

"PLEASURE AND DANGER is a brave and challenging book. In the best tradition of feminist exploration, it invites the reader to her own discoveries."

Barbara Ehrenreich

EDITED BY CAROLE S. VANCE

PLEASURE AND DANGER

EXPLORING FEMALE
SEXUALITY

WITH A NEW INTRODUCTION
BY THE EDITOR

Pleasure And Danger Exploring Female Sexuality

Carole S. Vance

Pleasure And Danger Exploring Female Sexuality:

Pleasure and Danger Carole S. Vance, 1984 A good deal of discussion of homosexuality male and female P Thorslev

Pleasure and Danger Carole S. Vance, 1992 *Pleasure and Danger* Carole S. Vance, 1989 The Lesbian and Gay Studies Reader Henry Abelove, Michèle Aina Barale, David M. Halperin, 1993 On homosexuality **The Gender/sexuality Reader** Roger N. Lancaster, Micaela Di Leonardo, 1997 Textbook on gender **Feminism and Sexuality** Stevi Jackson, Sue Scott, 1996 A comprehensive overview of feminist debates surrounding sexuality identifying the main theoretical positions and trends Contributors include Judith Butler bell hooks Luce Irigaray Catherine MacKinnon Adrienne Rich Gayle Rubin Judith Walkowitz and Monique Wittig Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Contesting Feminist Orthodoxies The Feminist Review Collective, 1996-11-14 This internationally acclaimed collection explores the breadth of contemporary feminism covering such areas as feminist theory race class sexuality cultural studies black and third world feminism poetry and politics **Unsafe Words** Shantel Gabrieal Buggs, Trevor Hoppe, 2023-02-10 Queer people may not have invented sex but queers have long been pioneers in imagining new ways to have it Yet their voices have been largely absent from the MeToo conversation What can queer people learn from the MeToo conversation And what can queer communities teach the rest of the world about ethical sex This provocative book brings together academics activists artists and sex workers to tackle challenging questions about sex power consent and harm While responding to the need for sex to be consensual and mutually pleasurable these chapter authors resist the heteronormative assumptions class norms and racial privilege underlying much MeToo discourse The essays reveal the tools that queer communities themselves have developed to practice ethical sex from the sex worker negotiating with her client to the gay man having anonymous sex in the back room At the same time they explore how queer communities might better prevent and respond to sexual violence without recourse to a police force that is frequently racist homophobic and transphobic Telling a queerer side of the MeToo story *Unsafe Words* dares to challenge dogmatic assumptions about sex and consent while developing tools and language to promote more ethical and more pleasurable sex for everyone **The Cultural Construction of Sexuality** Patricia Caplan, 1987 First Published in 1987 Routledge is an imprint of Taylor Francis an informa company *The Palgrave Handbook of Sexuality Education* Louisa Allen, Mary Lou Rasmussen, 2016-11-09 This authoritative state of the art Handbook provides an authoritative overview of issues within sexuality education coupled with ground breaking discussion of emerging and unconventional insights in the field With 32 contributions from 12 countries it definitively traces the landscape of issues

theories and practices in sexuality education globally These rich and multidisciplinary essays are written by renowned critical sexualities studies experts and rising stars in this area and grouped under four main areas Global Assemblages of Sexuality Education Sexualities Education in Schools Sexual Cultures Entertainment Media and Communication Technologies Reanimating What Else Sexuality Education Research Can Do Be and Become Importantly this Handbook does not equate sexuality education with safer sex education nor understand this subject as confined to school based programmes Instead sexuality education is understood more broadly and to occur in spaces as diverse as community settings and entertainment media and via communication technologies It is an essential and comprehensive reference resource for academics students and researchers of sexuality education that both demarcates the field and stimulates critical discussion of its edges Chapter 2 is available open access under a CC BY 4 0 license via link [springer.com](https://www.springer.com)

Desiring Revolution Jane Gerhard, 2001-04-12 There was a moment in the 1970s when sex was what mattered most to feminists White middle class women viewed sex as central to both their oppression and their liberation Young women started to speak and write about the clitoris orgasm and masturbation and publishers and the news media jumped at the opportunity to disseminate their views In Desiring Revolution Gerhard asks why issues of sex and female pleasure came to matter so much to these second wave feminists In answering this question Gerhard reveals the diverse views of sexuality within feminism and shows how the radical ideas put forward by this generation of American women was a response to attempts to define and contain female sexuality going back to the beginning of the century Gerhard begins by showing how the marriage experts of the first half of the twentieth century led people to believe that female sexuality was bound up in bearing children Ideas about normal white female heterosexuality began to change however in the 1950s and 1960s with the widely reported and somewhat shocking studies of Kinsey and Masters and Johnson whose research spoke frankly about female sexual anatomy practices and pleasures Gerhard then focuses on the sexual revolution between 1968 and 1975 Examining the work of Betty Friedan Germaine Greer Erica Jong and Kate Millet among many others she reveals how little the diverse representatives of this movement shared other than the desire that women gain control of their own sexual destinies Finally Gerhard examines the divisions that opened up between anti pornography or anti sex feminists and anti censorship or pro sex radicals At once erudite and refreshingly accessible Desiring Revolution provides the first full account of the unfolding of the feminist sexual revolution

Identity Politics Shane Phelan, 2010-03-31 Tracing the uneasy relationship of lesbian feminism with the Women s Movement and gay rights groups

Violence Interrupted Diane Crocker, Joanne Minaker, Amanda Neland, 2020-09-10 We live in a moment of renewed and highly visible action on the issue of sexual violence Rape culture is a real and salient force that dominates campus climates and student experiences Canada has drafted a national framework provincial legislation and institutional policy to address incidences of sexual violence and students have demanded that their universities respond Yet rape culture persists on campuses throughout North America Violence Interrupted presents different ways of thinking about sexual

violence It draws together multiple disciplinary perspectives to synthesize new conceptual directions on the nature of the problem and the changes that are required to address it Analyzing survey data educational programs participatory photography projects interviews autoethnography legal case studies and existing policy contributors open up the conversation to illustrate sexual violence on campus as a structural cultural and complex social phenomenon The diversity of methodologies sets this study apart a problem as complex and far reaching as rape culture must be approached from a multitude of angles Decades have passed since student advocates first called for no means no campaigns but universities are still struggling to evolve Violence Interrupted answers the call by bridging the gap between advocacy research and institutional change Organizational Studies: Selves and subjects ,2001 *Women, Pleasure, Film* Simon Richter,2013-08-20 The Lola film is a distinct subgenre of the woman s film in which woman s claim to pleasure is entertained without recourse to the figure of the femme fatale Lola embodies a recognizable set of characteristics through which over time a select group of directors actors and audiences have responded in ways that do not succumb to the imperatives of gender There are over thirty five Lola films starting with Marlene Dietrich in *The Blue Angel* many are German others are French American British Italian and Spanish but her claim has also resonated in Argentina China Egypt Mexico Thailand and the Philippines Lola can be working class lesbian transgender ethnic suburban or any combination This book examines Lola as a specific and enduring aspect of the early twentieth century new woman woman s forthright claim to pleasure on her own terms liberated if only as a cinematic fantasy from the usual constraints of sex and gender

Regulating Romance Shanti Parikh,2016-04-11 Drawing on ten years of ethnographic research two hundred fifty interviews and over three hundred youth love letters author Shanti Parikh uses lively vignettes to provide a rare window into young people s heterosexual desires and practices in Uganda In chapters entitled *Unbreak my heart* *I miss you like a desert missing rain* and *You re just playing with my head* she invites readers into the world of secret longings disappointments and anxieties of young Ugandans as they grapple with everyday difficulties while creatively imagining romantic futures and possibilities Parikh also examines the unintended consequences of Uganda s aggressive HIV campaigns that thrust sexuality and anxieties about it into the public sphere In a context of economic precarity and generational tension that constantly complicates young people s notions of consumption based romance communities experience the dilemmas of protecting and policing young people from reputational and health dangers of sexual activity *They arrested me for loving a school girl* is the title of a chapter on controlling delinquent daughters and punishing defiant boyfriends for attempting to undermine patriarchal authority by asserting their adolescent romantic agency Sex education programs struggle between risk and pleasure amidst morally charged debates among international donors and community elders transforming the youthful female body into a platform for public critique and concern The many sides of this research constitute an eloquently executed critical anthropology of intervention *New Views on Pornography* Lynn Comella,Shira Tarrant Ph.D.,2015-02-17 This book

presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about controversial and relevant issues in contemporary society Chapters address topics such as the history and cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography New Views on Pornography Sexuality Politics and the Law challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject

Lesbians and Psychoanalysis Judith M. Glassgold, Suzanne Iasenza, 1995 In Lesbians and Psychoanalysis Judith M Glassgold and Suzanne Iasenza bring together twenty six of these pioneers in the field of lesbian psychoanalytic theory Through insightful chapters based on years of clinical experience each author helps to redefine psychoanalytic theory by reinventing its foundations from an affirmative perspective so that it better represents all peoples

Sex, Morality, and the Law Lori Gruen, George E. Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company
