Preaching The Good News For Modern Man:

Preaching the Good News for Modern Man David Alexander MacLennan, 1973 Bases of the Preaching Marcos A. Toyens, 2019-11-23 The contemporary evangelical church faces serious difficulties All their leaders are aware of this and they try different diagnoses and answers for it It occurs to me that the current situation is similar to the tragic fate of Samson to whom the Spirit of God had left him and he did not realize it As solutions are sought in human and pragmatic techniques the patient aggravates their condition The only correct answer is that this vanishing life be breathed in as at the beginning of creation by the Word of God The spiritual life of the church and of ourselves depends on listening to and responding to the Word of God And for this to happen Scripture must take the central and authoritative position in the life of the church

Buttrick's Guide to Preaching the Gospel Charles N. Davidson Jr., George A. Buttrick, 2020-08-18 Does the preacher now impress us as a legate of the skies To many he is a pathetic figure an anachronism a stage joke an inoffensive little person jostled by the crowd and wearing the expression of a startled rabbit With one hand he holds a circular hat on a bewildered head and with the other desperately clutches an umbrella The crowd pushes him from the sidewalk the traffic shoots him back into the crowd Some curse him a few laugh most are unaware of his existence George Buttrick Lyman Beecher Lectures 1931 Whether we need preaching has been asked for hundreds of years long before an age of media saturation from streaming 24 hour news entertainment politics and sports This question hounded George Buttrick one of the most profound

preachers of the twentieth century and often compared with Billy Graham Buttrick offers a compelling answer to the question but his answer remained hidden for 40 years until now In George Buttrick s Guide to Preaching the Gospel we learn why the world needs competent preachers what the preacher must preach about and how the preacher goes about creating the sermon with daily discipline and several practiced skills including research charting outlining writing and performance These writings have never been published before and were found by his grandchildren after his death A brief biography of Buttrick introduces this master orator and professor to readers who do not know his work The Living Church ,1947
