San Diegos Hysterical History

Patrick Hickey, Jr.

San Diegos Hysterical History:

San Diego's Hysterical History Herbert Lockwood, 2003 Readers will enjoy these tales of eccentric kooks and the many other oddball men and women whose antics made San Diego the superior attraction it is today Hysterical Elissa Bassist, 2022-09-13 SEMI FINALIST FOR THE 2023 THURBER PRIZE FOR AMERICAN HUMOR A fiery cultural critique Kirkus Reviews a powerful beautifully written and utterly important book New York Journal of Books Hysterical is staggeringly good This is one of the most intelligent painful ridiculous awesome relevant things I've ever read Roxane Gay an impressive debut Elissa Bassist wrote it like a motherfucker Cheryl Strayed Acclaimed humor writer Elissa Bassist shares her journey to reclaim her authentic voice in a culture that doesn't listen to women in this medical mystery cultural criticism and rallying cry Between 2016 and 2018 Elissa Bassist saw over twenty medical professionals for a variety of mysterious ailments She had what millions of American women had pain that didn't make sense to doctors a body that didn't make sense to science and a psyche that didn't make sense to mankind Then an acupuncturist suggested that some of her physical pain could be caged fury finding expression and that treating her voice would treat the problem It did Growing up Bassist's family boyfriends school work and television shows had the same expectation for a woman's voice less is more She was called dramatic and insane for speaking her mind She was accused of overreacting and playing victim for having unexplained physical pain She was ignored or rebuked like so many women throughout history for using her voice inappropriately by expressing sadness or suffering or anger or joy Because of this she said yes when she meant no she didn't tweet MeToo and she never spoke without fear of being too emotional She felt rage but like a good woman she repressed it In her witty and incisive debut Bassist explains how girls and women internalize and perpetuate directives about their voices making it hard to just speak up and burn down the patriarchy But then their silence hurts them more than anything they could ever say Hysterical is a memoir of a voice lost and found a primer on new ways to think about a woman's voice about where it's being squashed and where it needs amplification and a clarion call for readers to unmute their voice listen to it above all others and use it again without regret **The San Diego World's Fairs and Southwestern Memory, 1880-1940** Matthew F.

Bokovoy, 2005-11-01 In the American Southwest no two events shaped modern Spanish heritage more profoundly than the San Diego Expositions of 1915-16 and 1935-36 Both San Diego fairs displayed a portrait of the Southwest and its peoples for the American public The Panama California Exposition of 1915-16 celebrated Southwestern pluralism and gave rise to future promotional events including the Long Beach Pacific Southwest Exposition of 1928 the Santa Fe Fiesta of the 1920s and John Steven McGroarty's The Mission Play The California Pacific International Exposition of 1935-36 promoted the Pacific Slope and the consumer oriented society in the making during the 1930s These San Diego fairs distributed national images of southern California and the Southwest unsurpassed in the early twentieth century By examining architecture and landscape American Indian shows civic pageants tourist imagery and the production of history for celebration and exhibition at each

fair Matthew Bokovoy peels back the rhetoric of romance and reveals the legacies of the San Diego World's Fairs to reimagine the Indian and Hispanic Southwest. In tracing how the two fairs reflected civic conflict over an invented San Diego culture, Bokovoy explains the emergence of a myth in which the city embraced and incorporated native peoples, Hispanics, and Anglo settlers to benefit its modern development.

The Big Book of Boy Stuff Bart King, 2014-08-21 After Bart King interviewed hundreds of the wisest guys and smartest alecks for *The Big Book of Boy Stuff*, something awesome happened: the book became a classic. Hailed by critics and kids alike, it has sold hundreds of thousands of copies and even won awards. In this updated and redesigned tenth anniversary edition, hijinks and hilarity are still front and center. Within these pages, boys can find a myriad of things to do, things to laugh at, and things they didn't know. Bart King, the veteran of many water balloon wars, taught middle school for many years. He's written other cool books, including *The Big Book of Superheroes*, *The Pocket Guide to Girl Stuff*, and *The Big Book of Gross Stuff*. Visit his website at www.bartking.net.

Mass Hysteria in Schools Robert E. Bartholomew, Bob Rickard, 2014-01-14 This book comprehensively surveys the colorful history of mass hysteria and kindred phenomena in schools, documenting outbreaks of demonic possession during witchcraft scares to modern incidents of collapsing bands, itching frenzies, ghost panics, and mystery illnesses. Strange behaviors and illnesses in students are examined through the centuries. Possessed children went into trance states and began to bark like dogs in 16th and 17th century Holland; an epidemic of twitching, trembling, and blackout spells swept through European schools during the latter 1800s; an outbreak of Tourette's-like symptoms struck schoolgirls in western New York in 2011-12. In addition to the US and Europe, separate chapters detail accounts from Asia, Africa, Latin America, and Oceania. A variety of theories to explain outbreaks are examined.

The Minds Behind Sega Genesis Games Patrick Hickey, Jr., 2022-07-14 Prior to the arrival of the Sega Genesis video games were still largely considered kid stuff, but with a far more mature and eclectic range of titles and an understanding of what gamers wanted, Sega and its Genesis Mega Drive console began to shift the expectations for what gaming could be. Never scared to innovate, Sega's impact on the industry continues to this day through the games they originally developed and the technology their consoles pushed into the mainstream. Featuring interviews with the creators of over 40 games on the Sega Genesis console, including *Sonic the Hedgehog 2*, *Altered Beast*, *Aladdin*, *Earthworm Jim*, and *NHL 95*, this book gives a behind-the-scenes look at the creation of some of the influential, iconic, and sometimes forgotten games on Sega's most important contribution to the game industry. The interviewees reveal the challenges of working with mega-publishers, the uncertainties of public reception, and the creative processes that produced some of the 16-bit era's classic titles.
