50 Real Ghost Stories M J Wayland, 2013-02 A real ghost story should never end perfectly That is my rule of thumb After investigating ghost experiences for nearly thirty years I realised that the finely polished stories told by storytellers and ghost walkers were exactly that polished In polishing stories we lose the personality of the haunted and indeed the haunter itself that is why in my books research papers and articles I always maintain the original testaments and facts The stories that I have collected for you now are rough diamonds totally unpolished and any additions by myself are kept to a minimum and noted clearly P 4 of cover [50 Real Ghost Stories 2](#) M. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic *1 + 1 = God* Michael Pietrzyk, 2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so he established his common sense viewpoints that God's wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike's common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike's confirmation is his own supernatural experience of God's protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike's experience and the experiences of many many others This book is an excellent source not just if you

are searching for answers about Christianity and atheism but it s an affirmation that God is love *Haunted Encounters, Real-Life Stories of Supernatural Experiences* ,2003 *Jesus Is the Way, Truth, Life* Michael Pietrzyk,2020-08-19 If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus then this book is for you So many Christians take Jesus for granted and so many people do not understand His torment and the suffering He endured for us We began a spiritual journey when we enter this world We have a natural body and a world full of responsibilities to challenge us on our journey We are influenced by many outside sources and personal interactions with our family members and friends Ultimately we make the most important decision of our life Do we believe in God and accept Jesus as our Savior or do we reject God and accept atheism When you analyze the facts of the life of Jesus his loving teachings his horrible suffering death and miraculous resurrection you come to understand He did it for you Jesus is the Way the Truth and the Life His teaching brings light into your life Jesus is the gateway to eternal happiness when we leave this world Atheism with its evil influence wants to drag you down and have you reject God Atheists are in total denial about God Jesus supernatural experiences something from nothing and the wisdom in the formation of this universe and mankind Atheists want you to believe you will simply rot in the ground and accept life with no future hope If you are an atheist don t laugh at this thought and concern As a Christian I care for you and your soul That is certainly more than what the atheistic thinking has in mind for you Atheism under the influence of Satan offers you nothing but the door way to eternal conscious separation from God This book is a direct challenge to the thoughts and beliefs of the atheist I wrote this book with the hope it just might stir the mind of a non believer Then believing the Holy Spirit will do the rest
