Developing a history of the English novel requires the inclusion of a vast range of cultural economic religious social and aesthetic influences But the role of eighteenth century English rhetorical theory in the emergence of the novel and the critical discourse surrounding that emergence has often been neglected or overlooked The influence of rhetorical theory in the development of the English novel is undeniable however and changes to rhetorical theory in Britain during the eighteenth century led to the development of a critical aesthetic discourse about the novel in Victorian England This study argues that eighteenth century belles lettres rhetorical theory played a key role in developing a horizon of expectation concerning the nature and purpose of the novel that extended well into the nineteenth century There is a connection between the emergence of the English novel eighteenth century rhetorical theory and Victorian novel criticism that has been neglected this study attempts to recover and articulate that connection

The Function of Criticism Terry Eagleton,2020-05-05 This wide ranging book argues that criticism emerged in early bourgeois society as a central feature of a public sphere in which political ethical and literary judgements could mingle under the benign rule of reason The disintegration of this fragile culture brought on a crisis in criticism whose history since the 18th century has been fraught with ambivalence and anxiety Eagleton s account embraces Addison and Steele Johnson and the 19 century reviewers such critics as Arnold and Stephen the heyday of Scrutiny and New Criticism and finally the proliferation of avant garde literary theories such as deconstructionism The Function of Criticism is nothing less than a history and critique of the critical institution itself Eagleton s judgements on individual critics are sharp and illuminating which his general argument raises crucial questions about the relations between language literature and politics      *The Bookman* ,1901      **American Monthly Review of Reviews** Albert Shaw,1903
