The Cambridge History of Classical Literature: Volume 1, Greek Literature P. E. Easterling, Bernard Knox, 1985-05-09
This volume looks at literature of the Hellenistic period *A Companion of Classical Texts* Frederick William Hall, 1913

The Oxford Handbook of Greek and Roman Comedy Michael Fontaine, Adele C. Scafuro, 2014-04 The Oxford Handbook of Greek and Roman Comedy marks the first comprehensive introduction to and reference work for the unified study of ancient comedy From its birth in Greece to its end in Rome from its Hellenistic to its Imperial receptions no topic is neglected The 41 essays offer cutting edge guides through comedy s immense terrain **The Classical Weekly**, 1927 **The Plays and Fragments** Menander, 2008-05-08 The greatest writer of Greek New Comedy and the founding father of European comedy Menander c 341 290 BC wrote over one hundred plays of which only one complete play and substantial fragments of others survive This new verse translation is accurate and highly readable providing a consecutive text by using surviving words in the damaged papyri **Harper's Dictionary of Classical Literature and Antiquities** Harry Thurston Peck, 1896

Samia Menander, 1983-01-01 With the discovery in Egypt of papyrus books we now know much more about Greek New Comedy and the plays of its greatest exponent Menander but his second best preserved play Samia is not yet generally known In this new edition the text takes account of all recent scholarly work with the facing translation as an aid to interpretation The commentary elucidates the text explaining the themes and conventions of New Comedy and emphasizing the text s dramatic nature The Samia is among the ancestors of modern comedy whose traditions are derived from Menander and the Greek plays adapted by Plautus and Terence for Roman audiences **The Oxyrhynchus Papyri** Bernard Pyne Grenfell, Arthur Surridge Hunt, 1980 Papyri nos 3316 3367 Egypt Exploration Society Graeco Roman Memoirs 47 1980 A History of Ancient Greek Anastasios-Phoivos Christidēs, Maria Arapopoulou, Maria Chritē, 2007-01-11 Publisher description

cited and an index Publisher s description [Behind the Mask](#) Angela M. Heap,2019-06-13 This new study of Menander casts fresh light not only on the techniques of the playwright but also on the literary and historical contexts of the plays Menander 342 1 292 1 BCE wrote over a hundred popular comedies several of which were adapted by Plautus and Terence Through them he was a major influence on Shakespeare and Moli re However his work survived only in excerpts and quotation until some significant texts reappeared in the nineteenth and twentieth centuries on papyrus The mystery of their loss and rediscovery has raised key questions surrounding the transmission of these and other Greek texts Theatrical masks from the fourth century BCE discovered on the island of Lipari now also provide important material with which this book examines how the plays were originally performed A detailed investigation of their historical setting is offered which engages with recent debates on the importance of social status and citizenship in Menander s plays The techniques of characterization are also examined with particular focus on women slaves and power relationships in his *Epitrepontes* It appears that the audience was invited sometimes subversively behind the mask of this sophisticated comedy to discover that people do not always conform to literary expectations and social norms *Stories of Origins in the Bible and Ancient Mediterranean Literature* Guy Darshan,2023-12-07 In this book Guy Darshan explores stories of origins that lie at the heart of Pentateuchal sources in the context of literature created in neighboring societies of the ancient Mediterranean world A comparative study his volume analyses the parallels between Biblical origin stories the narrative traditions arranged in genealogical sequence that recount the beginnings of humanity and origins of peoples in tandem with ancient Greek genealogical writings from the 7 5th centuries BCE onwards He also considers Phoenician and Anatolian sources from the first millennium several of which have only been published in recent years This is the first scholarly study to trace the origins of this genre of narrative and the circumstances that led to appearances in the Hebrew Bible and ancient Mediterranean literature It sheds new light on our knowledge of the history of literature as well as the interconnections and interrelations between civilizations of the pre Hellenistic eastern Mediterranean and Near East **Menander in Antiquity** Sebastiana Nervegna,2013-04-25 The comic playwright Menander was one of the most popular writers throughout antiquity This book reconstructs his life and the legacy of his work until the end of antiquity employing a broad range of sources such as portraits illustrations of his plays papyri preserving their texts and inscriptions recording their public performances These are placed within the context of the three social and cultural institutions which appropriated his comedy thereby ensuring its survival public theatres dinner parties and schools Dr Nervegna carefully reconstructs how each context approached Menander s drama and how it contributed to its popularity over the centuries The resultant highly illustrated book will be essential for all scholars and students not just of Menander s comedy but more broadly of the history and iconography of the ancient theatre ancient social history and reception studies **Asiatische Studien** ,2006 **Menander of Athens: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01 This ebook is a selective guide designed to
