Social Theory in the Real World Steven Miles,2001-05-18 Social Theory in the Real World is concerned with illustrating the practical benefits of social theory Many students find it hard to relate the real insights provided by social theory to their real life experiences and many lecturers struggle to demonstrate the relevance of social theory to everyday life This book offers an accessible non patronizing solution to the problem demonstrating that social theory need not be remote and obscure but if used in imaginative ways it can be indispensable in challenging our common sense perceptions and understandings The book identifies the key themes of contemporary social theory mass society postindustrialism consumerism postmodernism McDonaldization risk and globa

Turn Case Studies Into Cashflow Streams: Leverage Success Stories To Sell More Ahmed Musa,2025-05-31 Your past success isn t just a record it s a revenue stream Turn Case Studies Into Cashflow Streams shows you how to transform the results you ve already created for others into magnetic marketing profitable products and scalable proof driven sales tools Most entrepreneurs overlook the gold sitting in their own results Whether it s a client win a successful project or even your own personal transformation the proof of your work is your most persuasive asset People don t just want promises they want proof And well crafted case studies give them exactly that This book teaches you how to

extract the story behind the success shape it into compelling content and use it to drive conversions close clients and inspire action Your best marketing is already in your archive you just need to know how to use it When you show the story you sell the solution

Foundations of Real-World Economics John Komlos,2019-01-11 The 2008 financial crisis the rise of Trumpism and the other populist movements which have followed in their wake have grown out of the frustrations of those hurt by the economic policies advocated by conventional economists for generations Despite this textbooks continue to praise conventional policies such as deregulation and hyperglobalization This textbook demonstrates how misleading it can be to apply oversimplified models of perfect competition to the real world The math works well on college blackboards but not so well on the Main Streets of America This volume explores the realities of oligopolies the real impact of the minimum wage the double edged sword of free trade and other ways in which powerful institutions cause distortions in the mainstream models Bringing together the work of key scholars such as Kahneman Minsky and Schumpeter this book demonstrates how we should take into account the inefficiencies that arise due to asymmetric information mental biases unequal distribution of wealth and power and the manipulation of demand This textbook offers students a valuable introductory text with insights into the workings of real markets not just imaginary ones formulated by blackboard economists A must have for students studying the principles of economics as well as micro and macroeconomics this textbook redresses the existing imbalance in economic teaching Instead of clinging to an ideology that only enriched the 1% Komlos sketches the outline of a capitalism with a human face an economy in which people live contented lives with dignity instead of focusing on GNP

Branding Only Works on Cattle Jonathan Salem Baskin,2009-03-16 Most people don't know it yet but branding is dead Of course we need to know about the things we want to buy but the billions of pounds spent on logos sponsorships and jingles have little if anything to do with consumer behaviour For example Dinosaur headed execs in Microsoft ads didn't help sell software Citibank's artsy live richly billboards didn't prompt a single new account United Airlines animated TV commercials didn't fill more seats on airplanes In *Branding Only Works on Cattle* branding guru Jonathan Salem Baskin reveals that modern consumers are harder to find more difficult to convince and even harder to retain They make decisions based on experience so what matters isn't how creative cool or memorable the advertising is but how companies can affect consumer behaviour Marketing communications distribution strategies and customer service are all contributing to the new branding This book will be the essential guide to understanding and thriving on this new branding dynamic
