Zia,Banco Mundial,1989 Who's who in Engineering ,1922 A History of Rockbridge County, Virginia Oren F. Morton,1973 In collecting materials for his landmark work on Rockbridge County Oren F Morton visited every judicial district in the county and examined their public records Likewise he examined the records of the parent counties of Orange Augusta and Botetourt and followed up his exhaustive county researches with an examination of the archives of the capitol and state library in Richmond The resulting publication A History of Rockbridge County is considered one of the finest county histories ever written Part One sketches in the history of Rockbridge from its settlement in 1737 with an appreciative eye on the pioneer element of the county the Irish and the Scotch Irish Part Two is a genealogical source book of Rockbridge County It the author lists all the names he came upon in his researches together with the accompanying fact in each instance In Sections II to XIII inclusive the names are classified

according to the source from which they derive Miscellaneous facts such as dates of birth marriage death lists of children and sundry other particulars are given in Section XIV A complete index to the more than 15 000 names is not given for reasons that all lists are constructed in alphabetical order There is nonetheless a general index to the text **The Washingtons. General Index, A-K** Justin Glenn, 2018-04-26 Published in two parts the General Index of all Washington descendants and their spouses completes a ten volume history that traces the Presidential Line of the Washington family in America Volume one began with the immigrant John Washington who settled in Westmoreland County Va in 1657 married Anne Pope and became the great grandfather of President George Washington It contained the record of their descendants for a total of seven generations Subsequent volumes two through eight continued this family history for an additional eight generations also highlighting most notable members volume two and tracing lines of descent from the royalty and nobility of England and continental Europe volume three Volume nine treated in detail the recently discovered line of William Wright died in Franklin County Va ca 1809 It also provided briefer accounts of five other Southern Wright families that have often been mentioned by researchers as close kinsmen of George Washington ADVANCE PRAISE At long last the Washingtons have a published history worthy of their place in history Glenn has done a masterful job I am convinced that his work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn s The Washingtons A Family History finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 John Frederick Dorman editor of The Virginia Genealogist 1957 2006 and author of Adventurers of Purse and Person Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain
