Murder at Ford's Theatre Brendan H. Egan, Jr., 2008-08-22 It was a sad generation that limped past 1865 Almost every family had been touched by death and many had been torn apart as sons brothers and fathers chose different sides in the Civil War *Murder at Fords Theatre* is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harms way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of

the family sided with the North Lincoln was a perfect object for Booths hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story **Murder at Ford's Theatre**,2001 **Murder at Ford's Theatre** Brendan H. [Perverting the Promised Land](#) Charles Wilcox, 2015-10-30 Who really killed Lincoln The value of history is understood less and less in our world It's an easy subject to underestimate But the reality is that knowing history is vital to a people's survival Creating connections with the past orients and stabilizes us It provides specific lessons that can inform our decision making both individually and nationally It supplies our memory as a people as well as our understanding of and appreciation for personal and national character It fortifies us to face hardships with resolution And it is extremely prophetic as it tends to play out in repetitive cycles The lessons are many and they are invaluable What sorts of lessons will this history teach Will it fill our students with a sense of positive purpose Will it inspire them to follow the best examples of their forebears and to build heroic character Will it strengthen them for future challenges The better you understand history the better you can understand why our ignorance of it is so dangerous
