Samothrace A Guide To The Excavation The Museum:

Samothrace Karl Lehmann, 1998 This official guide to the site of Samothrace and the Sanctuary of the Great Gods appears now as revised by longtime director of excavations James R McCredie Two initial chapters helpfully provide background information on the history of Samothrace and the religion of the Great Gods Following this are two tours The first takes the reader through the sanctuary itself home to cryptic mysteries where a variety of gods were worshiped including the Great Mother Hades and Persephone there are numerous plans and drawings of the monumental structures such as the Rotunda of Arsinoe and the Propylon of Ptolemy II allowing the reader to visualize what the sanctuary would have looked like when it was still an active religious center The second tour takes the reader through the museum and highlights the most important pieces in the collection including a large statue of a winged Victory and gold ornaments from a Hellenistic tomb The guide also includes a description of excavations on Samothrace outside of the Sanctuary of the Great Gods as well as bibliography for further reading

On the Deities of Samothrace F. W. J. Schelling, 2024 In 1815 F W J Schelling presented a lecture titled *On the Deities of Samothrace* to the Bavarian Academy of Sciences The lecture offered a startlingly original reading of the ancient Greek mystery religion on the island of Samothrace It would be the last book Schelling himself published and it is the key to his influential *Philosophy of Mythology* Now for the first time in English this critical edition contains the entirety of Schelling's original text including the lecture itself Schelling's afterword and all his extensive philosophical and philological endnotes It also offers copious explanatory notes photographs and maps of the site and three interpretive essays by the editors and translators elucidating Schelling's text for contemporary readers *On the Deities of Samothrace* is one of Schelling's most original and exciting works It is a signature text in Schelling's thought and in the philosophy of religion generally

The Monuments of the Eastern Hill Bonna D. Wescoat, 2018-12-13 In this volume the key monuments that form the Theatral Complex including the Theatral Circle the Fieldstone Building with its masonry style plaster interior the marble Doric hexastyle Dedication of Philip III and Alexander IV the elegant Ionic Porch later attached to the western side of the Dedication and the remains of dozens of bronze statues that originally framed the Theatral Circle are presented in their archaeological architectural and historical

contexts The potential significance of the Complex within the mystery cult both as the place that initially gave shape to the group of pilgrims undergoing initiation and as the place where new initiates ultimately departed the Sanctuary accords the Theatral Complex on the Eastern Hill a central place in the history of ancient Greek sacred space Actual state and reconstruction drawings photographs and a catalogue of the small finds including pottery lamps terracotta figurines coins metal objects inscriptions stone objects and glass accompany the text *Samothrace: The ancient literary sources, edited and translated by Naphtali Lewis* Karl Lehmann, 1958 **Samothrace** Karl Lehmann, New York University. dass Samothrake nicht immer die Kontrolle auf seinen Festlandsgründungen ausüben konnte und dass die Peraia nicht immer den gleichen Umfang hatte. Die Peraia gehörte in hellenistischer Zeit zum Heiligtum der Großen Götter auf Samothrake und trug die Bezeichnung hierarchia. Von Interesse ist der Einfluss, den Samothrake auf seine Peraia auf religiöser, politischer und wirtschaftlicher Ebene ausübte.
