DK Eyewitness Travel Guide: Spain DK,2014-04-01 DK Eyewitness Travel Guide Spain is your indispensable guide to this beautiful part of the world The fully updated guide includes unique cutaways floor plans and reconstructions of the must see sights along with street by street maps of key cities and towns The uniquely visual DK Eyewitness Travel guide will help you to discover everything region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to the best hotels restaurants bars and shops for all budgets Detailed transportation and other practical information will help you to get around easily by train bus or car What's new in DK Eyewitness Travel Guides New itineraries based on length of stay regional destinations and themes Brand new hotel and restaurants listings including DK's Choice recommendations Restaurant locations plotted on redrawn area maps and listed with sights Redesigned and refreshed interiors make the guides even easier to read With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Spain truly shows you this destination as no one else can Now available in PDF format *Politics and the Art of Commemoration* Katherine Hite,2013-06-17 Memorials are proliferating throughout the globe States recognize the political value of memorials memorials can convey national unity a sense of overcoming violent legacies a commitment to political stability or the strengthening of democracy Memorials represent fitful negotiations between states and societies symbolically to right wrongs to recognize loss to assert distinct historical narratives that are not dominant This book explores relationships among art representation and politics through memorials to violent pasts in Spain and Latin America Drawing from curators art historians psychologists political theorists holocaust studies scholars as well as the voices of artists activists and families of murdered and disappeared loved ones *Politics and the Art of Commemoration* uses memorials as conceptual lenses into deep politics of conflict and as suggestive arenas for imagining democratic praxis Tracing deep histories of political struggle and suggesting that today's commemorative practices are innovating powerful forms of collective political action this work will be of great interest to students and scholars of international relations Latin American studies and memory studies P-Z Library of Congress. Office for Subject Cataloging Policy,1990 **Symbolism and Politics** Graeme Gill,Luis F. Angosto-Ferrandez,2020-05-21 *Symbolism and Politics* is a timely intervention into ongoing debates around the function of political symbols in a historical period characterized by volatile electoral behaviour fragmented societies in search of collective identifications and

increasingly polarized political models Symbols are central features of organized human life helping to define perception shaping the way we view the world and understand what goes on within it But despite this key role in shaping understanding there is never a single interpretation of a symbol that everyone within the community will accept and the way in which symbols can mobilize antagonistic political factions demonstrates that they are as much a central element in power struggles as they are avenues to facilitate processes of identification This dual potential is the object of discussion in the chapters of this book which sheds new light on our understanding of the political function of symbols in a historical period Symbolism and Politics will be of great interest to scholars working on Political Symbols Nationalism Regime Change and Political Transitions The chapters originally published as a special issue of Politics Religion Ideology Library of Congress Subject Headings Library of Congress.
