Rebel An Imagined Life Of James Dean:

The Rebel Jack Dann, 2004 From the bestselling author of *The Memory Cathedral* and *The Silent* comes a major new novel about one of the greatest icons of the 20th century Imagine if James Dean had not died in that terrible car crash What would his life have been like this brooding young man who even before his death had become an icon of rebellion and sex appeal for a generation His best friend was Marilyn Monroe he hung out with Elvis he took drugs went on civil rights marches and climbed mountains with Bobby Kennedy As Jimmy struggles to find a way to make good this second chance at life he moves from the movies into politics Along the way *The Rebel* gives us an extraordinary snapshot of post war America through the lens of celebrity and politics and a very intimate look at famous lives away from the pages of history It is a story of rebellion idealism love courage and tragedy it is the story of James Dean and the story of 20th century America in all its magnificent gritty heartbreaking madness

The Rebel Jack Dann, 2009-03-17 With *The Rebel* acclaimed award winning author Jack Dann pulls James Dean from the twisted wreckage and offers him a second chance to make an indelible mark on his art his culture and his time in an era of profound change and devastating social upheaval Surviving the horrific crash that leaves him permanently scarred both physically and emotionally the haunted brooding and complex young star finds himself charged with a feeling of responsibility to do something wonderful and important Yet for Jimmy Dean the glory road will be winding and broken littered with the detritus of exploded dreams and destroyed love as it passes through the holiest cultural sites of postwar twentieth century America the genius and drug pumped world of the Beats the protected inner sanctum of Graceland the darkest shadows of Camelot The lives and futures of Kerouac Sinatra Elvis and the Kennedys will all be touched by him yet perhaps none so deeply as the fragile sex goddess who will always be his greatest burden and true soul mate a dazzling and tragically lost phenomenon named Marilyn as he moves toward an astonishing destiny that will reconfigure the world Ingeniously blending historical fact with brilliant invention *The Rebel* is a hip fast and mesmerizing ride through the fifties and sixties an unforgettable road trip across a nation with an American legend at the wheel
