The Logic of Our Language Rodger L. Jackson,Melanie L. McLeod,2014-11-04 The Logic of Our Language teaches the practical and everyday application of formal logic Rather than overwhelming the reader with abstract theory Jackson and McLeod show how the skills developed through the practice of logic can help us to better understand our own language and reasoning processes The authors goal is to draw attention to the patterns and logical structures inherent in our spoken and written language by teaching the reader how to translate English sentences into formal symbols Other logical tools including truth tables truth trees and natural deduction are then introduced as techniques for examining the properties of symbolized sentences and assessing the validity of arguments A substantial number of practice questions are offered both within the book itself and as interactive activities on a companion website **Naming and Indexicality** Gregory Bochner,2021-12-09 This book provides an accessible comprehensive and critical overview of theories of linguistic reference and meaning in the 20th century **Reverse English Dictionary** Gustav Muthmann,2010-12-14 Rather than presenting a reverse list of words in endless sequence and strictly alphabetical order this Reverse English Dictionary considers the structure and formation of words grouping them together in sections and subdivisions This way of looking at words from behind and comparing similar word endings reveals new and unaccustomed aspects of the structure of words and their formation illustrating the enormous variety of the English language *The True Story of Santa Claus* Janet Giovanelli,2020-10-13 He s a symbol of hope and hapiness of generosity and benevolence Santa Clause is simply one of the most beloved legends ever embraced The Story of Santa explores the history of Father Christmas Who is he really Where did he come from His origins may surprise you Why does he fulfill our wishes And what can we learn from him He s become a ubiquitous figure during the Christmas season with his white beard red suit and prominent belly but just how much do those celebrating the happy holiday really know about Santa Claus Here is the whole story from the beginning including the pre Santas like Sinterklaas Father Christmas and of course St Nicholas This beautifully illustrated book celebrates all things Santa ranging from the much loved poem The Night Before Christmas to the songs movies images and stories that are loved by both young and old Along the way it explores the favorite stories that have sprung up around him including Santa s elves his workshop Santa s beloved reindeer and the legend of Mrs Claus and the North Pole abode where she and her husband make their home You ll even learn the secret to how Santa has time to visit every house around the world in just one night a mathematician explains how it s physically possible *Hip Hop Culture* Emmett G.
