John Corvino, 2013-04-04 For the last twenty years John Corvino has traversed the US responding to moral and religious arguments against same sex relationships In this timely book he shares that experience both by addressing the standard objections and by offering insight into the culture wars more generally In the process he makes a fresh case for moral engagement forcefully rejecting the idea that morality is a private matter

A Liberal Catholic Bioethics James F. Drane, 2010 A Liberal Catholic Bioethics opens a new dialogue between Christian reasoning and belief and secular positions in bioethics The well documented book covers in detail internal and external debates and positions of Roman Catholic theology and hierarchy issues of contraception and abortion palliative care and euthanasia caring humanely for the demented the use and abuse of modern technology in medicine The doctrine of Papal infallibility is identified as a main reason in hindering and suppressing a dialogue within the church with the faithful and with other religious and humanist positions
