## Sanat Kumara Training A Planetary Logos:

The Story of Sanat Kumara : Training a Planetary Logos Vywamus (Spirit),1990      *The Story of Sanat Kumara* Janet McClure,1990-12-01 I Vywamus a being rather new to Earth would like to tell you a story of the way in which Earth is able to walk in great beauty through the wisdom and efforts of a great being whose name is Sanat Kumara the planetary logos of Earth This book is his story Let us view together how one becomes a planetary logos an administrator for Earth      The Complete Ascension Manual Joshua David Stone,1994-01-01 New age spirituality      **Cosmic Ascension** Joshua David Stone,1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth s history there is a new opening and potentiality to also begin one s cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book      The Handbook of spiritual Awakening Vywamus, Sanat Kumara, Lady Gaia, Rosalie Weiß, 2023-12-05 This handbook is for those who want to delve deeper into healing spirituality spiritual awakening and oneself who YOU ARE where you come from what soul essence YOU ARE and what you have to do on this planet For human beings and souls of divine light who want to know who they are on earth For souls who want to learn about the planet who want to know the depth of Mother Earth that they walk on and with every day For those of you who feel called as well as for those of you who are curious And for those of you who believe that they have already recognized a lot and have come a long way especially for spiritual coaches and companions this book is an ideal extension as it contains revelations of the spiritual world which clears up misunderstandings and completes the previous spiritual picture on earth This handbook is as the name suggests a compact reference work that focuses on the essentials All the necessary information at one glance in one book There is an explanation for every stage of development and there is a possible solution for every challenge Here everyone will find what they need on their spiritual path The handbook of spiritual awakening in the new era leads step by step with theoretical basics and practical meditation exercises from your own energy and chakra system the explanation of duality and polarity of the earth and human beings to protection and cleaning techniques of your own system the inner child of light Mother Earth and her elements towards a divine existence on earth The spiritual world of divine light serves as a spiritual dance partner and companion to yourself on earth Every soul in

a human vehicle is allowed to discover itself develop and take responsibility for its life actions and thoughts Most effective in harmony with heaven and earth This book explains the background and connections of the ascension process of Mother Earth and human beings It shows why things on earth are currently happening the way they are happening And it explains how this ascension process occurs globally Let s create a new earth BE YOURSELF      *How to Teach Ascension Classes* Joshua David Stone,1998-10-01 This book serves as an ideal foundation for teaching ascension classes and doing workshops The inner plane ascended masters have guided Dr Stone to put together this book using his Easy to Read Encyclopedia of the Spiritual Path as its foundation Here you will find an entire one to two year program of classes for teaching from one to hundreds of student initiates Teaching or setting up a class in your home to facilitate ascension realization is one of the most important services one could offer one s friends students and even family With this book it is easy Details on how to start and end every class are given as well as outlines for 132 classes Also included are suggestions on how to observe the major holy days that the inner plane ascended masters would like us to celebrate on Earth Using his teaching experience Dr Stone has also outlined all the logistical and third dimensional considerations that will come up The only tools a class leader needs would be his books and meditation tapes      *Within the Heart of God, I Am* Lucero Tello, MorningStar,2020-02-15 Within the Heart of God I Am is a true story about the mystical experiences and divine support that not only changed the author s life forever but propelled her to share it Here is the detailed description of how the voice of God makes itself heard in all of our lives and how the power resides within each of our hearts to hear it In this collection of stories about truth and love with the author our protagonist tells readers about how she started receiving divine messages after her Galactic family began making appearances in her photographs some of which are included in the book Here is the apparition of the Divine Feminine in the Himalayan mountains for example the hands of God in the sky and the encircled fourth pointed star indicating the Second Coming of the Christ among others The book s nine chapters synthesize each mystical event and the lesson associated with it She unpacks Led Zeppelin s Stairway to Heaven to understand the powerful message it imparts from Mother Mary which the author received while she was in Sedona Arizona along with a song she with Mother Mary s divine assistance composed in response Her virtues of unconditional love tenderness and compassion are desperately needed in our present world Along with the stories and photos there is information about the author s healing abilities and some testimonials Ultimately she would like to help the reader to recognize their own power to initiate the process of liberation through meditations exercises and practices that enhance one s life bringing liberation which is human s deepest desire after all The love of God is without exception we are galactic beings after all By raising our perception we may change our environment      [The Story of Creation](#) Dr. Joshua David Stone,2001-12-11 One of the most extraordinary books ever channeled and written on the true Story of Creation from the Ascended Masters perspective This book brings forth never before revealed information on the Story of Creation that will change your consciousness of self and life forever This is all channeled information of myself and a

great many of the greatest channels who have ever lived on this planet All this information is woven together into one of the most comprehensive compelling full spectrum prism perspectives on how Creation really occurred Absolutely must reading for all seekers of Self and God Realization     **A Beginner's Guide to the Path of Ascension** Joshua David Stone, Janna Shelley Parker, 1998 Three forces must come together for a planetary healing to occur The concept of the Sacred Triangle was introduced in David Miller's first book *Connecting with the Arcturians* which explored the fifth dimension and our relationship to higher Extraterrestrial groups This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing David offers the reader an understanding of the soul the nature of soul evolution and how the human species is advancing towards the next evolutionary step There will be many of you in this time who will be able to complete fantastic tasks If I would declare to you what I see you would be astonished that you could possibly carry out such tasks You must think that you have the ability to do this You have the personal power I ask you to look at the Sacred Triangle and see what role you can play in this Others will be very interested when you do     *Shamanic Secrets for Physical Mastery* Robert Shapiro, 2003-11-01 The fourth installment of the series tells of the incredible vehicle traveling with the Hale Bopp Comet four times the size of Earth and filled with lightbeings The book also covers the Montauk project the HAARP project and the uncreation of Hitler     *Scopes of Dimensions* Janet McClure, 1989-12-01 Vywamus explains the process of exploring and experiencing the dimensions He teaches an integrated way to utilize the combined strengths of each dimension It is a how to guidebook for living in the multidimensional reality that is our true selves     *Light Techniques That Trigger Transformation* Janet McClure, 1992-07-01 The cofounders of the Tibetan Foundation bring you the first of a new level of teachings techniques based on the technology of light Vywamus says I am a spiritual teacher light energy if you will who has seen and been inspired to come to Earth by the light energy of your planet Through the process of evolution the planet approaches the fourth dimension and thus has awakened responses from the fourth dimensional perspective that are now adding light to it There is a basic level of learning that has already been accepted that transcends anything else ever before within the history of your planet and this includes that light civilization called Egypt Many of you are beginning to utilize those abilities you used in Egypt Light is the carrier of receptivity and it cannot evolve until the receptivity area is lit up until your heart is acknowledged as the means to light up the ways to create your life and your part of the Creator's plan for Earth Each time you relate and discover through a light exercise a way to unite the conceptual emotional spiritual and physical you will have lit up a possibility that can then transcend in a very practical manner those areas that have seemed difficult or not yet clear in your life This book is a very practical tool in using light to transcend because it has lit up a clearer perspective     **The Source Adventure** Janet McClure, 1998-12-01 Life is discovery and this book is a journey of discovery to learn to grow to recognize the opportunities to be aware It asks the big question Why am I here and leads the reader to examine the most significant questions of a

lifetime     **Dragons and Chariots** Wes Bateman,1991-06-01 An Explanation of Extraterrestrial Spacecraft and Their Propulsion Systems Introduction to Saucer Propulsion Gravity The Interplanetaries The Dragon The Dragon Seeds Manipulated Light The Interstellar Motherships The Intergalactic Motherships     Mahatma I & II Brian Grattan,1994-01-01 What all of humankind has learned in the past about creation is the way that existence isn't a paradox I Vywamus think that this Mahatma is the most important thing that's happened on your Earth and for humanity Awaken and realize that all of humankind will create a body for ascension whether this is accomplished now or later This is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journeys When humans lift the veils of their unworthiness and recognize that they are the sons of God that there is divine equality and no one is greater than another then you will have begun your journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past humankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if humankind is going to remain on Earth very drastic shifts of consciousness will be required in Earth's new four dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual lightbody for ascension and it also explains your eternal journey in a way that was never before available to humankind

AHA! The Realization Book Janet McClure,Lillian Harben,1997-06-01 What is a realization It is bringing together making real and understanding where you are now with respect to a certain area of your life usually a certain large area in your life Suddenly something that you didn't see or understand previously becomes crystal clear especially to the mental body If you recognize that you create your own life from your beliefs about yourself and this book is based on that premise then you know also that you can change your life improve it by changing the beliefs that are not serving you well Usually however to make a complete change it is necessary to recognize or realize more than just mentally Your emotional body's beliefs and needs must be met The emotional body needs to feel supported as you change this pattern The emotional works through feelings and symbols but its conclusions are just as valid just as meaningful and even more powerful than the mental conclusions In this book I Vywamus have given many possible causes of a lot of undesirable or unclear circumstances that you may be mirroring in your life You can read the sections and see if they seem to apply to what you are mirroring into your life from your beliefs If you are manifesting into your life in a way that is not clear then reading this book may give you a light bulb or a realization that you are holding a specific erroneous belief     *Complete Ascension Index* Joshua David Stone,2002-11-01 This companion volume to the groundbreaking Encyclopedia of the Spiritual Path series will allow you
