Show Me The Future:

The Future Show Deborah Pearson, 2015-11-04 The Future Show is a piece that tells the story of Deborah's future starting from the end of the performance and going until the end of her life that is consistently re-written to be both site and time specific. It is a Sisyphean task of a show examining the mundane, the uncertain and the fragility of our futures. The Future Show toured internationally for two years with a new script written for every iteration. It has been performed in the USA, Canada, Belgium, Portugal, Poland, Ireland and throughout the UK. With an Introduction by Tim Etchells, Founder of Forced Entertainment, The Future Show was developed with a grant from Arts Council England and with support in kind from BAC, Amhurst Republic and MAKE in Ireland.

My Future Is in America Jocelyn Cohen, Daniel Soyer, 2005-12-01 Masterful gripping immigrant narratives. A must read for anyone interested in immigration, American history or the Jewish experience in America. Beth S. Wenger, Katz Family Chair in American Jewish History, University of Pennsylvania. In 1942 the YIVO Institute for Jewish Research held a contest for the best autobiography by a Jewish immigrant on the theme 'Why I Left the Old Country and What I Have Accomplished in America'. Chosen from over two hundred entries and translated from Yiddish, the nine life stories in *My Future Is in America* provide a compelling portrait of American Jewish life at the turn of the twentieth century. The writers arrived in America in every decade from the 1890s to the 1920s. They include manual workers, shopkeepers, housewives, communal activists and professionals from all parts of Eastern Europe. In their own words, the immigrant writers convey the complexities of the transition between the Old and New Worlds. An introduction places the writings in historical and literary context and annotations explain historical and cultural allusions made by the writers. This unique volume introduces readers to the complex world of Yiddish speaking immigrants while also elucidating important themes and topics of interest to those in immigration studies, ethnic studies, labor history and literary studies. Published in conjunction with the YIVO Institute for Jewish Research. A treasure trove. The masterful translations rendered by Cohen and Soyer capture the lyric, sophisticated and often times profound dimensions of the writers' contributions. Belongs in every library collection where it will update and complement classics like *A Bintel Brief* and *World of Our Fathers*. Mark A. Raider, author of *American Jewish Women* and *The Zionist Enterprise* and *The Plough Woman*. Records of the Pioneer Women of Palestine.

An essay on the sin and evils of covetousness Thomas Dick,1859 *Jesus of the Future* Alexander C. Parker,2013-10-15 Jesus of the Future is a novel presenting a totally different option for stories about God and Jesus it takes you through a fictional creation and several well know Bible stories Each provides a different view from what you find in the Holy Bible but with a somewhat same conclusion there is an extensive disclaimer that acknowledges the Holy Bible as true and that no part of the novel is to take the place of the actual Word of God as is in the Holy Bible There is an extraterrestrial portion in which a human man and a visitor from another world become friends from this comes the ability to create the first and totally genetically artificial life form which becomes Jesus Another section describes how Jesus is born is raised lives and dies it offers a continuous message of salvation Again it presents a totally

different way for Jesus to have lived even so He does die for the sins of mankind by crucifixion and the final part tells of the return and promise of everlasting life This work of fiction provides direct firm clear direction for becoming a born again Christian There is a very clear message on the promised return of Jesus Christ This is the first of a planned series The second volume will be titled The Book of Short Stories and will tell how God worked in the lives of different people
