Samba In The Night:

The Dilemma of an African Virgin Georges Kabongo-Mubalamate, 2012-11 A compelling novel imbued with delicate sociocultural psychological philosophical and anthropological themes The Dilemma of an African Virgin tells the story of two young African girls who rebel against the sexually oppressive traditions they are born into Mishiyayi is a young girl who refuses to succumb to the temptations of premarital sex Instead she maintains her faith in virtue preserving her virginity like a precious bouquet she hopes to present to her husband one day However as time passes and the tender man she has patiently waited for fails to materialize Mishiyayi begins to despair both physically and emotionally Odila is another girl who defies the sexually oppressive status quo of her station in life At the age of 10 she runs away from her native village and its tradition of female circumcision eventually taking refuge in Tshijimba But while living amongst the Tshijimban women she discovers that they are silently enduring a different kind of traditional drama one that she refuses to ignore The Dilemma of an African Virgin is a captivating novel that exposes the deep seated attitudes towards female sexuality in Africa and how they vary from tribe to tribe village to village and clan to clan Author Georges Kabongo Mubalamate is a native of Africa who came to the U S in 1995 as a political refugee through the UNHCR Currently a resident of South Portland Maine Georges is a scientist who works in biotechnology Having spent more than 25 years writing this book first in French then in English he is now working on a new novel dealing with the ordeal of American and European hostages in Africa Publisher's website <http://sbpra.com/georgeskabongomubalamate>

Morris Beja Author of *James Joyce A Literary Life* Film and Literature and other books Professor Emeritus The Ohio State University Book Review Fanto's debut novel follows a Romanian girl's journey from the terrors of World War II Europe to the beaches of Brazil Rozalia daughter of a Jewish father and a Christian mother is born in Romania in the early 20s She comes of age in that country's capital Bucharest but suffers a string of family tragedies when her nation

is engulfed by Hitler's mania. Surviving loss and unimaginable grief, Rozalia eventually flees to Brazil where she meets an older man and marries. Haunted by her bloody past, Rozalia nonetheless finds solace in her business pursuits and in a personal quest for justice. Fanto balances her novel's disparate movements first in wartime Europe then in the wider world with rare aplomb. She describes her tale's most atrocious horrors such as the Romanian pogroms and her heroine's journey on a stuffed cattle car from a mature distance, never succumbing to the twin lures of melodrama and exceeding pathos. The early parts of her project shed light on a corner of Axis-controlled Europe not frequently explored by modern artists. But more impressive is the way that her prose style matures with her protagonist. When Rozalia is young, Fanto writes in a pared-down version of English, settling into a child's vocabulary that shows the world through a child's eyes. But as Rozalia grows, Fanto's prose grows too, becoming more complex and nuanced as Rozalia comes to understand her life in new ways. When Rozalia finally escapes Eastern Europe and travels to Brazil, Fanto's writing glows with a subtle energy that occasionally leaps to flame. And as she begins travels that will take her to places unknown, Rozalia's tale becomes a beautiful travelogue that delivers nothing less than the world. A touching, astute novel from a promising talent. Kirkus Discoveries Rio de Janeiro Travel Guide Daniel Windsor, 2024-06-05.
