Golden Memories of the San Francisco Bay Area Steven Friedman, 2000. San Francisco, the flamboyant and cosmopolitan city by the bay and its neighboring municipalities, was born to tell stories upon stories. Ranging in ages from 68 to 91, the narrators reflect the ethnic and religious diversity of a metropolis that has been a pioneer of several social, political, and cultural movements. They also stretch across both ends of the economic spectrum. A Japanese American woman describes the harsh humiliation of internment during World War II, while an Irish Catholic man fondly remembers being a paperboy in the same neighborhood for ten years until he was 20. An African American woman from Marin City explains why she'll never sell the quilts she makes. Another woman recalls kissing under the Golden Gate Bridge with the man who eventually became her husband. The book also utilizes more than 80 photographs from the narrators and the collections of local libraries, museums, and historical societies to complement the poignant, humorous, and revealing portraits of the people and places of the San Francisco Bay Area. **Strange But True San Francisco** Lisa Montanarelli, Ann Harrison, 2005. This new series will visit major US cities, bringing together their most bizarre news items, classic "strange but true" stories that reached the top, and finally sections of news reports worldwide. *San Francisco* Helene Goupil, Josh Krist, 2005. Arsenal's Unknown City series of alternative guidebooks designed for tourists and hometowners alike turns its attention to the City by the Bay, San Francisco, where stories of notorious murders, city hall scandals, and untold tales of Chinatown, Haight-Ashbury, and Castro Street share pages with secret dining pleasures, shopping meccas, and nightclub hotspots. From the Summer of Love back in the 1960s to the Winter of Love in 2004, when the mayor of San Francisco made the city the center of the nation's gay marriage debate, San Francisco has consistently been one of America's most colorful and offbeat urban oases. From pot dispensaries in the Lower Haight to the nightspots in the heavily Hispanic Mission district to private karaoke rooms in Japan Town, all of San Francisco's hidden nooks and crannies are exposed. There's info on the Castro district, the heartland of America's gay community, the city's hot restaurant scene, home to arguably the best dining in the nation, tidbits on nearby Napa wineries, multi-level sex clubs, and the alleged whereabouts of active opium dens. There's also the story of the confrontation between Orson Welles and William Randolph Hearst at the St. Francis Hotel when Hearst refused Welles' offer of tickets to the premiere of *Citizen Kane*, the legacy of Alcatraz and legendary prison escape attempts, and notes on San Francisco icons like the Golden Gate Bridge and the Transamerica Building. Ebullient and chock-a-block with facts and figures, this book raises a glass to life in the City by the Bay. Two color throughout includes a BART transportation route map.
