Samuel Butler Gilbert Cannan,2015-06-26 Excerpt from Samuel Butler A Critical Study Outside art there is little in human life or institutions to show that men need more than cunning to maintain their ascendancy in the universal struggle Imagination is so rare that it would seem to be merely a surplus of mental energy in individuals of no immediate social value and in the long run no more than a balm to leaven the lump So long as men can satisfy their natural necessities and keep up appearances before their neighbours they are content and if they are bored they will avenge themselves in quarrels and cruelty The few individuals who are gifted with imagination are by the gift removed from the common life and incapacitated for it The very few pursue their creative desire regardless of it and take the surface happenings of life even love as they come Others escape from the ordinary stupid egoism of the human animal into a pride of intellect which is a more ruthless and a nobler egoism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Samuel Butler A Critical Study* ,1935      *Samuel Butler* Gilbert Cannan,2018-01-14 Excerpt from Samuel Butler A Critical Study Though a man may be stupid there is no reason why he should be stripped Of his self respect He will make a bad enough mess Of his affairs without being helped to do so by parasites who trade on his superstitions and his vanity by princes priests professed gover nors and soldiers Beginning with rage against common men your exasperated man of lively intelligence ends by pitying them and desiring to protect them and to urge them to protect themselves against the persons and institu tions by which they are cheated and betrayed and led to renounce their freedom

The ideas which sustain these persons and institutions become the Object of lifelong hatred and attack the weapons used being irony and ridicule Candide was written to deride the complacent Optimism which in the face of an extraordinary series of catastrophes seemed petty and childish Life is so precious so varied and so entertaining that there is no room for trite theory as to its nature Even in the absence Of imagination there are enough facts available for common sense to draw a satisfactory and good tempered conclusion Left to itself common sense may be trusted to do so but while it is possible for lazy cunning men to make a good thing out of superstition common sense will be baffled About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
