Damn! Why Didn't I Write That? Marc McCutcheon, 2001 Offers encouragement to amateur writers who want to support themselves by writing Describes the process from idea research query letters and proposals to agents contract negotiations and promotion Confessions of a Scary Mommy Jill Smokler, 2012-04-03 Sometimes I just let my children fall asleep in

front of the TV In a culture that idealizes motherhood it s scary to confess that in your house being a mother is beautiful and dirty and joyful and frustrating all at once Admitting that it s not easy doesn t make you a bad mom at least it shouldn t If I can t survive my daughter as a toddler how the hell am I going to get through the teenage years When Jill Smokler was first home with her small children she thought her blog would be something to keep friends and family updated To her surprise she hit a chord in the hearts of mothers everywhere I end up doing my son s homework It s wrong but so much easier Total strangers were contributing their views on that strange reality called motherhood As other women shared their stories Jill realized she wasn t alone in her feelings of exhaustion and imperfection My eighteen month old still can t say Mommy but used the word shit in perfect context But she sensed her readers were still holding back so decided to start an anonymous confessional a place where real moms could leave their most honest thoughts without fearing condemnation I pretend to be happy but I cry every night in the shower The reactions were amazing some sad some pee in your pants funny some brutally honest But they were real not a commercial glamorization I clock out of motherhood at 8 P M and hide in the basement with my laptop and a beer If you re already a fan lock the bathroom door on your whining kids run a bubble bath and settle in If you ve not encountered Scary Mommy before break out a glass of champagne as well because you ll be toasting your initiation into a select club I know why some animals eat their young In chapters that cover husbands The Biggest Baby of Them All to homework Didn t I Already Graduate Confessions of a Scary Mommy combines all new essays from Jill with the best of the anonymous confessions Sometimes I wish my son was still little then I hear kids screaming at the store As Jill says We like to paint motherhood as picture perfect A newborn peacefully resting on his mother s chest A toddler taking tentative first steps into his mother s loving arms A mother fluffing her daughter s prom dress These moments are indeed miraculous and joyful they can also be few and far between Of course you adore your kids Of course you would lay down your life for them But be honest now Have you ever wondered what possessed you to sign up for the job of motherhood STOP DO NOT OPEN THIS BOOK UNTIL YOU RECITE THESE VOWS I shall remember that no mother is perfect and my children will thrive because and sometimes even in spite of me I shall not preach to a fellow mother who has not asked my opinion It s none of my damn business I shall maintain a sense of humor about all things motherhood
