## **Sandi Patti Choral Praise:**

**Saved by Song** Don Cusic, 2012-09-25 *Saved by Song* returns to print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel music advanced through the nineteenth century. The twentieth century brought the technologies of recordings and the electronic media to gospel music. *Saved by Song* is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.

**Encyclopedia of Contemporary Christian Music** Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music covering its historical roots and dramatic growth into one of America's most vital music genres. *The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship* is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. It fills a major gap in the literature on American music and Christian culture, looking at this increasingly popular genre in the context of the overall history of religious music in the United States. With over 200 entries, *The Encyclopedia of Contemporary Christian Music* covers important performers and industry figures, songs and albums, concerts and festivals, the rise of Christian radio and television, and other issues related to the growth of inspirational music. Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music, with musicians such as Elvis, Sam Cooke, Johnny Cash, Bob Dylan, and U2. The work also examines the use of fundamental rock, pop, and rap music templates in the service of songs of faith.

**Hot Hits** Jeffrey Lee Brothers, 2003-07 *Til Death* explores the conflict that male and females experience in relationships, especially marriage. Part one examines the theological and moral aspects of male and female relationships. Part two is a love story where differing moral values clash and its consequences.

**Gospel Music Networking Guide**, 2000 **The Almanac of the Christian World** Edythe Draper, 1992 This second edition now offers even more to families, students, researchers, or those just looking for some interesting reading. Includes national and international news events of 1991, schedules of conventions and crusades, book, music, leadership, magazine, and video award winners, lists of Christian schools, foundations, churches, and other organizations, and more.

**Sacred Choral Music in Print** Gary S. Eslinger, F. Mark Daugherty, 1992 **Sacred Choral Music in Print**, 1992 **Christian Music Networking Guide**, 1997

**The Gospel and Contemporary Christian Music Networking Guide**, 2002 **The Almanac of the Christian World**
