## **San Diego Gateway To The Pacific:**

**San Diego, Gateway to the Pacific** Iris Wilson Engstrand, 1992      **The Gateway to the Pacific** Meredith Oda, 2019-01-03 In the decades following World War II municipal leaders and ordinary citizens embraced San Francisco's identity as the Gateway to the Pacific using it to reimagine and rebuild the city. The city became a cosmopolitan center on account of its newfound celebration of its Japanese and other Asian American residents, its economy linked with Asia and its favorable location for transpacific partnerships. The most conspicuous testament to San Francisco's postwar transpacific connections is the Japanese Cultural and Trade Center in the city's redeveloped Japanese American enclave. Focusing on the development of the Center, Meredith Oda shows how this multilayered story was embedded within a larger story of the changing institutions and ideas that were shaping the city. During these formative decades, Oda argues, San Francisco's relations with and ideas about Japan were being forged within the intimate local sites of civic and community life. This shift took many forms, including changes in city leadership, new municipal institutions, and especially transformations in the built environment. Newly friendly relations between Japan and the United States also meant that Japanese Americans found fresh, if highly constrained, job and community prospects, just as the city's African Americans struggled against rising barriers. San Francisco's story is an inherently local one, but it also a broader story of a city collectively, if not cooperatively, reimagining its place in a global economy.

**San Diego** Iris Wilson Engstrand, 2005 A comprehensive history of San Diego from the time of the indigenous people to the controversial mayoral election of 2004. Chapters cover the Spanish, Mexican, Victorian, WWI, and WWII eras and the post-war boom. Includes a 25-page chronology of events, plus bibliography and index.      [Louis Rose, San Diego's First Jewish Settler and Entrepreneur](#) Donald H. Harrison, 2005 Louis Rose, an Old World immigrant, came to San Diego in 1850 and was one of the key figures who helped to shape the region. This comprehensive biography addresses not only the founding of Jewish institutions in San Diego but how Rose helped to develop secular institutions as well.

**Becoming Mexipino** Rudy P. Guevarra, Jr., 2012-05-09 *Becoming Mexipino* is a social historical interpretation of two ethnic groups: one Mexican, the other Filipino, whose paths led both groups to San Diego, California. Rudy Guevarra traces the earliest interactions of both groups with Spanish colonialism to illustrate how these historical ties and cultural bonds laid the foundation for what would become close interethnic relationships and communities in twentieth-century San Diego, as well as in other locales throughout California and the Pacific West Coast. Through racially restrictive covenants and other forms of discrimination, both groups, regardless of their differences, were confined to segregated living spaces along with African Americans, other Asian groups, and a few European immigrant clusters. Within these urban, multiracial spaces, Mexicans and Filipinos coalesced to build a world of their own through family and kin networks, shared cultural practices, social organizations, music, and other forms of entertainment. They occupied the same living spaces, attended the same Catholic churches, and worked together creating labor cultures that reinforced their ties, often fostering marriages. Mexipino children

living simultaneously in two cultures have forged a new identity for themselves Their lives are the lens through which these two communities are examined revealing the ways in which Mexicans and Filipinos interacted over generations to produce this distinct and instructive multiethnic experience Using archival sources oral histories newspapers and personal collections and photographs Guevarra defines the niche that this particular group carved out for itself **Pacific Municipalities**, 1917
