ONCE UPON A TIME There was a Little Fairy who loved to wander by the river and as the Fairy Queen does not like her subjects to go too near the water the Little Fairy had to steal away Always when they held a revel this Little Fairy would fly away from the dance and wander down by the river to watch the ripple of the water as it flowed over the pebbles and stones One night a Goblin who always watched the fairies happened to be sitting under a bush and saw the Little Fairy What is she doing here all alone he said to himself She has run away from her sisters and I am quite sure the Queen does not know where

she is I ll watch her and if she is up to mischief I ll tell the Queen Maybe she will give me a new red coat for telling her Now this little tell tale Goblin began to watch and pretty soon he saw a mist rise from the river then it looked like foam all silvery in the moonlight And then suddenly as he watched the goblin saw a handsome youth rise from the river and hold out his arms to the Little Fairy standing on the bank Ah ha said the Goblin She has a lover has she Well I ll tell the Queen and I guess these midnight meetings will be stopped and I am sure now I shall get a new coat for telling The River Youth called to the Fairy just then and the Goblin forgot the red coat to watch what happened Sandman David W.
