H. Wright, 1992 The wealth of excavation in Cyprus conducted across a period of nearly a century and a half has revealed much evidence of ancient building of all functional categories This picture extends over a vast range of time ca 10 000 years since Cyprus is probably the place where the earliest substantial building known the Neolithic round house style is better presented than anywhere else in the world It is the aim of this book to set forth and document the building tradition which hitherto has received no detailed exposition The book will fill several gaps in the library shelves at one and the same time architectural history that presents all the archaeological evidence **Ezekiel** LaMar Eugene Cooper, 1994-04-05 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition **Hebrews** John F. MacArthur, 2016-06-28 Pastor John MacArthur will take you through the book of Hebrews passage by passage so that you can better understand the author's message the cultural context and the perfect sufficiency of Christ The early Jewish believers had come from a background of legalism and works When God came to earth in human flesh as the New Covenant these believers discovered the freedom they could have in Jesus and the relationship they could enjoy with Him Yet in the midst of persecution and rejection they were often tempted to hold on to the former symbols rituals and traditions grounded in the requirements of the Old Covenant The unknown author of Hebrews sought to address this problem by contrasting the Old and New Covenants brilliantly showing that Christ is higher than any Old Testament character priest ritual or sacrifice Because of Jesus life death and resurrection He is the perfect sacrifice and our own High Priest And He has given all believers unfettered access to God ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts **Exposition of the Old and New Testament** Matthew Henry, J. B. Williams, 1828 *An Introduction to the Literature of the Old Testament* Samuel Rolles Driver, 1908 *Elohim within the Psalms* Terrance Randall Wardlaw, Jr., 2015-02-26 The issue of the so called Elohist Psalter has intrigued biblical scholars since the rise of the historical critical enterprise Scholars have attempted to discover why the name Elohim is used almost exclusively within

Pss 42 83 and in particular they have attempted to identify the historical circumstances which explain this phenomenon Traditionally an original Yhwh was understood to have been replaced by Elohim Frank Lothar Hossfeld and the late Erich Zenger propose that the use of the title Elohim is theologically motivated and they account for this phenomenon in their redaction historical work Wardlaw here builds upon their work 1 by integrating insights from Dell Hymes William Miles Foley and Susan Niditch with regard to oral traditional cultures and 2 by following the text linguistic approach of Eep Talstra and Christof Hardmeier and listening to canonical texture as a faithful witness to Israel s religious traditions Wardlaw proposes that the name Elohim within the Psalms is a theologically laden term and that its usage is related to pentateuchal traditions

Atlantic Reporter ,1906 **Ancient Building in Cyprus** G.R.H. Wright,2022-11-07 The wealth of excavation in Cyprus conducted across a period of nearly a century and a half has revealed much evidence of ancient building of all functional categories Whereas the earlier excavation concerned mainly funerary and religious contexts more recent work has endeavoured to clarify the whole range of building in Cyprus This picture extends over a vast range of time ca 10 000 years since Cyprus is probably the place where the earliest substantial building known the Neolithic round house style is better presented than anywhere else in the world Certainly it was immeasurably longer lived in Cyprus than in any other region of the ancient world This longevity of tradition became a proverbial aspect of the Cypriote character It is the aim of this book to set forth and document this building tradition which hitherto has received no detailed exposition After preliminary geographical and historical introductions the ancient building of Cyprus has been surveyed and analysed from the following view points its historical development its design its construction and its foreign connections Because of the extensive and detailed coverage every effort has been made to facilitate the use of the book equally as a treatise and as a work of instant reference e g by way of introductory pr cis list of general references running titles to pages and marginal rubrics The book is also virtually a double treatment of the subject since a separate volume contains specially drawn illustrations arranged with captions on the facing pages which themselves constitute an incisive coverage of the subject matter The book will fill several gaps in the library shelves at one and the same time architectural history that presents all the archaeological evidence The print edition is available as a set of two volumes 9789004095472 **Leviticus and Numbers (Teach the Text**
