Spirit-Led Preaching Greg Heisler,2007-02-01 In the words of author Greg Heisler Spirit Led Preaching is a call issued to preachers pastors and teachers of homiletics to recover the Holy Spirit for expository preaching in the same way we have recovered the biblical text My plan for doing this is to recover the doctrine of pneumatology the study of spiritual beings phenomena for our theology of preaching resulting in a renewed emphasis on the powerful combination of Word and Spirit working together as the catalyst for powerful expository preaching Heisler thoroughly examines how the Holy Spirit illuminates and empowers the preacher opens the hearts of the hearers and applies the message to their lives Indeed to ignore the Holy Spirit's role in sermon preparation and delivery would be a considerable oversight

A. Torrey, 2017-08-20 R A Torrey was an American evangelist a Bible scholar and successor to D L Moody A graduate of Yale he was ordained to the ministry in 1878 In the opening chapter Torrey describes the purpose of his book We begin herewith a series of studies of the person and work of the Holy Spirit We shall begin this series by considering what the Bible has to say about the Holy Spirit as a person It is impossible to rightly understand the work of the Holy Spirit or to get into right relation with the Holy Spirit Himself and thus know His blessed work in our own souls without first coming to know the Holy Spirit as a person One of the most fruitful sources of error and misconception of unwholesome enthusiasm and false fire and fanaticism in the treatment of this whole subject is from trying to know the work of the Holy Spirit before we first come to know the Holy Spirit Himself
