Subjective sensations of sight and sound Sir William Richard Gowers,1904 **The Films of Fred Schepisi** Brian McFarlane,2021-11-15 Fred Schepisi is one of the crucial names associated with the revival of the Australian film industry in the 1970s The Films of Fred Schepisi traces the lead up to his critical successes in feature filmmaking via his earlier award winning success as a producer in advertising commercials in the 1960s and the setting up of his own company Unlike some directors he derived from this experience a sure sense of the commercial aspects of filmmaking as well as its aesthetic considerations The volume also considers stories of his early education in a Catholic seminary which he drew on in his semiautobiographical film The Devil s Playground the success of which launched him as an exciting new feature director The volume expands on Schepisi s success story to chart his development as a director in demand in other countries notably in the US and the UK as well as continuing to make major films in Australia Brian McFarlane argues that Schepisi s career is symptomatic of Australian directors who have made their presences felt on the international stage Whereas other key directors of the Australian film revival such as Peter Weir and Bruce Beresford have been the subject of book length critical studies Schepisi s career has not to date been so explored McFarlane takes a critical account of Schepisi s film output including such standouts as The Chant of Jimmie Blacksmith Plenty Roxanne Six Degrees of Separation Mr Baseball and Last Orders and he augments analysis with interviews with the director By discussing the production histories and both critical and popular receptions McFarlane s study shines a new light on Schepisi s work and his rise to prominence in the global film industry *Encyclopedia of Motion Picture Sound* Marty McGee,2015-06-08 Ever since 1927 when The Jazz Singer broke the silence of the silver screen sound has played an integral role in the development and appreciation of motion pictures This encyclopedia covers the people processes innovations facilities manufacturers formats and award winning films that have made sound such a crucial part of the motion picture experience Every film that has won a sound related Academy Award is included here with detailed critical commentary Every sound mixer or editor who has been honored by the Academy has his or her own entry and filmography and career biographies are provided for key developers including Jack Foley Ray Dolby George Lucas and more **Sight and Sound** ,2006 *Music and Politics in San Francisco* Leta E. Poet in the Grandstand Thomas Porky McDonald, 2010-11-18 In the area of ballpark hopping there have been a number of accounts written recorded or talked about in recent times sometimes for a cause or others just as a gimmick Through *Poet in the Grandstand* poet and writer Thomas Porky McDonald gives us a most unique twist on a preoccupation which has grown in the past few decades in the wake of the closings of classic old yards and the birth of the more entertainment and nostalgia driven open air parks From his first trip in 1990 to the fabled Comiskey Park of Shoeless Joe Jackson Bill Veeck and the Go Go Sox on through to the 2010 opening of Minnesota's fabulous Target Field featuring the modern M M Boys Joe Mauer and Justin Mourneau McDonald offers up a book that is part travelogue and part poetic tribute to all the places that men and women have gone to

over the years for a very personal sense of joy This journey done methodically over two decades picks up steam as the chapters begin to flow The effect of McDonald himself clearly growing as a poet through the years is accentuated by the fact that more and more pieces are written in the later trips The end result is a most interesting volume of not just ballparks but Americana as numerous attractions taken in during those ballpark weeks and weekends are also noted and or dissected For fourteen seasons on his own and then six more accompanied by friend and confidant Adam Boneker McDonalds travels highlighted by over 300 poems can take the reader back to a simpler time or into the possibilities of the future In chapter and in verse Poet in the Grandstand has something for both the baseball enthusiast and the curious traveler Fans of the game and lovers of the road will each find much to offer within these pages **From Street to Table** Christian Lapastora,2020-12-31
