious for their homelessness crises Indeed the same cities with the worst homelessness crises rank among America's most successful One of the crisis more perplexing features is how cities that have met with so much success with respect to economic development crime and public education have failed to even ease their homelessness crisis much less end it In Homelessness in America Stephen Eide examines the history governmental and private responses and future prospects of this intractable challenge The chronic nature of the challenge should be understood he argues by reference to American history and American ideals The history of homelessness is bound up with industrialization and urbanization the closing of the West the Great Depression and the post WWII decline and subsequent revival of great American cities Though we ve used different terms tramp hobo bum at other times something like homelessness has always been with us and the debate over causes and solutions has always involved conflicts over fundamental values After explaining why homelessness persists in America and correcting popular misconceptions about the issue Eide offers concrete recommendations for how we can do better for the homeless population Homelessness in America engages readers by answering the most common questions their audience brings to the topic and

exploring other questions that are no less important for being not as commonly asked Homelessness intersects with multiple other policy areas education urban development criminal justice reform mental health By exploring the intersection of homelessness with so many other policy areas this book aspires to provide a comprehensive account of the challenge

Seasons Such As These Cynthia J. Bogard, 2003 Homelessness had become a social problem that was primarily not about solving the nation's housing crisis. The pressing question becomes How and why did homelessness become the social problem in its own right one that was only tangentially related to the problem of inappropriate or insufficient housing Why when people demanded that something be done about homelessness did they get specific policies and unintended outcomes Cynthia Bogard is not content with the shorthand answers that rested on bias and ideology such as conservative politics bred conservative policies or American individualism precludes government investment in housing This did not explain homelessness sufficiently especially given all the advocacy and research that had occurred in the 1980s and 1990s Examining these claimsmaking activities as constructionists call them however is a daunting task because the activities engaged in by people in the attempt to persuade others are fluid subtle and complicated as are the responses to these social actions This raised a second set of issues that the author is concerned with How can we adequately represent and sociologically examine this very complicated human activity of social problems construction Who does the construction and to what effect Bogard s answer to these questions is a book that can be read in two ways and on multiple levels For those who are interested in the story of the career of homelessness as a social problem in America s two national cities the book should be read from the beginning through the conclusion as a straight narrative The technical matter in the appendix can be ignored But for those readers with an interest in social problems constructionism however this book is meant as a cook book of sorts Each chapter emphasizes a feature of constructionism such as an important group of claims makers or an important aspect of the claims making process The work highlights a major feature in advanced societies the intersection of interests and claims Social constructions may be real but they are comprised of no less real social interests. The work marks a real departure and advance over the original formulations of construction theory in social research Cynthia J Bogard is associate professor of sociology at Hofstra University **Encyclopedia of Social Work** ,1965 **TV Guide** ,1995 Tattered Pilarims Steven H. Propp,2001-09-11 How do YOU react when you see a homeless person Your answer may change after you read this novel Travel along with with Japhy Righter a 34 year old homeless alcoholic who now finds himself living on the streets of River City where the City Council is trying to shut down programs that are striving to help homeless people At the same time theres a serial murderer on the loose in River Citywho is preying on its homeless residents Follow Japhy his companions and the other citizens of River City on a journey of hardship and regret and yet ultimately hope I saw more and more homeless people walking the same path To me we looked like tattered pilgrims making our way to a shrine after a long arduous journeyonly without the promise of blessedness From the Introduction The authors earlier novel Work Death Taxes is an

Collins, 2009-08-22 Robert Collins examines the critical and controversial developments of the 1980s and the unmistakable influence of Ronald Reagan on their making Portraying the former president as a complex political figure who combined ideological conservatism with political pragmatism Collins demonstrates how Reagan s policies helped limit the scope of government control inflation reduce the threat of nuclear war and defeat communism In the 1980s other changes occurred as well including the advent of the personal computer a revolution in information technology a more globalized national economy and a restructuring of the American corporation In the realm of culture MTV self help gurus and postmodernism realized the cultural shifts of the postwar era creating a conflict that pitted cultural conservatism against a secular multicultural view of the world Entertaining and erudite Transforming America explores the events movements and ideas that profoundly changed American culture and politics during an important decade Reruns on File Donald G. Godfrey, 2013-09-13 For more than half a century broadcast recordings have reflected an important aspect of our culture and history An increasing number of archivists and private collectors have restored and exchanged radio and television materials However despite the awareness of these primary resource materials there is still some reluctance to utilize this aural and visual history resource A part of this reluctance is due to the fact that little is known about the existence of many collections throughout the nation This volume provides a comprehensive directory of electronic media archives in the United States and Canada It describes each collection focusing on its speciality providing the serious researcher with ready access information to these electronic media program resources Focusing on both private and institutional collections it is organized by state and city with indexes to provide the scholar with subject and location of specific topics of interest Hispanic Engineer & IT, 1993 Hispanic Engineer Information Technology is a publication devoted to science and technology and to promoting opportunities in those The Citizen Action Encyclopedia Richard S. Halsey, 2002 This work provides information fields for Hispanic Americans on the activities and significance of the people organizations and events that comprise the history of American citizen activism in the 20th century It offers broad entries that put the debates on issues like abortion policy into balanced **Encyclopedia of Television Film Directors** Jerry Roberts, 2009-06-05 From live productions of the 1950s perspective like Requiem for a Heavyweight to big budget mini series like Band of Brothers long form television programs have been helmed by some of the most creative and accomplished names in directing Encyclopedia of Television Film Directors brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions

Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists Encyclopedia of Television Film Directors is an indispensable resource for anyone interested in the history of the medium **Reading Programs for Young Adults Martha Seif** Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films. The units are highly flexible allowing any public or school library to adapt them to their particular needs How It Feels to Be Free Ruth Feldstein, 2013-11-26 Winner of the Benjamin L Hooks National Book Award Winnter of the Michael Nelson Prize of the International Association for Media and History In 1964 Nina Simone sat at a piano in New York's Carnegie Hall to play what she called a show tune Then she began to sing Alabama s got me so upset Tennessee made me lose my rest And everybody knows about Mississippi Goddam Simone and her song became icons of the civil rights movement But her confrontational style was not the only path taken by black women entertainers In How It Feels to Be Free Ruth Feldstein examines celebrated black women performers illuminating the risks they took their roles at home and abroad and the ways that they raised the issue of gender amid their demands for black liberation Feldstein focuses on six women who made names for themselves in the music film and television industries Simone Lena Horne Miriam Makeba Abbey Lincoln Diahann Carroll and Cicely Tyson These women did not simply mirror black activism their performances helped constitute the era s political history Makeba connected America's struggle for civil rights to the fight against apartheid in South Africa while Simone sparked high profile controversy with her incendiary lyrics Yet Feldstein finds nuance in their careers In 1968 Hollywood cast the outspoken Lincoln as a maid to a white family in For Love of Ivy adding a layer of complication to the film That same year Diahann Carroll took on the starring role in the television series Julia Was Julia a landmark for casting a black woman or for treating her race as unimportant The answer is not clear cut Yet audiences gave broader meaning to what sometimes seemed to be apolitical performances How It Feels to Be Free demonstrates that entertainment was not always just entertainment and that We Shall Overcome was not the only soundtrack to the civil rights movement By putting black women performances at center stage Feldstein sheds light on the meanings of black womanhood in a revolutionary time
