Herskovits, 1979 *Rebel Destiny* Melville J. Herskovits, 2017-10-12 Excerpt from *Rebel Destiny Among the Bush Negroes of Dutch Guiana* In the Guiana bush however where these runaway Negroes and their descendants have been living the for tunes Of African kingdoms the cultural contacts that have affected the Africans have not touched their own tribal destinies Neither has the civilization of the white man nor that of the Indian introduced basic changes into their manner of living or thinking There are no roads in the Guiana bush and what foot paths exist to connect one village with another are difficult to follow and moreover are not for the stranger whether he be white or mulatto For such as these the highway is the river with native paddlers alert in their surveillance of a stranger s activities The Old men on the river have made a tradition of recalling the struggle of the ancestors for freedom and survival and it is not without significance that one of the three worst crimes among the Bush Negroes one that ranks with incest and murder is inform ing on a Negro to a white man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Rebel Destiny** Melville Jean Herskovits, Francis Herskovits, 1975-06-01 **Edward Sapir □ Appraisals of his life and work** E.F.K. Koerner, 1984-01-01 To commemorate the 100th anniversary of the birth of Edward Sapir 1884 1939 this volume brings together a number of papers by distinguished North American scholars appraising the life and work of the world renowned anthropologist and linguist It includes an introduction by the editor a full bibliography of Sapir s scientific writings a detailed index of names and many photographs and fac similes Among the contributors are Ruth Benedict Leonard Bloomfield Franz Boas Joseph Greenberg Mary Haas Zellig Harris A L Kroeber Robert H Lowie David Mandelbaum Morris Swadesh and C F Voegelin Guiana and the Shadows of Empire Joshua R. Hyles, 2013-12-04 This book is a history of the three Guianas now known as Guyana Suriname and French Guiana Though histories of each of the countries exist this is the first work in a century to consider the three countries as a group and thus the first to present the history of all three as a comparative and overarching study Special emphasis has been given to the story of how each colony was administered by Britain the Netherlands and France respectively and how these differing colonial administrative policies have given rise to three vastly different cultures Because the geographical area of the Guianas is relatively small the indigenous population at the time of contact was relatively uniform across the area and the external pressures on the three colonies over their

histories exhibited significant similarities the book presents the Guianas as an ideal laboratory in which to study the effects of imperialism and cultural assimilation practices The book also briefly considers the present political and cultural status of the three polities and makes some projections about their possible futures In all the book presents a complete history from prehistory until the present day covering the entirety of the Guianas region relating a colorful history from a little studied corner of the world Travels with Tooy Richard Price,2010-02-15 Thirty five years into his research among the

descendants of rebel slaves living in the South American rain forest anthropologist Richard Price encountered Tooy a priest philosopher and healer living in a rough shantytown on the outskirts of Cayenne French Guiana Tooy is a time traveler who crosses boundaries between centuries continents the worlds of the living and the dead and the visible and invisible With an innovative blend of storytelling and scholarship Travels with Tooy recounts the mutually enlightening and mind expanding journeys of these two intellectuals Included on the itinerary for this hallucinatory expedition forays into the eighteenth century to talk with slaves newly arrived from Africa leaps into the midst of battles against colonial armies close encounters with double agents and femme fatale forest spirits and trips underwater to speak to the comely sea gods who control the world s money supply This enchanting book draws on Price s long term ethnographic and archival research but above all on Tooy s teachings songs stories and secret languages to explore how Africans in the Americas have created marvelous new worlds of the imagination General History of the Caribbean UNESCO Volume 6 NA NA,2019-06-12 Volume6 looks at the

ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings The authors examine how the lingual diversity of the region has affected the historian s ability to coalesce an historical account The second half of the volume describes the writing of history in the individual territories taking into account changes in society economy and political structure This volume concludes with a detailed bibliography that is comprehensive of the entire series General History of the Caribbean Higman, B.W.,UNESCO,1905-06-21 This volume looks at the ways historians have written the history of the region depending upon their methods of interpretation and differing styles of communicating their findings The chapters discussing methodology are followed by studies of particular themes of historiography The second half of the volume describes the writing of history in the individual territories taking into account changes in society economy and political structure The final section is a full and detailed bibliography serving not only as a guide to the volume but also as an invaluable reference for the General History of the Caribbean as a whole
