Performing Homer: The Voyage of Ulysses from Epic to Opera Wendy Heller,Eleonora Stoppino,2019-07-23 The epic poems the Iliad and the Odyssey attributed to Homer are among the oldest surviving works of literature derived from oral performance Deeply embedded in these works is the notion that they were intended to be heard there is something musical about Homer s use of language and a vivid quality to his images that transcends the written page to create a theatrical

experience for the listener Indeed it is precisely the theatrical quality of the poems that would inspire later interpreters to cast the Odyssey and the Iliad in a host of other media novels plays poems paintings and even that most elaborate of all art forms opera exemplified by no less a work than Monteverdi's *Il ritorno di Ulisse in patria* In *Performing Homer The Voyage of Ulysses from Epic to Opera* scholars in classics drama Italian literature art history and musicology explore the journey of Homer's Odyssey from ancient to modern times The book traces the reception of the Odyssey through the Italian humanist sources from Dante Petrarch and Ariosto to the treatment of the tale not only by Monteverdi but also such composers as Elizabeth Jacquet de la Guerre Gluck and Alessandro Scarlatti and the dramatic and poetic traditions thereafter by such modern writers as Derek Walcott and Margaret Atwood

Outlaw Fathers in Victorian and Modern British Literature Helena Gurfinkel, 2014-03-27 *Outlaw Fathers in Victorian and Modern British Literature* *Queering Patriarchy* traces the representations of outlaw fathers or queer patriarchs and their relationships with their queer sons in a particular literary tradition mid to late Victorian and twentieth century British fiction and memoir Specifically I look at such representations in Anthony Trollope's *Doctor Thorne* 1858 and *The Prime Minister* 1875-76 while also drawing on *An Autobiography* 1883 and *The Duke's Children* 1880 Samuel Butler's *The Way of All Flesh* published in 1901 Henry James's *The Lesson of the Master* 1888 J R Ackerley's *My Father and Myself* written in the 1930s and published in 1968 E M Forster's *Little Imber* 1961 with an occasional detour into *The Longest Journey* 1907 *Howards End* 1909 and *Maurice* published in 1971 and Alan Hollinghurst's *The Spell* 1998 In the coda

I consider the implications of including transgender transnational female to male fathers of color in the ranks of queer patriarchy and discuss two contemporary novels Jackie Kay's *Trumpet* 1998 Scotland and Patricia Powell's *The Pagoda* 1998 Jamaica and the United States as well as briefly an episode an episode of the television show *The L Word* 2008 and the documentary *U People* 2007 The term queer patriarchy has two components The first one is a non traditional primarily but not exclusively non heterosexual pervasively present and culturally important paternal subjectivity The second one is the bond between such queer paternal figures and their sons biological and non biological This study pays attention primarily to the relationship between psyche language and ideology but it will join a larger conversation about the changing roles of men in general and fathers in particular which is taking place outside of the field of literary studies **The Oxford**

If You Can't Trust Your Mother, Whom Can You Trust? Leonard Shengold, 2018-05-01 The main theme of this book concerns the continuing psychic centrality of parents for their children Several chapters examine an author and his works outlining that author's relationships with parents good and bad and making descriptive comments about these based both on information gleaned from the author's life and writings as well as from observations found in autobiographies biographies and critical works Since these studies in part concern stories of child abuse and deprivation the book predominantly illustrates bad parenting that seems to have contributed to the child's psychopathology Yet in most cases there has also been an evocation by the trauma and deprivation of adaptive and even creative reactions this positive effect also of course largely attributable to concomitant good parenting and yet there are some cases where little of this seems to have existed and yet the children still turn out to be able to make something of themselves The conditions that make for psychic health in a traumatized childhood are mysterious and can't always be
