Sanctity and Male Desire

Donald Boisvert

Sanctity And Male Desire A Gay Reading Of Saints

Edward Cletus Sellner

Sanctity And Male Desire A Gay Reading Of Saints:

Sanctity and Male Desire Donald L. Boisvert, 2004 Human desire is a path to spiritual wholeness says author Donald Boisvert in this unusual look at how saints and one's devotion to them can be sites for the confirmation and celebration of homoerotic desire The author comes to the topic as a gay scholar of religion and draws upon his own experience of saints including his years in seminary beginning at age 13 Saints can inspire desire and through eclectic readings of their lives and imagery the author suggests meanings and strategies attached to the emergence of same sex attraction The book contains 12 chapters that focus on saints including Michael the Archangel Sebastian and Tarcisius John the Baptist Joseph Paul and Augustine the Ugandan and North American martyrs Francis of Assisi Dominic Savio and other boy saints Damien and the missionary saints Peter Julian Eymard and the Eucharist and gay saints Men and Masculinities in Christianity and Judaism Bjorn Krondorfer, 2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men's privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study **Gay Catholic Priests and Clerical Sexual Misconduct** Donald Boisvert, Robert Goss, 2021-03-04 Why did it take 30 years for American bishops to listen to the victims of Catholic clerical abuse Gay Catholic Priests and Clerical Sexual Misconduct Breaking the Silence is a compelling indictment of Roman Catholic teachings on homosexuality and sexuality Inspired by The Silence of Sodom Homosexuality in Modern Catholicism Mark Jordan's controversial examination of homoeroticism in American Catholic culture this groundbreaking book examines how the current crisis of clerical abuse affects and stigmatizes gay priests living in a climate of hysteria and condemnation The book's contributors an eclectic mix of scholars and clerics question whether the church can survive centuries of secrets and scandals In the wake of very real concerns about a possible inquisition launched by the Catholic Church against its gay members Gay Catholic Priests and Clerical Sexual Misconduct continues the efforts of the Gay Men's Issues in Religion Group of the American Academy of Religion to honor the work of Mark Jordan who contributes his thoughts on the issues raised by the book A panel of former Jesuits a former seminarian with the Congregation of the Blessed Sacrament a Dominican a Franciscan and several feminist authors present different perspectives on gay priests clerical ecclesial misogyny games of power and abuse and religious scapegoating writing with eloquence and pain a great deal of pride and a touch of justifiable divine righteousness Gay Catholic Priests and Clerical Sexual Misconduct includes Celibate Men Ambivalent Saints and Games of Desire A Call to Liberation of Gay Catholic Clergy Speaking Loud or Shutting Up The Homosexual type Problem Those Troubling Gay Priests Catholicism and a Crisis of Intimate Relations and much more Gay Catholic Priests and

Clerical Sexual Misconduct Breaking the Silence is an invaluable resource for academics members of the clergy seminarians chaplains and counselors and anyone interested in homosexuality and religion Male Confessions Björn Krondorfer, 2009-12-03 Male Confessions examines how men open their intimate lives and thoughts to the public through confessional writing This book examines writings by St Augustine a Jewish ghetto policeman an imprisoned Nazi perpetrator and a gay American theologian that reflect sincere attempts at introspective and retrospective self investigation often triggered by some wounding or rupture and followed by a transformative experience Krondorfer takes seriously the vulnerability exposed in male self disclosure while offering a critique of the religious and gendered rhetoric employed in such discourse The religious imagination he argues allows men to talk about their intimate flawed and sinful selves without having to condemn themselves or to fear self erasure Herein lies the greatest promise of these confessions by baring their souls to judgment these writers may also transcend their self imprisonment **New Approaches in History and Theology to Same-Sex Love and Desire** Mark D. Chapman, Dominic Janes, 2018-02-15 This book offers a range of interdisciplinary evaluations of the history of same sex relationships in the Church as they have been understood in different periods and contexts The relationships between diverse forms of religious and sexual identities have been widely contested in the media since the rise of the lesbian and gay liberation movement in the 1970s One of the key images that often appears in public debate is that of lesbians and gays in the Church as a significant problem Research over the past forty years or so into queer theology and the history of same sex desire has shown that such issues have played an important role in the story of Christianity over many centuries The contributors to this volume have all been inspired by the challenges of such revisionist study to explore religion and same sex desire as a field of opportunity for investigation and debate They uncover some of the hidden histories of the Church and its theologies they tell sometimes unexpected stories many of which invite serious further study It is quite clear through history that some in the churches have been at the vanguard of legislative and social change Similarly some churches have offered safe queer spaces Overall these essays offer new interpretations and original research into the history of sexuality that helps inform the contemporary debate in the churches as well as in the academy Gay Perspective Edwin Clark Johnson, Toby Johnson, 2008 In this companion volume to his critically acclaimed Lambda Literary Award winning book Gay Spirituality Toby Johnson further explicates his visionary stance that gay people s nature as outsiders gives them a uniquely powerful perspective on the nature of God and religion By living outside gender norms gay people are more open to seeing across boundaries of gender and gain access to a less dualistic outlook on the nature of life Once again Johnson approaches this potentially controversial subject matter with erudition empathy and visionary speculation and gives meaning to gay consciousness beyond superficial issues of sexual behavior *Radical Love* Patrick S. Cheng, 2011-03 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and

Asian American theology and a wide variety of academic and general introductions exist to examine each one. However, *Radical Love* is the first introductory textbook on the subject of queer theology. In this lucid and compelling introduction, Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework. Topics include revelation, God, Trinity, creation, Jesus, Christ, atonement, sin, grace, Holy Spirit, church, sacraments, and last things as seen through the lenses of LGBT theologians.

More than a Monologue: Sexual Diversity and the Catholic Church J. Patrick Hornbeck II, Michael A. Norko, 2014-03-03. This volume, like its companion *Voices of Our Times*, collects essays drawn from a series of public conferences held in autumn 2011 entitled *More than a Monologue*. The series was the fruit of collaboration among four institutions of higher learning: two Catholic universities and two nondenominational divinity schools. The conferences aimed to raise awareness of and advance informed, compassionate, and dialogical conversation about issues of sexual diversity within the Catholic community as well as in the broader civic worlds that the Catholic Church and Catholic people inhabit. They generated fresh, rich sets of scholarly and reflective contributions that promise to take forward the delicate work of theological, ethical, and ecclesial development. Along with *Voices of Our Times*, this volume captures insights from the conferences and aims to foster what the Jesuit Superior General Fr. Adolfo Nicolás has called the depth of thought and imagination needed to engage effectively with complex realities, especially in areas marked by brokenness, pain, and the need for healing. The volumes will serve as vital resources for understanding and addressing better the too often fraught relations between LGBTQ, lesbian, gay, bisexual, transgender, and queer persons, their loved ones and allies, and the Catholic community.

Inquiry, Thought, and Expression explores dimensions of ministry, ethics, theology, and law related to a range of LGBTQ concerns, including Catholic teaching, its reception among the faithful, and the Roman Catholic Church's significant role in world societies. Within the volume, a series of essays on ministry explores various perspectives not frequently heard within the church. Marriage equality and the treatment of LGBTQ individuals by and within the Roman Catholic Church are considered from the vantage points of law, ethics, and theology. Themes of language and discourse are explored in analyses of the place of sexual diversity in church history, thought, and authority. The two volumes of *More than a Monologue*, like the conferences from which they developed, actively move beyond the monologic voice of the institutional church on the subject of LGBTQ issues, inviting and promoting open conversations about sexual diversity and the church. Those who read *Inquiry, Thought, and Expression* will encounter not just an excellent resource for research and teaching in the area of moral theology but also an opportunity to actively listen to and engage in groundbreaking discussions about faith and sexuality within and outside the Catholic Church.

Homosexuality and Religion Jeffrey S. Siker, 2006-11-30. Few issues today cause more public and private debate than the interaction of homosexuality and religion. From the question of gay marriage to the place of gays and lesbians within faith communities, religious leaders and lay members must deal with these issues for now and for years to

come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality My Best Teachers Were Saints Susan H. Swetnam,2009-04-30 Discipline problems self doubt tense meetings classroom stress Couldn t every teacher use some saintly help Every teacher can think of at least one mentor who has served as an inspiration over the years However many teachers even those with a Catholic faith might not have considered that saints can serve as mentors Author and teacher Susan H Swetnam believes that saints aren t only good teachers they re the best teachers In *My Best Teachers Were Saints* Swetnam focuses on fifty two saints many of them teachers who faced challenges similar to those that nearly all educators face today from indifferent students and recalcitrant colleagues to their own limitations and feelings of isolation With the examples of saints such as Augustine Ignatius of Loyola and Scholastica Swetnam eagerly shares how their words and deeds helped immensely in her own career as a teacher and how they can aid and inspire other educators as well Anyone involved in education whether teaching religion or mathematics kindergartners or graduate students will discover within these pages a treasure trove of saintly help that is sure to prove that the best teachers are in fact saints *The Double* Edward Cletus Sellner,2013 Drawing upon theology Jungian psychology literature and the history of Christian spirituality this book shows how same sex desire can be reflected in those close intimacy between gay men Queering Christianity Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices **The Death and Afterlife of the North American Martyrs** Emma Anderson,2013-11-18 In the 1640s eight Jesuits met a terrifying death at the hands of native antagonists In 1930 they were canonized as North America s first saints The Death and

Afterlife of the North American Martyrs illuminates these seminal acts of violence and charts their ever changing controversial legacy or afterlife across almost four centuries *Out of Time* Rahul Rao, 2020 Between 2009 and 2014 an anti homosexuality law circulating in the Ugandan parliament came to be the focus of a global conversation about queer rights The law attracted attention for the draconian nature of its provisions and for the involvement of US evangelical Christian activists who were said to have lobbied for its passage Focusing on the Ugandan case this book seeks to understand the encounters and entanglements across geopolitical divides that produce and contest contemporary queerphobias It investigates the impact and memory of the colonial encounter on the politics of sexuality the politics of religiosity of different Christian denominations and the political economy of contemporary homophobic moral panics In addition *Out of Time* places the Ugandan experience in conversation with contemporaneous developments in India and Britain three locations that are yoked together by the experience of British imperialism and its afterlives Intervening in a queer theoretical literature on temporality Rahul Rao argues that time and space matter differently in the queer politics of postcolonial countries By employing an intersectional analysis and drawing on a range of sources Rao offers an original interpretation of why queerness mutates to become a metonym for categories such as nationality religiosity race class and caste The book argues that these mutations reveal the deep grammars forged in the violence that founds and reproduces the social institutions in which queer difference struggles to make space for itself *Unlocking Orthodoxies for Inclusive Theologies* Robert E. Shore-Goss, Joseph N. Goh, 2019-11-28 This book enters a new liminal space between the LGBTQ and denominational Christian communities It simultaneously explores how those who identify as queer can find a home in church and how those leading welcoming or indeed unwelcoming congregations can better serve both communities The primary argument is that queer inclusion must not merely mean an assimilation into existing heteronormative respectability and approval Chapters are written by a diverse collection of Asian Latin American and U S theologians religious studies scholars and activists Each of them writes from their own social context to address the notion of LGBTQ alternative orthodoxies and praxes pertaining to God the saints failure of the church queer eschatologies and erotic economies Engaging with issues that are not only faced by those in the theological academy but also by clergy and congregants the book addresses those impacted by a history of Christian hostility and violence who have become suspicious of attempts at acceptance It also sets out an encouragement for queer theologians and clergy think deeply about how they form communities where queer perspectives are proactively included This is a forward looking and positive vision of a more inclusive theology and ecclesiology It will therefore appeal to scholars of Queer Theology and Religious Studies as well as practitioners seeking a fresh perspective on church and the LGBTQ community *Contemporary Theological Approaches to Sexuality* Lisa Isherwood, Dirk von der Horst, 2017-08-23 *Contemporary Theological Approaches to Sexuality* provides a much needed overview of the state of scholarship on Christian theological reflection on sexuality and sexual theology Critically it also intervenes in the cultural debate over sexuality by

privileging feminist queer and other counter normative perspectives Comprising twenty three chapters by a team of international contributors this volume is divided into four parts Normativity and transgression Bodies Economies and violence Divinity Within these sections central issues debates and problems are examined including consideration of the complexities of Christian theology in regard to contemporary sexuality debates Contemporary Theological Approaches to Sexuality is essential reading for students and researchers in the field of religion sexuality and Christianity *Ministry Among God's Queer Folk, Second Edition* Bernard Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care Queer Religion Donald Boisvert, Jay E. Johnson, 2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture Queer Religion provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume collection of eclectic essays investigates the experiences of queer people and religion providing a broad unique and invaluable analysis of this important cultural and theological encounter As a group the contributors offer brave insights and diverse perspectives on a variety of topics dealing with religion same sex desire and gender expression Some of these essays are explicitly historical in focus or scholarly articles while others provide autobiographical viewpoints and personal reminiscences This book provides a comprehensive look at the queer dimensions of religious practice and belief essential reading for religious scholars those within the LGBT community and anyone interested in human spirituality and sexuality Theologies of the 21st Century David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic **The Advocate** , 2004-10-12 The Advocate

is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
