*The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University* Hoover Institution on War, Revolution, and Peace, 1969      **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System). Institute of Library Research, University of California, Berkeley, 1972      **Challenges on the Emmaus Road** T. Felder Dorn, 2021-11-25 While slavery and secession divided the Union during the American Civil War they also severed the Northern and Southern dioceses of the Protestant Episcopal Church In *Challenges on the Emmaus Road* T. Felder Dorn focuses on the way Northern and Southern Episcopal bishops confronted and responded to the issues and events of their turbulent times Prior to the Civil War Southern bishops were industrious in evangelizing among enslaved African Americans but at the same time they supported the legal and social aspects of the peculiar institution Southern and Northern bishops parted company over the institution of slavery not over the place of blacks in the Episcopal Church As Southern states left the Union Southern dioceses separated from the Episcopal Church in the United States The book's title was inspired by the Gospel of Luke 24:13-35 in which the resurrected Jesus Christ walked unrecognized with his disciples and discussed the events of his own crucifixion and disappearance from his tomb Dorn perceives that scriptural episode as a metaphor for the responses of Episcopal bishops to the events of the Civil War era Dorn carefully summarizes the debates within the church and in secular society surrounding the important topics of the era In doing so he lays the groundwork for his own interpretations of church history and also provides authentic data for other church scholars to investigate such topics as faith and doctrine evangelism and the administrative history of one of the most important institutions in America Dorn devotes the final chapters to the postwar reunification of the Episcopal Church and Southern bishops involvement in establishing the Commission on Freedmen to offer help with the educational and spiritual needs of the recently emancipated slaves      *Law Books, 1876-1981* R.R. Bowker Company, 1981      **The Standard Value Guide**, 1979      **Embodying Wesley's Catholic Spirit** Daniel Castelo, 2017-03-16 To what degree is Wesleyan theology part of the church's catholic witness This book explores this question from a number of angles and goes on to embody some of these possibilities in conversation with other major traditions and figures within the Christian church Overall the volume shows that Wesleyan theology does draw from and can contribute to conversations related to the catholic Christian witness      *The Living Church*, 1904      *The Napoleon of New York* H. Paul Jeffers, 2002-06-18 Praise for H. Paul Jeffers Diamond Jim Brady Prince of the Gilded Age One of the most entertaining historical business narratives in recent memory The story of this symbol of America's Gilded Age is filled with such gusto and vigor that even hardcore business readers will be swept away Publishers Weekly Superb historical biography of one of the more colorful characters in American history spirited Jeffers deftly weaves together intriguing stage setting explanations of the age of robber barons the crash of 1893 and that unforgettable era of unbridled wealth for the few in

1890s New York As this marvelous story reveals Brady's lavish lifestyle embodies America's Gilded Age Highly recommended for all libraries Library Journal An Honest President The Life and Presidencies of Grover Cleveland A well written and timely book that reminds us of Grover Cleveland's courage commitment and honesty at a time when these qualities are so lacking in so much of American politics James MacGregor Burns winner of the Pulitzer Prize and National Book Award Colonel Roosevelt Theodore Roosevelt Goes to War 1897-1898 A handsome narrative of a crucial period in the career of one of our country's most colorful politicians Publishers Weekly

**Princetonians, 1769-1775** Richard A. Harrison, 2014-07-14 This volume the second in a series of biographical sketches of students who attended the College of New Jersey later Princeton University brings the story of the College and its alumni to the beginning of the American Revolution It records not only the contributions of the early sons of Nassau Hall to the formation of the Republic but also the role of the College itself as a major component in the evolution of the first national elite Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Episcopalians* David Hein, Gardiner H. Shattuck, 2005-08-01 The story of Episcopalians in America is the story of an influential denomination that has furnished a large share of the American political and cultural leadership Beginning with the Episcopal Church's roots in sixteenth century England *The Episcopalians* offers a fresh account of its rise to prominence Chronologically arranged it traces the establishment of colonial Anglicanism in the New World through the birth of the Episcopal Church after the Revolution and its rise throughout the nineteenth century ending with the complex array of forces that helped shape it in the 20th century and the consecration of Gene Robinson in 2003 The authors focus not only on the established leadership of the church but also to the experience of lay people the form and function of sacred space the evolution of church parties and theology relations with other Christian communities and the evolving ministries of women and minorities

**City of Ambition** Mason B. Williams, 2013-05-21 Fascinating Williams tells the story of La Guardia and Roosevelt with insight and elegance Edward Glaeser New York Times Book Review

Restoring the Ties that Bind William L. Sachs, Thomas P. Holland, 2003 An important book for clergy and lay members who are concerned with mapping the future of the Episcopal Church Reports on the findings of research that conclude there is a paradox in the Episcopal Church

*New York University Law Quarterly Review*, 1932-1947-1951 volumes contain fifth issue Survey of New York Law

**Religion and the American Revolution** Katherine Carté, 2021-04-20 For most of the eighteenth century British protestantism was driven neither by the primacy of denominations nor by fundamental discord between them Instead it thrived as part of a complex transatlantic system that bound religious institutions to imperial politics As Katherine Cart

argues British imperial protestantism proved remarkably effective in advancing both the interests of empire and the cause of religion until the war for American independence disrupted it That Revolution forced a reassessment of the role of religion in public life on both sides of the Atlantic Religious communities struggled to reorganize within and across new national borders Religious leaders recalibrated their relationships to government If these shifts were more pronounced in the United States than in Britain the loss of a shared system nonetheless mattered to both nations Sweeping and explicitly transatlantic Religion and the American Revolution demonstrates that if religion helped set the terms through which Anglo Americans encountered the imperial crisis and the violence of war it likewise set the terms through which both nations could imagine the possibilities of a new world

**Encyclopedia of Police Science** Jack Raymond Greene,2006-10-23 In 1996 Garland published the second edition of the Encyclopedia of Police Science edited by the late William G Bailey The work covered all the major sectors of policing in the US Since then much research has been done on policing issues and there have been significant changes in techniques and in the American police system Technological advances have refined and generated methods of investigation Political events such as the terrorist attacks of September 11 2001 in the United States have created new policing needs while affecting public opinion about law enforcement These developments appear in the third expanded edition of the Encyclopedia of Police Science 380 entries examine the theoretical and practical aspects of law enforcement discussing past and present practices The added coverage makes the Encyclopedia more comprehensive with a greater focus on today s policing issues Also added are themes such as accountability the culture of police and the legal framework that affects police decision New topics discuss recent issues such as Internet and crime international terrorism airport safety or racial profiling Entries are contributed by scholars as well as experts working in police departments crime labs and various fields of policing

Welcome to a Life of Faith in the Episcopal Church Megan Castellan,2019-11-17 Perfect for newcomers and confirmation classes The Episcopal Church has a language and a practice all its own For a newcomer these can seem intimidating at first glance This book takes readers through a Sunday worship experience and explains the what the why and the how of what they might encounter Worship is explained with a quick survey of the Book of Common Prayer along with frequently encountered vocabulary How we read the Bible and what we believe about core points of theology are also discussed especially as these points may differ from what many people assume to be Christian norms How faith is practiced and its connection to our social and moral lives is discussed What is the Jesus Movement and how can the Way of Love be lived every day Finally a short overview of Episcopal history is included for the visitor who wonders how we came to be here The book concludes with a few of the most frequently asked questions by adults who join the Episcopal Church

*The Imperial Origins of the King's Church in Early America 1607-1783* James Bell,2004-02-17 The experience of the King s church in Early America was shaped by the unfolding imperial policies of the English government after 1675 London based civil and ecclesiastical officials supervised the extension and development of the church overseas The

recruitment appointment and financial support of the ministers was guided by London officials Transplanted to the New World without the traditional hierarchical structure of the church no bishop served in the colonies during the colonial period at the time of the American Revolution it was neither an English American or American English church yet modified in a distinctive manner

*A History of New York in 101 Objects* Sam Roberts,2014-09-23 Delightfully surprising A portable virtual museum an entertaining stroll through the history of one of the world s great cities Kirkus Reviews told through 101 distinctive objects that span the history of New York almost all reproduced in luscious full color Inspired by A History of the World in 100 Objects Sam Roberts of The New York Times chose fifty objects that embody the narrative of New York for a feature article in the paper Many more suggestions came from readers and so Roberts has expanded the list to 101 Here are just a few of what this keepsake volume offers The Flushing Remonstrance a 1657 petition for religious freedom that was a precursor to the First Amendment to the Constitution Beads from the African Burial Ground 1700s Slavery was legal in New York until 1827 although many free blacks lived in the city The African Burial Ground closed in 1792 and was only recently rediscovered The bagel early 1900s The quintessential and undisputed New York food excepting perhaps the pizza The Automat vending machine 1912 Put a nickel in the slot and get a cup of coffee or a piece of pie It was the early twentieth century version of fast food The I Love NY logo designed by Milton Glaser in 1977 for a campaign to increase tourism Along with Saul Steinberg s famous New Yorker cover depicting a New Yorker s view of the world it was perhaps the most famous and most frequently reproduced graphic symbol of the time Unique sometimes whimsical always important A History of New York in 101 Objects is a beautiful chronicle of the remarkable history of the Big Apple The story Sam Roberts is telling is that of New York and he nails it Daily News New York
