Contextual Commentary on the Book of Mormon Brant A. Gardner,2007-09-01 Stop looking for the Book of Mormon in
Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg
Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and
new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly
approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary
approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious
insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of
Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples
cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as
proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the
doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of
convincing the Jew and Gentile that Jesus is the Christ the Eternal God **Interpreter: A Journal of Latter-day Saint

stories written to inspire adult and child alike while encouraging the spirit of Christ in heart and home during the Christmas

before Christmas The first half contains stories for families with older children while the last half has stories read to the
Author s children at Christmas time and added upon their request Read them on the twelve nights before Christmas or from
December 1st until Christmas Eve and let these inspirational stories bring the joy of Christmas to you and yours **Terms
of Salvation** Grant H. Layton,2013-07 Why are there so many competing Christian churches in the world today It is because

men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn't necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ *The City of the Saints* Sir Richard Francis Burton, 1862 Cyclopædia of Biblical, Theological, and Ecclesiastical Literature John McClintock, 1894 Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock, 1890
