Savannah Duels and Duellists, 1733-1877 Thomas Gamble,1923 [Savannah Duels and Duellists, 1733-1877](#)
Thomas Gamble,1997-01-01 **Savannah Duels and Duellists, 1733-1877 by Thomas Gamble** Review Publishing and
Printing Company, Savannah, Ga,1923 **Homicide in American Fiction, 1798-1860** David Brion Davis,2018-03-15
Homicide has many social and psychological implications that vary from culture to culture and which change as people
accept new ideas concerning guilt responsibility and the causes of crime A study of attitudes toward homicide is therefore a
method of examining social values in a specific setting Homicide in American Fiction 1798 1860 is the first book to contrast
psychological assumptions of imaginative writers with certain social and intellectual currents in an attempt to integrate
social attitudes toward such diverse subjects as human evil moral responsibility criminal insanity social causes of crime
dueling lynching the unwritten law of a husband s revenge and capital punishment In addition to works of literary distinction
by Cooper Hawthorne Irving and Poe among others Davis considers a large body of cheap popular fiction generally ignored in
previous studies of the literature of this period This is an engrossing study of fiction as a reflection of and a commentary on
social problems and as an influence shaping general beliefs and opinions *Mornings on Horseback* David
McCullough,2007-05-31 The National Book Award winning biography that tells the story of how young Teddy Roosevelt
transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the
United States told by master historian David McCullough *Mornings on Horseback* is the brilliant biography of the young
Theodore Roosevelt Hailed as a masterpiece John A Gable Newsday it is the winner of the Los Angeles Times 1981 Book Prize
for Biography and the National Book Award for Biography Written by David McCullough the author of Truman this is the
story of a remarkable little boy seriously handicapped by recurrent and almost fatal asthma attacks and his struggle to
manhood an amazing metamorphosis seen in the context of the very uncommon household in which he was raised The father
is the first Theodore Roosevelt a figure of unbounded energy enormously attractive and selfless a god in the eyes of his small
frail namesake The mother Mittie Bulloch Roosevelt is a Southerner and a celebrated beauty but also considerably more
which the book makes clear as never before There are sisters Anna and Corinne brother Elliott who becomes the father of
Eleanor Roosevelt and the lovely tragic Alice Lee TR s first love All are brought to life to make a beautifully told story filled
with fresh detail The New York Times Book Review A book to be read on many levels it is at once an enthralling story a
brilliant social history and a work of important scholarship which does away with several old myths and breaks entirely new
ground It is a book about life intensely lived about family love and loyalty about grief and courage about blessed mornings on
horseback beneath the wide blue skies of the Badlands *Old Petersburg and the Broad River Valley of Georgia* E. Merton
Coulter,2021-10-15 *Old Petersburg and the Broad River Valley of Georgia* details colonial life at Petersburg Georgia at the
junction of Broad and Savannah Rivers A town that grew flourished and eventually disappeared Petersburg was once a

valuable and unique outlet for river trade This volume highlights various aspects of this river town including its founding politics businesses and religious practices The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities

Dueling in the Old South Jack Kenny Williams, 1980 This history of the social custom of pistol dueling in the antebellum South documents the rules for its conduct its causes and its typical participants Also included is a popular dueling code from the year 1838 by John Lyde Wilson one time governor of South Carolina From publisher description

Princetonians, 1784-1790 Ruth L. Woodward, Wesley Frank Craven, 2014-07-14 These volumes the fourth and fifth complete the series of biographical sketches of students at Princeton University the College of New Jersey in colonial times They cover pivotal years for both the nation and the College In 1784 the war with England had just ended Nassau Hall was still in a shambles following its bombardment and the College was in financial distress It gradually regained financial and academic strength and the Class of 1794 graduated in the year of the death of President John Witherspoon one of the most important early American educators The introductory essay by John Murrin editor of the series since 1981 explores the postwar context of the College The two volumes contain biographies of 354 men who attended with the classes of 1784 through 1794 and two other students whose presence at the College in earlier years has only now been demonstrated During these years Princeton accounted for about an eighth of all A B degrees

granted in the United States It was the young republic s most national college although it had nearly lost its New England constituency and was instead beginning to draw nearly 40 percent of its students from the South Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Concealed Weapon Laws of the Early Republic** Clayton E.

Cramer,1999-08-30 Cramer s work examines the motivations and legislative history behind the nation s first laws regulating the carrying of concealed deadly weapons and establishes a previously unexplored link between these laws and efforts to suppress dueling in the southern back country Earlier attempts to analyze these laws focused upon efforts to maintain slavery by severely restricting the rights of free blacks if free blacks could not possess arms and lacked other basic rights slaves would be less inclined to seek their freedom Cramer rejects such thinking by demonstrating that the concealed weapon laws of the early republic were not racially motivated He further supports the work of other scholars who have lately examined the role of Scots Irish immigrants in creating a distinctive southern back country culture of honor violence including dueling and brawling It was the attempt to control such violence Cramer argues that led to the concealed weapons laws Thus rather than considering gun control laws primarily as legal or constitutional history this study starts from a cultural and historical viewpoint Southern state legislatures sought to improve the morals of their back country population through increasingly severe punishments for dueling When judges and juries regularly refused to convict duelists these legislatures created extrajudicial punishments by requiring elected and appointed officials as well as lawyers to swear oaths of non participation in dueling Young men obsessed with honor and reluctant to perjure themselves for fear of damaging their public reputation soon took to carrying Bowie knives and handguns with which to kill those who insulted them a perfectly honorable action to much of the population The state legislatures then severely regulated carrying of concealed deadly weapons in the hope of suppressing the bloody results of what had been until then an accepted practice **Union**

Lamplugh,2015-06-24 George R Lamplugh a historian of Georgia and the South explores some of his home states most fascinating historical events beginning with the American Revolution and continuing through the 1850s in this well researched collection of essays He covers political factionalism during the American Revolution the development of political parties in Georgia which was different from the process in other states and the impact of the Yazoo Land Fraud on Georgias

political development Some of the most fascinating essays focus on the maneuverings of individual politicians such as William Few who was determined to exert local influence after the American Revolution by having the Richmond County courthouse and jail and hence the county polling place constructed in the settlement of Brownsborough rather than in Augusta More complex issues get equal treatment such as how after the War of 1812 political parties in Georgia began to slowly adopt policies that were popular in other states even though that meant hurting Creeks Cherokees and slaves While Georgia didnt always live up to democratic ideals its political history teaches us a lot about our past and possible future
