Same-Sex Unions Stories And Rites:

Same-Sex Unions Paul V. Marshall, 2004-09-01 Bishop Marshall has given us a pastoral gift He has brought to life ways that the liturgy and worship of the Church can nourish and support Christians who are of the same gender contemplating life long covenant unions in Christ Bringing together the mind of a scholar and the heart of a pastor Bishop Marshall has given birth to a work that can help us grow as a community of faith in which all who seek to follow Jesus are helped and supported on their journey I am honored to commend this work to the church The Rt Rev Michael B Curry Bishop of North Carolina Same Sex Unions a contribution to the continuing debate on the church s pastoral care offers biographical vignettes of two committed couples who have had their unions liturgically blessed in church and also contains complete texts of several same sex rites together with liturgical analysis and reference to secondary literature *Queering Christian Worship* Bryan Cones, 2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation In this collection of essays leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA Christians challenge and expand thinking and practice around worship in new directions This challenge has expanded in the past decades as obstacles to the full participation of queer Christians particularly in marriage and ordination have fallen Organized into three main parts the volume begins with an introduction to queer engagement with ritual practices continues with a series of case studies that examine queer texts and contexts and concludes with an examination of the horizons of queer liturgical theology and practice Throughout the volume *Queering Christian Worship* provides new imagination and tools to those who study and curate Christian worship across traditions

Liturgical Resources 1 Revised and Expanded Standing Commission on Liturgy and Music, 2015-11-10 Newly revised expanded and perfected text from the 78th General Convention of The Episcopal Church held in Salt Lake City in July 2015 Church Publishing will make the full approved resource available by Advent 2015 Church Publishing is honored to work with the General Convention Office and the Standing Commission on Liturgy and Music to provide this important resource for the church ***Praying Shapes Believing*** Leonel L. Mitchell, 2016-08 2015 marks the 30th anniversary of Lee Mitchell s great standard work on the 1979 Book of Common Prayer As his student prot g e and colleague Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future *Law and the Gay Rights Story* Walter Frank, 2014-08-05 For much of the 20th century American gays and lesbians lived in fear that public exposure of their sexualities might cause them to be fired blackmailed or even arrested Today they are enjoying an unprecedented number of legal rights and protections Clearly the tides have shifted for gays and lesbians but what caused this enormous sea change In his gripping new book Walter Frank offers an in depth look at the court cases that were pivotal in establishing gay rights But he also tells the story of those individuals who were willing to make waves by fighting for those rights taking enormous personal risks at a time when the tide of public opinion was against them Frank s accessible style brings complex legal issues

down to earth but as a former litigator never loses sight of the law's human dimension and the context of the events occurring outside the courtroom. *Chronicling the past half century of gay and lesbian history Law and the Gay Rights Story* offers a unique perspective on familiar events like the Stonewall Riots, the AIDS crisis, and the repeal of Don't Ask, Don't Tell. Frank pays special attention to the constitutional issues surrounding same-sex marriage and closely analyzes the two recent Supreme Court cases addressing the issue. While a strong advocate for gay rights, Frank also examines critiques of the movement, including some coming from the gay community itself. Comprehensive in coverage, the book explains the legal and constitutional issues involved in each of the major goals of the gay rights movement: a safe and healthy school environment, workplace equality, an end to anti-gay violence, relationship recognition, and full integration into all the institutions of the larger society, including marriage and military service. Drawing from extensive archival research and from decades of experience as a practicing litigator, Frank not only provides a vivid history but also shows where the battle for gay rights might go from here.

Same-Sex Unions in Premodern Europe John Boswell, 2013-08-28 Both highly praised and intensely controversial, this brilliant book produces dramatic evidence that at one time the Catholic and Eastern Orthodox churches not only sanctioned unions between partners of the same sex but sanctified them in ceremonies strikingly similar to heterosexual marriage ceremonies.

Same-Sex Marriage Kathleen Hull, 2006-02-16 Kathleen Hull provides an exploration of the cultural practices around same-sex marriage as well as the legal battle for recognition. She shows how couples use marriage-related cultural practices such as public commitment rituals to assert the reality of their commitments despite lack of legal recognition.

The Limits to Union Jonathan Goldberg-Hiller, 2023-06-20 Revised and updated to include the most current information on same-sex marriage, *The Limits to Union* documents a legal struggle at its moment of greatest historical importance. *The Limits to Union* is a superb book about the complexities of recent political struggles over same-sex marriage. Goldberg-Hiller offers a sophisticated account of egalitarian rights advocacy and the reaction it has generated from established majorities animated by a new common sense of exclusionary sovereign authority. The author's analysis is multidimensional and nuanced, but the core argument is bold, important, and well supported. I recommend it very highly to everyone interested in understanding the character, possibilities, and constraints of civil rights amid our contemporary culture wars.

Michael McCann, author of *Rights at Work: Pay Equity Reform and the Politics of Legal Mobilization*. In this excellent book, Goldberg-Hiller uses Hawaii's experience to examine the interaction between courts and the political system. Relying on briefs, legislative statements, and interviews with activists from both sides of the question, he views this familiar debate through the unfamiliar prism of gay marriage, which allows him to gauge the viability and the pliability of the American civil rights ideal and how gay and lesbian issues fit or don't fit within that ideal.

Willian Heinzen, *New York Law Journal*. Goldberg-Hiller presents the history of the same-sex marriage question since it first sparked debate in Hawaii. He follows the shifting debate through court cases, state propositions, and state and federal legislatures, considering questions about the

constitutionality of the Defense of Marriage Act and the concept of equal protection under the law for gays and lesbians This detailed treatment of the legal issues surrounding same sex marriages is highly recommended R L Abbott University of Evansville A valuable contribution to the field situating the gay marriage debate in broader contexts of theory law and practice Same sex marriage is an important issue that finds itself caught in the friction points of much larger debates over the nature of rights the limits of sovereignty and the proper role of courts and law in a democratic society The Limits to Union should therefore be of interest even to those who do not think of themselves as interested in gay and lesbian rights issues Evan Gerstmann Loyola Marymount University Law and Politics Book Review *Blessing Same-Sex Unions* Mark D. Jordan,2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in America today **Love's Rite** R. Vanita,2005-10-20 This is the first book to examine the same sex weddings and same sex couple suicides reported in India over the last two decades Ruth Vanita examines these cases in the context of a wide variety of same sex unions from Fourteenth century narratives about co wives who miraculously produce a child together to Nineteenth century depictions of ritualized unions between women to marriages between gay men and lesbians arranged over the internet Examining the changing legal literary religious and social Indian and Euro American traditions within which same sex unions are embedded she brings a fresh perspective to the gay marriage debate suggesting that same sex marriage dwells not at the margins but at the heart of culture *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in

1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie

Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Courts Liberalism And

Rights Jason Pierceson,2005-10-02 In the courts the best chance for achieving a broad set of rights for gays and lesbians lies with judges who view liberalism as grounded in an expansion of rights rather than a constraint of government activity At a time when most gay and lesbian politics focuses only on the issue of gay marriage Courts Liberalism and Rights guides readers through a nuanced discussion of liberalism court rulings on sodomy laws and same sex marriage and the comparative progress gays and lesbians have made via the courts in Canada As debates continue about the ability of courts to affect social change Jason Pierceson argues that this is possible He claims that the greatest opportunity for reform via the judiciary exists when a judiciary with broad interpretive powers encounters a political culture that endorses a form of liberalism based on broadly conceived individual rights not a negative set of rights to be held against the state but a set of rights that recognizes the inherent dignity and worth of every individual

LOVE: The Heroic Stories of Marriage

Equality Frankie Frankeny,2025-04-15 Celebrating the history of the LGBTQ community s marriage equality movement from the 1950s until today this triumphant journey is presented in compelling stories of the pioneering couples along with winning photographs This beautiful moving tome honors the brave LGBTQ couples activists and allies who fought for and ultimately

gained the right to marry The chronological presentation of 100 inspiring stories of these dauntless partners up to the strategists of today recount how they were instrumental in bringing about this basic civil right Beginning in the pre 1970s era when gay couples were nearly invisible the story then shifts to the growing activism of the 1980s and 1990s continues with the landmark Supreme Court ruling in 2015 which granted full marriage equality across the nation and concludes with an exploration of current issues These moving profiles along with archival images feature couples from major court cases such as Jim Obergefell and John Arthur along with well known personalities whose narratives helped draw attention to marriage equality including Cynthia Nixon and Christine Marinoni George and Brad Takei and Ellen DeGeneres and Portia de Rossi

Interrogating the Morality of Human Rights Michael J. Perry, 2023-05-09 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com This forward thinking book illustrates the complexities of the morality of human rights Emphasising the role of human rights as the only true global political morality to arise since the Second World War chapters explore its role as applied to often controversial issues such as capital punishment the exclusion of same sex couples from civil marriage and criminal abortion bans

God in the Corridors of Power Michael Ryan, Les Switzer, 2009-08-25 God in the Corridors of Power Christian Conservatives the Media and Politics in America is a comprehensive study of Christian conservative power in America's political culture how it was achieved how it is maintained and where it is going It came about in part because of an enduring influence in the school room the seminary and in the pulpit and in part because conservatives are so skilled at using commercial and non commercial media including religious media to disseminate their views to broader audiences Though their power has waxed and waned they continue to be a potent force in public policy today The authors argue that the astonishing electoral successes of Christian conservatives at all levels of national state and local government was made possible by linking political social media and religious interests with an emerging consensus about what constitutes a conservative mindset in American politics Christian conservatives unquestionably have been the most significant component in a coalition of religious conservatives traditionalist conservatives and neoconservatives that has driven the Republican Party now for almost two generations This multifaceted understanding of Christian conservative activists in religion and politics traces the impact Christian conservatives have had on American Christianity as a whole while also examining the limitations imposed on the Christian conservative agenda by American civil religion the Constitution and case law The authors explore women's reproductive rights in the debate over contraception and abortion and gay civil rights in the debate over gay marriage and family rights The debate over intelligent design and evolution is examined in the context of the campaign to transform public school education The run up to the wars in Afghanistan and Iraq is scrutinized against the background of the declared war on terrorism While the conservative religious and secular coalition within the Republican Party began to fragment even before the end of George W Bush's first term in office it remained a powerful force in the 2004 and 2008 elections The book

concludes with some thoughts about the impact of Christian conservatives in politics media and religion in the future

Sex, Sexuality, Law, and (In)justice Henry Fradella, Jennifer Sumner, 2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law

The Publishers Weekly, 2004 **Women's Rights in the United States** Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future
