The Chronicles of Light and Dark L.L. Hunter,2015-12-07 Nephilim are going missing Lakyn has been shot The world is coming to an end and all clues seem to point to Lucifer s army With Lakyn out of commission Dyston is forced to fight his battles for him But there is a problem he is injured too As Scarlett and her friends attempt to find the missing Nephilim and figure out who would want Lakyn dead a betrayal of the worst kind is about to shatter everyone involved In the much anticipated fifth installment of the bestselling Legend of the Archangel series Secrets will be unraveled Sides will be chosen Lines will be drawn Who will choose darkness And who will choose light **The Texan's Favor** D. K. Deters,2021-10-06 Ambushed Texas Ranger Jake Fontaine s a dead man until a Kansas spinster raises her shotgun in his defense Despite the rogue lawman s obsession to bring in his brother s killer duty demands he escort her to the next town Kat Collins is a thief though an honorable one She s on the run from controlling kin and aims to escape her past Traveling with Jake offers the perfect cover until her uncle finds them sharing a campfire and imposes his own kind of justice a wedding Marriage will cost Jake his freedom but refusing may cost him his life Kat figures he s bound to recognize her on a wanted poster Would sharing passionate nights in his arms be worth the peril **The Wasteland** Rebecca Balongag,2024-03-14 In the beginning there was the Occupation In 1941 the Southern United States was invaded by the German Nazi machine The States were not prepared Some thought the best choice was not to fight So began the Occupation For over 70 years the South was occupied by the Nazis Concentration Camps popped up in the South after the Nazis rounded up everyone they hated Nina a Jewish girl was born in a Concentration Camp She never knew what freedom was but she always dreamed of it It is that dream of freedom that leads her on a journey that could alter her world Dangers inside and outside of the camp work against her as she fights for her life and the lives of those she loves With surprising allies Nina races against the raging storms that try to consume her Soon a prophetic dream has her thinking about freedom for all and not just her family With time running out and the Final Solution looming ever closer Nina must make a decision that would affect everyone around her In the end who will survive **Nasty Politics** Thomas Zeitzoff,2023 A novel explanation for why politicians insult accuse and threaten their opponents even though voters say they don t like it Why do politicians engage in nasty politics Why do they use insult accusations intimidation and in rare cases violence against their domestic political opponents In Nasty Politics Thomas Zeitzoff answers these questions by examining this global political trend in the US Ukraine and Israel and looking at how key leaders such as Trump Zelensky and Netanyahu use it Drawing on surveys case studies in depth interviews databases of nasty politics and large social media datasets Zeitzoff shows that across all three countries the public generally doesn t like nasty politics and it increases the threat of political violence But it can also be a way to signal toughness to voters which is especially important in threatening times Featuring a powerful theory of why nastiness takes hold in democratic polities Nasty Politics highlights how it influences the kinds of politicians who run for office and deepens our understanding for why

so many politicians now rely on outsized anger and withering insults for political gain [Heart of a Wolf](#) J.
